No WORK for which submittals are required shall be performed until said submittals have been approved by CONSULTANT. Approval shall not relieve CMAR from responsibility for errors or omissions on the submittals or for compliance with the requirements of the CONTRACT DOCUMENTS.

3.7.9 No review or approval will be given to partial submittals for items which interconnect and/or are interdependent where necessary to properly evaluate the submittal. It is CMAR's responsibility to assemble the submittals for all such interconnecting and/or interdependent items, check them and then provide one submittal to CONSULTANT along with comments as to compliance, noncompliance, or features requiring special attention.

3.7.10 Additional information provided by the CMAR on any submittal shall be typewritten or lettered in ink.

These Project Record Documents together with all approved samples and a counterpart of all approved submittals shall be available at all times to CONSULTANT for reference. Upon final completion of the PROJECT and prior to Final Payment, these Project Record Documents, including submittals and other Project Record Documents required elsewhere in the PROJECT MANUAL and specifications shall be delivered to the PROJECT MANAGER.

If the testing or approval is to be made by an authority other than CITY, timely notice shall be given of the date fixed for such testing or approval. Testing shall be made promptly, and where practicable, at the source of supply. If any of the WORK that requires approval is covered up without approval or consent of CONSULTANT, it must, if required by CONSULTANT, be uncovered for examination and properly restored to the satisfaction of the CONSULTANT.

3.9.1.2 Reexamination of any of the WORK may be ordered by CONSULTANT with prior written approval by the PROJECT MANAGER, and if so ordered, the WORK must be uncovered by the CONTRACTOR. If such WORK is found to be in accordance with the CONTRACT DOCUMENTS, CITY shall pay the cost of reexamination and replacement by means of a CHANGE ORDER. If such WORK is not in accordance with the CONTRACT DOCUMENTS, CMAR shall pay such cost to be deducted from the CMAR's fee at no additional cost to CITY.

3.9.2 No inspector, employee or agent of the City shall have the authority to permit deviations from, nor to modify any of the provisions of the CONTRACT DOCUMENTS nor to delay the contract by failure to inspect the materials and WORK with reasonable promptness without the written permissions or instructions of CONSULTANT and PROJECT MANAGER.

3.9.3 The payment of any compensation, whatever may be its character or form, or the giving of any gratuity or the granting of any favor by CMAR to any inspector, directly or indirectly, is strictly prohibited, and any such act on the part of the CMAR will constitute a breach of this contract.

3.10.1 CMAR shall pay all applicable sales, consumer, use and other taxes required by law. CMAR is responsible for reviewing the pertinent state statutes and regulations involving state taxes and complying with all requirements.

3.10.2 Taxes shall be a reimbursable cost under Section 8.3.4(6) except income and franchise taxes. All such taxes that are required as of the time of contract execution shall be included in the GMP.

3.10.3 The CITY, in its sole discretion, may choose to exercise the Owner direct purchase option CMAR has included in its GMP and shall pay all sales, consumer, use and other similar taxes for the WORK or portions thereof provided by CMAR which are legally enacted at the time the GMP is established, whether or not yet effective. OWNER reserves the right to delete portions of the WORK and to direct purchase materials to realize a true savings pursuant to an owner direct purchase Option ("ODP"). CMAR hereby agrees to permit OWNER to direct purchase from its suppliers at prices quoted to CMAR and for OWNER to retain any true savings generated thereby.

3.10.4 In accordance with the provisions of subsection 3.10.3 of this contract, CITY may exercise its right to implement an OPD/ Sales Tax Savings Program, with respect to this contract. This Article describes the procedures by which this program will be implemented and administered if the CITY subsequently determines to do so. Pursuant to these procedures, CITY may

order and pay for all such purchases, as well as take title to all such purchases, directly from the supplier or manufacturer.

- 3.10.5 At the time the GMP is established, but not later than concurrently with submission of the required Schedule of Values, CITY, CONSULTANT, and CMAR shall endeavor to identify the specific items and the estimated costs of the potential "ODP". CMAR shall identify a separate line item cost for each potential ODP item. CMAR CONTRACTOR must clearly and separately identify any CONTINGENCY or allowance amount associated with any ODP line items. The GMP must include the total cost of the WORK, including the cost of the ODP items and their associated sales taxes.
- 3.10.6 Based upon review of the CONTRACT DOCUMENTS, CMAR shall recommend potential ODP items to the PROJECT MANAGER and CONSULTANT. After reviewing CMAR's recommendations and the applicable CONTRACT DOCUMENTS, and after consultation with CONSULTANT, PROJECT MANAGER shall make the final determination as to which items, if any, will be purchased as ODP items.
- 3.10.7 After PROJECT MANAGER identifies the ODP items, CMAR shall prepare a standard purchase order requisition on a purchase order form provided by CITY, to specifically identify the materials which CITY has elected to purchase directly. The purchase order requisition form shall include the following information:

Project Name;
CONTRACTOR Name;
Manufacturer/Supplier Name;
Name, address, telephone number and contact person for
Manufacturer/ Supplier;
Manufacturer or brand model or specification number of the item;
The quantity and unit of measure needed as estimated by
CONTRACTOR;
The price quoted by the Manufacturer/Supplier for the materials or
equipment identified;
All sales tax associated with the price quote;
Delivery address;
Delivery dates;
Delivery instructions;
Vendor identification number;
Mailing address for invoices.

- 3.10.8 All purchase order requisitions prepared by CMAR must be sent to CITY's Department of Design and Construction Management, with a copy to the CONSULTANT, and they must be expressly approved by PROJECT MANAGER before a purchase order is issued to the applicable Manufacturer/Supplier. In preparing the standard purchase

order requisition, CMAR shall include all terms and conditions, which may have been negotiated by the CMAR with the Manufacturer/Supplier {e.g. payment terms, warranties, etc.}. To the extent any such terms or conditions differ from the standard terms and conditions included in CITY's standard purchase order requisition form, such differences must be specifically identified to CITY by the CMAR prior to submitting the requisition for review by the City Attorney's Office and Procurement Director. Upon the additional terms or conditions being reviewed and accepted, CMAR shall submit the required purchase order requisition. All shipping expenses associated with any ODP item (including all freight insurance) must be included in the cost of that item and not charged as a separate item.

- 3.10.9 All purchase order requisitions prepared by CMAR must be submitted to the PROJECT MANAGER and CONSULTANT no less than 21 calendar days prior to the need for the ordering of the subject ODP item, in order to provide sufficient time for its review.
- 3.10.10 CMAR is responsible for ensuring that all necessary attachments to the purchase order requisition {e.g., shop drawings, details, specification sheets, etc.} required to properly place the order with the Manufacturer/Supplier, have been attached to the purchase order requisition at the time it is sent to PROJECT MANAGER for review. Once approved by the DIRECTOR OR PROJECT MANAGER, PROJECT MANAGER shall forward the completed purchase order requisition, with all attachments, to the Manufacturer/Supplier, with a copy to CMAR.
- 3.10.11 The CITY shall take title to ODP items from the Manufacturer/Supplier at the time of purchase or delivery, as applicable, according to the terms of purchase and delivery. The CITY assumes the risk of loss with respect to ODP items in that it bears the economic burden of insurance for loss or damage, and directly enjoys the economic benefit of proceeds of such insurance as an additional named insured.
- 3.10.12 As ODP items are delivered to the job site, CMAR shall visually inspect all shipments from Manufacture/Suppliers and approve the vendor's shipping record for material delivered. CMAR shall assure that each delivery of an ODP item is accompanied by the appropriate documentation to adequately identify the purchase order number against which the purchase is made and to confirm that the correct type and quantity of the ODP item has been delivered in the appropriate condition. CMAR's approval will include a legible signature (printed) of the person who inspected the delivered items, dated as of the date of delivery.
- 3.10.13 All invoices from the Manufacturer/Supplier must be directed and sent to PROJECT MANAGER at the Department of Design and Construction Management by CMAR. It is the responsibility of

CMAR to review all such invoices and confirm in writing their accuracy in relation to the delivery ticket and the OPD items actually delivered before forwarding them to PROJECT MANAGER for processing and payment. CMAR shall obtain from the Manufacturer/Supplier all releases, warranties and other necessary supporting documentation which may be required by CITY and shall insure that all such releases, warranties and supporting documentation have been attached to the invoice before forwarding the invoice to PROJECT MANAGER for processing and payment. CMAR is responsible for obtaining from the Manufacturer/Supplier all operating information and manuals, spare parts and all other items required to be provided by the Manufacturer/Supplier.

3.10.14 CMAR shall review all such items for compliance with the requirements of the DOCUMENTS and shall organize and deliver all such items to PROJECT MANAGER as part of its requirements for achieving SUBSTANTIAL COMPLETION of the WORK.

3.10.15 CMAR, PROJECT MANAGER and CONSULATANT shall review on a quarterly basis, the ODPs that have been delivered and paid for the previous quarter. CMAR's shall prepare a log of ODPs, showing the amount equal to the value of any ODPs, including sales taxes, paid for by CITY. At a time of its choosing, but prior to completion of the WORK, CITY shall prepare an appropriate CHANGE ORDER, for CMAR's execution, which reduces the CONTRACT PRICE by the total cost paid by CITY for the ODPs, together with the amount of sales tax savings that have been realized as a result of CITY's ODPs. Further, the CHANGE ORDER shall allocate to the OWNER's CONTINGENCY any sales tax savings.

3.10.16 Nothing in this Article relieves CMAR from its responsibility for the requisitioning of the order, scheduling, coordinating, insuring, delivery, unloading, storage, installation, repair, operation and warranty of all ODP items. All such obligations remain the responsibility of CMAR and have been paid for by CITY as a part of the CONTRACT PRICE (which always included these responsibilities and obligations) as fully as if there had been no CITY ODP purchase whatsoever.

ARTICLE 4

PRIORITY OF PROVISIONS

4.1 The CONTRACT DOCUMENTS shall be interpreted so as to eliminate inconsistencies or conflicts, but in the event of any conflict, requirements for greater quantity and/or more expensive work shall govern such interpretation.

4.2 In case of conflicts between the provisions of this contract, any ancillary documents executed contemporaneously herewith or prior hereto, or any other of the CONTRACT DOCUMENTS, the provisions of this Contract (including all Exhibits) shall prevail.

- 4.3 Anything shown on the drawings and not mentioned in the specifications or mentioned in the specifications and not shown on the drawings shall have the same effect as if shown or mentioned respectively in both. In the event of a conflict among the CONTRACT DOCUMENTS, the most stringent requirements applicable to the CMAR shall control.
- 4.4 The organization of the specifications into divisions and sections and the arrangement of drawings shall not control CMAR in dividing the WORK among subcontractors or in establishing the extent of the WORK to be performed by any trade. The organization of the specifications and the arrangement of the drawings is for the convenience of CMAR and is not intended to relieve CMAR from its obligation to conduct a complete study of the drawings, specifications and addenda for the purpose of directing and coordinating the various subcontractors and suppliers as to their respective responsibilities.

ARTICLE 5

CONSULTANT'S AUTHORITY

- 5.1 CONSULTANT will provide overall technical and management services to assist the CITY in maintaining schedules, establishing budgets, controlling costs, and achieving quality.
- 5.2 If at any time the CONSULTANT observes or becomes aware of any fault or defect in the WORK or of any nonconformance with the CONTRACT DOCUMENTS, CONSULTANT will promptly notify the PROJECT MANAGER and CMAR in writing and will direct that all reasonable steps be taken to correct such fault, defect or nonconformance. The CONSULTANT shall have the authority to reject work that does not in its opinion, or in the opinion of the PROJECT MANAGER, conform to the CONTRACT DOCUMENTS.
- 5.3 CONSULTANT shall monitor the overall quality, progress and cost of the WORK.
- 5.4 CONSULTANT shall not have control over construction means, methods, techniques, sequences and procedures employed by CMAR in the performance of the WORK, but shall be responsible for using its best efforts to review and, if unacceptable, disapprove such and shall recommend a course of action to the CITY based on the fact that the requirements of the CONTRACT DOCUMENTS are not being met by CMAR.
- 5.5 The CITY will be assisted by CONSULTANT in the areas of on-site review of WORK in progress, review of pay requests submitted by CMAR, assisting in the interpretation of the intent of the CONTRACT DOCUMENTS for the proper execution of the WORK, and such other assistance as the CITY may request.
- 5.6 The CONSULTANT shall have no authority to order or approve any deviation from the CONTRACT DOCUMENTS, whether or not such deviation affects the cost of the WORK, or the date of SUBSTANTIAL COMPLETION. In the event any such deviation is sought by CONSULTANT or CMAR, prior written approval from the PROJECT MANAGER must be obtained.

ARTICLE 6
TIME FOR PERFORMANCE

6.1 CONTRACT TIME:

6.1.1 CMAR shall be instructed to commence the WORK by written NOTICES TO PROCEED issued by the PROJECT MANAGER. The first NOTICE TO PROCEED will not be issued until CMAR's submission to PROJECT MANAGER of all required documents and after execution of the contract by both parties. Preliminary work, including submission of a project schedule, schedule of values, submittals, submittal schedule, and other documents required for permitting, and performance of work that does not require permits, shall be submitted within ten calendar days after the date of the NOTICE TO PROCEED. Receipt of all permits by CMAR is a condition precedent to the issuance of a second NOTICE TO PROCEED for all other work. The WORK to be performed pursuant to the second NOTICE TO PROCEED shall be completed within ten calendar days of the Project Initiation Date specified in the second NOTICE TO PROCEED

6.1.2 Time is of the essence throughout this contract. The PROJECT shall be SUBSTANTIALLY COMPLETED within **368 calendar days** from the date of the second NOTICE TO PROCEED. The total PROJECT shall be completed and ready for final payment within **30 calendar days** from the date certified by CONSULTANT as the date of SUBSTANTIAL COMPLETION in accordance with Article 8.

6.1.3 LIQUIDATED DAMAGES.

A. LIQUIDATED DAMAGES FOR SUBSTANTIAL COMPLETION.

1. The CMAR shall pay the OWNER the sum of **\$2025.00** Dollars per day for each and every calendar day of unexcused delay in achieving SUBSTANTIAL COMPLETION beyond the date set forth in the CONTRACT DOCUMENTS for SUBSTANTIAL COMPLETION of each phase, if phased, or the PROJECT, if not phased.
2. OWNER and CMAR acknowledge that any sums due and payable by the CMAR shall be payable, not as a penalty, but as liquidated damages representing a reasonable estimate of delay damages, inconvenience, additional overhead and costs likely to be sustained by the OWNER as estimated at the time of executing the CONTRACT DOCUMENTS. If the OWNER reasonably believes in its discretion that SUBSTANTIAL COMPLETION will be delayed, the OWNER shall be entitled, but not required, to withhold from any amounts otherwise due the CMAR an amount then believed by the OWNER to be adequate to recover liquidated damages applicable to such delays. If and when in the OWNER's discretion the CMAR overcomes the delay in achieving the SUBSTANTIAL COMPLETION, or any part thereof, for which the OWNER has

withheld payment, the OWNER shall promptly release to the CMAR those funds withheld, but no longer applicable, as liquidated damages.

3. Partial use or occupancy of the PROJECT may not result in the Scope of Services/Work being deemed substantially completed, and such partial use or occupancy may not be evidence of SUBSTANTIAL COMPLETION.

SUBSTANTIAL COMPLETION, in the context of this contract, does not refer to any prior dates on which the OWNER employs other contractors to work on the same site.

B. LIQUIDATED DAMAGES FOR FINAL COMPLETION.

1. If the CMAR fails to achieve FINAL COMPLETION within 30 days of the date of SUBSTANTIAL COMPLETION, the CMAR shall pay the OWNER the sum of **\$500.00** Dollars per day for each and every calendar day of unexcused delay in achieving final completion beyond the date set forth for completion of the WORK or PROJECT.
2. Any sums due and payable hereunder by the CMAR shall be payable, not as a penalty, but as liquidated damages representing a reasonable estimate of delay damages, inconvenience, additional overhead and costs likely to be sustained by the OWNER, as estimated at or before the time of executing this contract. When the OWNER reasonably believes that FINAL COMPLETION will be inexcusably delayed, the OWNER shall be entitled, but not required, to withhold from any amounts otherwise due the CMAR an amount then believed by the OWNER to be adequate to recover liquidated damages applicable to such delays.
3. Prior to being entitled to receive final payment, and as a condition precedent thereto, the CMAR shall provide the OWNER, in the form and manner required by the OWNER, the following:
 - a. An affidavit that the CMAR's obligations to all subcontractors, laborers, equipment or suppliers, or other third parties in connection with the PROJECT, have been paid or otherwise satisfied;
 - b. Such other documents as required by the PROJECT MANUAL from each subcontractor, lower tier subcontractor, laborer, supplier or other person or entity who may have a claim against the person or entity that retained it, including but not limited to final releases of bond;
 - c. All product warranties, operating manuals, instruction manuals and other documents customarily required of the CMAR or reasonably required by the OWNER, including but

not limited to those required elsewhere in the CONTRACT DOCUMENTS, as part of its Project Closing procedure.

- 6.1.4 CMAR shall be responsible for reimbursing CITY, in addition to liquidated damages, for all costs incurred by CONSULTANT in administering the construction of the PROJECT beyond the completion dates specified above or beyond an approved extension of time granted to CMAR, whichever date is later. Such costs shall be deducted from the monies due CMAR for performance of work under this contract by means of unilateral credit change orders issued periodically to CITY as costs are incurred by CONSULTANT and agreed to by CITY.
- 6.15 Extensions to the CONTRACT TIME for delays caused by the effects of inclement weather shall be submitted as a request for change in CONTRACT TIME pursuant to Article 6.3. These time extensions are justified only when rains or other inclement weather conditions or related adverse soil conditions prevent CMAR from productively performing controlling items of work identified on the accepted schedule or updates resulting in CMAR being unable to work at least 50% of the normal workday on controlling items of work identified on the accepted schedule or updates due to adverse weather conditions.

6.2 SUBSTANTIAL COMPLETION DATE:

When CMAR considers that the WORK, or portion thereof designated by PROJECT MANAGER pursuant to Article 6.4 hereof, has reached SUBSTANTIAL COMPLETION, CMAR shall so notify PROJECT MANAGER and CONSULTANT in writing. CONSULTANT and PROJECT MANAGER shall then promptly inspect the WORK.

When CONSULTANT, on the basis of such an inspection, determines that the WORK or designated portion thereof is substantially complete, CONSULTANT will then prepare a Certificate of Substantial Completion in the form attached hereto as Form 1 which shall establish the Date of SUBSTANTIAL COMPLETION; shall state the responsibilities of CITY and CMAR for security, operation, safety, maintenance, services, damage to the WORK, insurance, and warranties; and shall list all work yet to be completed (Punch List) to satisfy the requirements of the CONTRACT DOCUMENTS for FINAL COMPLETION. The failure to include any items of corrective work on such list does not alter the responsibility of CMAR to complete all of the work in accordance with the CONTRACT DOCUMENTS. The Certificate of Substantial Completion shall be submitted to the PROJECT MANAGER, after execution by CMAR, and CONSULTANT, indicating their written acceptance of such certificate.

6.3 NOTIFICATION OF CHANGE OF CONTRACT TIME OR CONTRACT PRICE:

- 6.3.1 Any claim for a change in the CONTRACT TIME or CONTRACT PRICE shall be made by written notice and delivered by CMAR to the CONSULTANT with a copy to PROJECT MANAGER within five

calendar days of the commencement of the event giving rise to the claim and stating the general nature of the claim. Notice of the nature and elements of the claim shall be delivered within 20 calendar days after the date of such written notice. Thereafter, within ten calendar days of the termination of the event giving rise to the claim, notice of the extent of the claim with supporting data shall be delivered unless CONSULTANT allows an additional period of time to ascertain more accurate data in support of the claim and shall be accompanied by CMAR's written statement that the adjustment claimed is justified as a result of the occurrence of said event. All claims for adjustment in the CONTRACT TIME or CONTRACT PRICE shall be determined by CONSULTANT and City in accordance with Article 30 hereof, if CONSULTANT and CMAR cannot otherwise agree. NO CLAIM FOR AN ADJUSTMENT IN THE CONTRACT TIME OR CONTRACT PRICE WILL BE VALID IF NOT SUBMITTED IN STRICT ACCORDANCE WITH THE REQUIREMENTS OF THIS SECTION.

- 6.3.2 The CONTRACT TIME will be extended in an amount equal to time lost due to delays beyond the control of and through no fault or negligence of CMAR if a claim is made therefore as provided in subsections 6.3.1 and 7.81 of this contract. Such delays shall include, but not be limited to, acts or neglect by any separate independent contractors employed by CITY, fires, floods, labor disputes, epidemics, abnormal weather conditions or acts of God.

6.4 USE OF COMPLETED PORTIONS:

- 6.4.1 CITY shall have the right, at its sole option, to take possession of and use of any completed or partially completed portions of the PROJECT. Such possession and use shall not be deemed an acceptance of any of the WORK not completed in accordance with the CONTRACT DOCUMENTS. If such possession and use increases the cost of or delays of the work, CMAR shall be entitled to reasonable extra compensation, or reasonable extension of time or both, by appropriate adjustment pursuant to Article 7.4 or 7.6 hereof.
- 6.4.2 In the event CITY takes possession of any completed or partially completed portions of the PROJECT, the following shall occur:
- 6.4.3 CITY shall give notice to CMAR in writing at least 15 calendar days prior to CITY's intended occupancy of a designated area.
- 6.4.4 CMAR shall complete to the point of SUBSTANTIAL COMPLETION the designated area and request inspection and issuance of a Certificate of SUBSTANTIAL COMPLETION on the form attached hereto as Form 1 from CITY.

- 6.4.4.1 Upon CONSULTANT's issuance of a Certificate of SUBSTANTIAL COMPLETION, CITY will assume full responsibility for maintenance, services, subsequent damages of or by the CITY and the public, adjustment of insurance coverage and start of warranty for the occupied area.
- 6.4.4.2 CMAR shall complete all items noted on the Certificate of SUBSTANTIAL COMPLETION within the time specified in Section 6.1 and request final acceptance of the portion of the WORK occupied. Upon completion of final inspection and receipt of an application for final payment, CONSULTANT shall issue a Final Certificate of Payment relative to the occupied area.
- 6.4.4.3 If the CITY finds it necessary to occupy or use a portion or portions of the WORK to SUBSTANTIAL COMPLETION thereof, such occupancy or use shall not commence prior to a time mutually agreed upon by CITY and CMAR and to which the insurance company or companies providing the property insurance have consented by endorsement to the policy or policies. Insurance on the unoccupied or unused portion or portions shall not be canceled or lapsed on account of such partial occupancy or use. Consent of CMAR and of the insurance company or companies to such occupancy or use shall not be unreasonably withheld.

ARTICLE 7

CHANGES IN THE WORK OR TERMS OF CONTRACT DOCUMENTS

- 7.1 Without invalidating the contract and without notice to the surety, CITY reserves and shall have the right, from time to time, to make such increases, decreases or other changes in the character or quantity of the work as may be considered necessary or desirable to complete fully and acceptably the proposed construction in a satisfactory manner. Any extra or additional work within the scope of this PROJECT must be accomplished by means of an appropriate CHANGE ORDER in accordance with the requirements of the CONTRACT DOCUMENTS and Section 38.48 of the Purchasing Ordinance.
- 7.2 Any changes to the terms of the CONTRACT DOCUMENTS must be contained in a written document, executed by the parties hereto, with the same formality and of equal dignity prior to the initiation of any work reflecting such change. This section shall not prohibit the issuance of CHANGE ORDERS executed only by CITY as hereinafter provided.
- 7.3 The PROJECT MANAGER through the CONSULTANT may direct CMAR to expedite the WORK by whatever means CMAR may use, including, without limitation, increasing staffing or working overtime to bring the work back within the progress schedule. If the expediting of WORK is required due to reasons outside the control or responsibility of CMAR, then the additional costs incurred

shall be the subject of an appropriate adjustment issued pursuant to Article 7.4 or Article 7.6, below as applicable.

7.4 CHANGE ORDERS:

7.4.1 Changes in the quantity or character of the WORK within the scope of the PROJECT which are not properly executed, or the subject of supplemental instructions, including all changes resulting in changes in the CONTRACT PRICE , or the CONTRACT TIME , shall be authorized only by written CHANGE ORDERS approved and issued in accordance with the provisions of the CONTRACT DOCUMENTS and the requirements set forth in §38.48 of the CITY's Purchasing Ordinance which is deemed to be incorporated by reference herein as though set forth in full.

7.4.2 CMAR's fee on such changes which exceeds GMP shall be determined as follows:

- (a) A mutually acceptable fixed fee, or
- (b) If none can be agreed upon, a fee based upon a percentage of the net change to the Cost of the Work resulting from the CHANGE ORDER, in accordance with Article 8.3, hereof, not to exceed five percent .

A Subcontractor's percentage markup on CHANGE ORDERS for overhead and profit shall be reasonable, but in no event shall the aggregate of the Subcontractor's overhead and profit markups exceed 10%. In the event Subcontractor is affiliated with the CMAR by common ownership or management, or is effectively controlled by CMAR, no fee will be allowed on the Subcontractor costs. In the event there is more than one level of Subcontractor such as second and third tier Subcontractors, the sum of all of the Subcontractors' percentage markups for overhead and profit shall not in the aggregate exceed 20%.

7.4.3 CMAR shall not start WORK on any changes requiring an increase in the CONTRACT PRICE or the CONTRACT TIME until a CHANGE ORDER setting forth adjustments is prior to receiving written authorization through the PROJECT MANAGER, it does so at its own risk and assume all associated responsibility and costs. Upon receipt of an approved CHANGE ORDER, CMAR shall promptly proceed with the WORK set forth within the document.

7.4.4 In the event satisfactory adjustment cannot be reached for any item requiring a change in the CONTRACT PRICE or CONTRACT TIME, and a CHANGE ORDER has not been issued, CITY reserves the right at its sole option to either terminate this contract as it applies to the items in question and make such arrangements as may be deemed necessary to complete the disputed work; or submit the matter in dispute to CONSULTANT as set forth in Article 30 hereof. Upon receipt of a CHANGE ORDER, CMAR shall promptly proceed with the change in the work involved and advise

the CONSULTANT and PROJECT MANAGER in writing within seven calendar days of CMAR's agreement or disagreement with the method, if any, provided in the CHANGE ORDER for determining the proposed adjustment in the CONTRACT PRICE or CONTRACT.

7.4.5 On approval of any contract change increasing the CONTRACT PRICE, CMAR shall ensure that the Performance Bond and Payment Bond are increased so that each reflects the total CONTRACT PRICE contract price as increased and shall provide a copy of the revised bonds to the PROJECT MANAGER.

7.5 SUPPLEMENTAL INSTRUCTIONS:

7.5.1 the CONSULTANT shall have the right to approve and issue changes setting forth written interpretations of the intent of the CONTRACT DOCUMENTS and ordering minor changes in work execution, providing it involves no change in the CONTRACT PRICE or CONTRACT TIME.

PAYMENTS AND COST OF THE WORK

- 8.1 In full consideration of the full and complete performance of the WORK and all other obligations of CMAR hereunder, the CITY shall pay to CMAR a sum of money not to exceed the CONTRACT PRICE which is defined to be the total of: (i) CMAR's direct construction cost; (ii) so much of the CMAR's general conditions as may have been expended; (iii) so much of the approved amount of the construction contingency as may have been expended; and (iv) CMAR'S construction management fee. The CONTRACT PRICE shall not exceed the sum shown in Exhibit "D" and in accordance with Article 1 as the GMP, adjusted to take into account any approved CHANGE ORDERS , and shall mean those costs necessarily incurred and paid by CMAR in connection with the performance of all the work.
- 8.2 After completion and acceptance of the work, in the event that the cost of the WORK plus the CMAR's fee are less than the GMP after giving effect to adjustments to the GMP made in accordance with this contract then the difference between the cost of the WORK plus the CMAR's fee on the one hand and the GMP on the other hand is the "savings". Prior to making this calculation and for the purpose of this calculation only, the remaining balance of the CITY's money shall be deducted from the GMP. In the event that CMAR's total approved expenditures for this PROJECT shall exceed the GMP , CMAR shall pay such excess from its own funds, and the CITY shall not be required to pay any amount that exceeds the GMP; and CMAR shall have no claim against the CITY on account thereof.

Whenever a change in subcontractor work is to be based on mutual acceptance of a lump sum, whether the amount is an addition, credit or no change-in-cost, CMAR shall submit an initial cost estimate obtained from the subcontractor and acceptable to CONSULTANT. The breakdown shall list the quantities and unit prices for materials, labor, equipment and other items of cost. Whenever a change involves more than one SUBCONTRACTOR and the change is an increase in the GMP, overhead and profit percentage of each SUBCONTRACTOR and CMAR, if applicable, shall be itemized separately.

(c) If the subcontract provides that the SUBCONTRACTOR is to be paid on the basis of Cost of the Work plus a fee, the subcontractor's Cost of the Work shall be determined in the same manner as CMAR's Cost of the Work, subject to the limitation on subcontractor's fees set forth in Article 7, subsection 7.4.3.

When both additions and decreases are involved in any one change, the combined effect shall be figured on the basis of the net change in the GMP, if any.

All subcontracts shall require SUBCONTRACTORS to remove all debris daily created by their activities, and CMAR shall exercise its best efforts to enforce such requirements or effect the removal of the debris of

the subcontractors who fail in this regard. Provided, however, CMAR shall not be required to remove debris created by the CITY's separate contractors except pursuant to Change Order procedures set forth herein and in accordance with Section 38.48 of the Purchasing Ordinance.

8.5.1 CMAR may make a Request for Payment for WORK completed during the PROJECT at intervals of not more than once a month. CMAR's request shall show a complete breakdown of the PROJECT components, the percentages completed and the amount due in proportion to the

percentages of the WORK completed or, as to General Conditions, at cost. Each request shall be accompanied by such supporting evidence as may be reasonably required by City and CONSULTANT, as more particularly described in subsection 8.5.4 below. CMAR shall submit with each Request for Payment, an updated progress schedule acceptable to City and CONSULTANT and either release of liens relative to the WORK which is the subject of the Request or consent of the surety as to such payment.

- 8.5.2 Five percent of all monies earned by CMAR shall be retained by CITY until FINAL COMPLETION and acceptance by CITY in accordance with Article 8.9 hereof, except for the following items: General Conditions and self-performed Work performed on a cost reimbursement basis, if any.
- 8.5.3 After 50% of the WORK has been completed, the PROJECT MANAGER may reduce the retainage to two and a half percent of all monies previously earned and all monies earned thereafter. After 90% of the WORK has been completed, the PROJECT MANAGER may reduce the retainage to one percent of all monies previously earned and all monies earned thereafter. Any reduction in retainage shall be in the sole discretion of the PROJECT MANAGER, shall be recommended by CONSULTANT, and CMAR shall have no entitlement to a reduction. Any interest earned on retainage shall accrue solely to the benefit of CITY.
- 8.5.4 CITY may withhold, in whole or in part, payment to such extent as may be necessary to protect itself from loss on account of:

The calculation of the percentage of the WORK completed shall be in accordance with the approved Progress Schedule; provided, however, prior to the date of the Final Request, and unless subject to reduction

The Schedule of Values shall be used as one basis for reviewing the Request for Payment when such amounts are approved.

If the CONSULTANT, in its good faith judgement, determines that the portion of the GMP then remaining unpaid will not be sufficient to complete the WORK in accordance with the CONTRACT DOCUMENTS, no additional payments will be due to CMAR unless and until CMAR, at its sole cost, performs a sufficient portion of the WORK so that such portion of the GMP then remaining unpaid is determined by the CONSULTANT to be sufficient to so complete the WORK.

- 8.6 The CONSULTANT and PROJECT MANAGER shall review each such Request for Payment and may make such exceptions, as the CONSULTANT and the PROJECT MANAGER reasonably deem necessary or appropriate under the state of circumstances then existing. In no event shall the CITY be required to make payment for items of CMAR's cost to which the CONSULTANT or the PROJECT MANAGER reasonably take exception.
- 8.7 CMAR shall remain solely liable for SUBCONTRACTORS' work and for any unpaid laborers, material suppliers SUBCONTRACTORS in the event it is later discovered that said WORK is deficient or that any of said laborers, material suppliers or subcontractors did not receive payments due them on the PROJECT.

- 8.9 Except for the CMAR's fee, CMAR shall use the sums paid to it pursuant to this Article solely for the purpose of performance of the WORK and the construction, furnishing and equipping of the WORK in accordance with the CONTRACT DOCUMENTS and payments of bills incurred by CMAR in performance of the WORK.
- 8.10 CMAR shall promptly pay all bills for labor and material performed and furnished by its subcontractors, suppliers and materials providers, in connection with the construction, furnishing and equipping of the WORK and the performance of the WORK.

Any costs to be applied against the CONTINGENCY must first be approved by the CONSULTANT and the CITY in writing. CMAR will be required to furnish documentation evidencing the expenditures charged to the CONTINGENCY prior to release of funds by the CITY. At FINAL COMPLETION of the PROJECT, any remaining monies in the Construction Contingency shall vest in the CITY and will be excluded from any cost savings sharing pursuant to subsection 8.11. The GMP shall be reduced in the amount of the Construction Contingency remaining monies, if any.

- 9.1 Direct Costs Buy Out Savings. In the event that CMAR awards contracts for portions of the WORK which are less than the amounts budgeted in the GMP approved by the OWNER for such portions of the WORK, such buyout savings shall be first utilized to offset shortfalls on other bid packages. If, after offsetting any shortfalls, buyout savings remain, at the time provided on Exhibit "D" for the award of subcontracts, all buyout savings shall be transferred to the OWNER's CONTINGENCY.
- 9.2 Within 90 days of the execution of this Contract and monthly thereafter, CMAR is required to submit, in writing, a buyout reconciliation of all subcontracts that have been awarded since and as a product of the initial bid opening date. The result of this reconciliation is to be presented in association with a modified schedule of values reflecting the Direct Cost Buyout Savings as set forth in subsection 9.1. above.

ARTICLE 10 **DISCOUNTS, REBATES, AND REFUNDS**

- 10.1 All cash discounts obtained on payments made by CMAR shall accrue to the CITY unless CMAR actually advanced its own funds, prior to receipt of funds from CITY, to make the payment giving rise to the discount. When CMAR becomes aware that a cash discount may be available to CITY, CMAR shall, prior to advancing its own funds, notify CONSULTANT of such opportunity so CITY can make the required payment to achieve the discount for the CITY. CMAR shall only advance its own funds if PROJECT MANAGER declines to make the early payment. All trade discounts, rebates and refunds and all returns from sale of surplus materials and equipment shall accrue to CITY, and CMAR shall make provisions so that they may be obtained.

ARTICLE 11
SUBCONTRACTS AND PURCHASE ORDERS

- 11.1 Unless waived in writing for good cause by CONSULTANT or PROJECT MANAGER, CMAR must obtain competitive pricing and subcontracts, in compliance with the requirements of this Article for 100% of CMAR's direct construction cost required under this contract. Subcontracts and purchase orders, involving amounts not in excess of \$25,000.00 may be awarded without the prior approval of the CONSULTANT. All other subcontracts and purchase orders shall be awarded according to the following procedure:

CMAR shall prepare for CONSULTANT'S and PROJECT MANAGER'S review and approval a list of SUBCONTRACTORS and suppliers for each bid who meet CMAR's schedule of minimum requirements. CMAR shall obtain bids from a minimum of three such SUBCONTRACTORS for each subcontract, when available. After receiving such bids, CMAR shall analyze them and make recommendations to the CONSULTANT for awards. When the CONSULTANT and the PROJECT MANAGER have approved the award of any such subcontract or purchase order, CMAR shall contract solely in its own name and behalf, and not in the name or behalf of the CITY, with the specified SUBCONTRACTOR or supplier. The subcontract shall provide that the SUBCONTRACTOR shall perform its portion of the WORK in accordance with all applicable provisions of this contract and the other CONTRACT DOCUMENTS ; that the SUBCONTRACTOR shall be bound to CMAR , to the same extent as CMAR is bound to the CITY, to name the CITY as an additional insured on its comprehensive general liability insurance; that the subcontractor shall provide an insurance certificate evidencing the same; that CMAR shall have the right to terminate the subcontract in the same manner and by the same method as provided for termination of this contract by the CITY, or as otherwise provided in the subcontract, whichever is more protective of the CITY'S interest; and that, in the event this contract is terminated for any reason, the SUBCONTRACTOR shall, at the CITY'S option, perform its subcontract for the CITY, or for a contractor designated by the CITY, without additional or increased cost, provided the SUBCONTRACTOR is paid in accordance with its subcontract. CMAR shall sign and cause each SUBCONTRACTOR to sign an Assignment of Rights under Construction Subcontract. Nothing contained herein shall impose on the CITY an obligation to assume any subcontract or make any payments to any SUBCONTRACTOR to perform, and nothing contained herein shall create any contractual relationship between the CITY and any SUBCONTRACTOR. If the CONSULTANT and the PROJECT MANAGER approve as the selected SUBCONTRACTOR or supplier, a bidder whose bid exceeds that of the bidder recommended by CMAR, whose bid complies with the CONTRACT DOCUMENTS (the amount by which the bid of the selected SUBCONTRACTOR exceeds the bid of the bidder recommended by CMAR is referred to herein as the "preferred subcontractor cost differential"), then the PROJECT MANAGER may designate that the GMP shall be increased by the amount of the preferred

subcontractor cost differential or the Contingency Allowance. All subcontracts shall, so far as applicable, contain unit prices and any other feasible formula for use in determination of the cost of changes in the WORK.

- 11.2 If the CITY designates a bidder as the selected SUBCONTRACTOR or supplier, and the s bid exceeds that of the recommended bidder selected by the CMAR , whose bid complies with the CONTRACT DOCUMENTS (the amount by which the bid of the CITY's selected subcontractor exceeds the amount of the bid of the CMAR's selected bidder is referred to herein as the preferred subcontractor cost differential), then the PROJECT MANAGER may designate that the GMP shall be increased by the amount of the preferred subcontractor cost differential.
- 11.3 All subcontracts shall, so far as practicable, contain unit prices and any other feasible formula for use in determination of the cost of changes in the WORK.
