Piggyback/Cooperative Contract Summary

Piggyback/Cooperative Contract Number and Title:	Award Agreement NO 21-0053-MR
Awarding Agency:	Manatee County School District
Services/Supplies to be provided:	Park equipment
Why are the Services/Supplies being obtained via a piggyback or cooperative contract (as opposed to issuing a solicitation or obtaining quotes):	Typically, competitively bid piggybacks offer fairer terms and pricing due to the large volume in sales. Vendors achieve economies of scale by increasing production. Some of those savings are seen in piggybacked solicitations.

Procurement Code, Section 38.41(C)(5) AND 38.47:

§ 38.41(C)(5) Piggyback purchases. The CPO (Chief Procurement Officer) may procure, without following formal solicitation procedures, all goods, supplies, materials, equipment, and services that are the subject of contracts with the state, its political subdivisions, the United States government, other governmental entities, or a corporation not for profit whose members are governmental entities, public officers, or any combination thereof ("piggyback"), provided that the goods, supplies, materials, equipment, or services are the subject of a price schedule negotiated by the entities listed above and is based strictly on competitive bids, quotations, or competitive proposals and not on any preference. Utilization of other governmental entities' contracts shall be permitted only during the term of the other governmental entity's contract.

§ 38.47 Cooperative Purchasing. The CPO shall have the authority to join with other governmental entities in cooperative purchasing plans when the best interest of the City is served.
