Dear Engineer Jiang:

CDM Smith Inc. (CDM Smith) respectfully requests the City of Hollywood (City) to approve our withdrawal from the subject solicitation. After careful consideration, we decided to make this request based upon our 6th place position on the qualification package, the remaining points available for the oral presentation, and our careful usage of business development funds during this competitive economy.

We appreciate the City's leadership role over the years for the South Florida community, and we look forward to submitting on your future solicitations.

Sincerely,

A handwritten signature in blue ink that reads "TJO'Neil".
