Piggybacking Request Form
(Use for purchase(s) over \$15,000, when piggybacking off other contracts)

Date: February 29, 2016

Department/Office: Public Works

Division/Area: Fleet Maintenance

Contact Person: Joel Wall / Sylvia Glazer

Title: Fleet Coordinator / Public Works Director

Phone: 954.967.4555 / 954.967.4526

Email: jwall@hollywoodfl.org / sqlazer@hollywoodfl.org

1. Requested Vendor: Rechtien International Truck, Inc. Vendor Number: 5761

Address: 3787 Interstate Park Rd., Riviera Beach, FL 33404

Contact Person: John Bradley

Title: Governmental Sales Manager

Phone: 561-882-9050

Email: bradley@rechtien.com

2. Contract title requesting to piggyback?

Awarding Agency: Florida Sheriffs Association Contract Bid Award (15-13-0904).

Contract Expiration Date: September 30, 2016

Copy of Contract and Awarding Agency documentation is attached.

Yes No

AT40G

3. Product/Service being requested (be specific). (1) 2016 International Terrastar SFA (4x2) w/Altec AT40G Telescoping/Articulating Aerial Device, Specification #9.

4. Detailed description of the products/services function and purpose. The Urban Forestry Division seeks authorization to purchase the 2016 International Terrastar SFA (4x2) w/Altec AT40G Telescoping/Articulating Aerial Device (Bucket Truck) to replace the existing 1999 Altec TA40 Aerial Truck that has reached its useful life expectancy. This truck will perform removal of brush from City rights-of-way, debris from vehicular accidents and natural disasters as well as brush from City crew tree trimming. 2016 International Terrastar SFA (4x2) w/Altec

Requisition # R _____
BPO _____
(As Applicable)

Purchase Order # P _____
(As Applicable)

Blanket Purchase Order # _____
(As Applicable)

AT40G Telescoping/Articulating Aerial Device was tested to best perform for the needed requirements in the daily operations of the Public Works Urban Forestry Division.

5. Please explain what process the Department/Office took to verify and/or identify this contract. Recommended by the Public Works Department.

6. Were alternative contracts evaluated to determine that the City is obtaining the most advantageous contract pricing for the required product/service?

Yes No

Please explain This is the best price going for this vehicle and pricing is based on the Florida Sheriff's Association Contract. The State of Florida Contract did not bid on this model vehicle for this year's contract.

7. Total cost of the requested product/service. \$128,080.00

8. Total estimated annual (fiscal year) cost of requested product/service. (1) vehicle = \$128,080.00
Account Number # 57.5100.14106.590.056452

9. Is this product/service covered by a warranty? Yes No

If yes, please attach a copy of the warranty details.

10. Would this purchase(s) result in the potential of future purchases for related products/services being restricted to a particular vendor or create a specific vendor as sole source provider for related items?

Yes No

If yes, please describe the related products/services and estimated cost(s.) _____

11. Would this purchase(s) result in any future maintenance costs which are not included in the initial purchase?

Yes No

If yes, please attach a draft maintenance plan which includes cost estimates and funding source(s.)

12. Is this a grant related purchase? Yes No

If yes, please provide details (timeline, expiration dates, milestones, special procurement requirements, etc.)

Will this require matching funds? Yes No

What is the grant source? N/A

What is the grant (dollar) amount? N/A

13. Please complete an advanced search of the vendor recommended for award on the Federal Government's Excluded Parties List System at www.epls.gov.

**FLORIDA SHERIFFS ASSOCIATION
& FLORIDA ASSOCIATION OF COUNTIES**

**17,501 LB. GVWR CAB & CHASSIS (DUAL REAR WHEEL) - 4X2
SPECIFICATION #9**

2016 International Terrastar

The International Terrastar purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$49,166.00	\$48,166.00	\$45,145.00	\$48,505.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

Altec Quotation Number: 311264 - 3
Account Manager: Jenny Carlson
Technical Sales & Support: Kasey Ruth Tipton

<u>Item</u>	<u>Description</u>	<u>Qty</u>
	<u>Unit</u>	
1.	ALTEC Model AT40-G telescopic articulating Aerial device with ISO-Boom. <ul style="list-style-type: none"> A. ISO Boom: the inner telescopic fiberglass boom maintains full dielectric integrity even with the fiberglass inner boom fully retracted. B. Hydraulic platform leveling system. C. Hydraulic tool circuit at the platform. D. Emergency lowering valve at the platform. E. Single handle control at the platform with a safety interlock system. F. Two (2) operators and maintenance/parts manuals. G. Working height: 45.6 feet H. Side reach: 29.7 feet I. Low-power fiber-optic control system (FOC-L). J. Continuous rotation 	1
2.	AT40G Unit Model	1
3.	Post style pedestal mounting	1
4.	Poly Reservoir, Pedestal Mounted, 7 Gallon; Includes Sight Gauge.	1
5.	Single One-Man End-Mounted Platform With 180 Degree Rotator, 24 X 30 X 42. Platform is rated at 400 pounds. Control panel on platform dashboard provides controls for auxiliary functions. Includes emergency stop (push-pull) switch and rocker switches, which operate platform leveling, platform rotation, tools, and battery selector (for fiber-optic controls system). Composite fiberglass platform mounting bracket. (AT40G)	1
6.	Platform Leveling At Lower Controls. AT40-G	1
7.	Two (2) Platform Steps	1

<u>Item</u>	<u>Description</u>	<u>Qty</u>
8.	Soft nylon reinforced vinyl platform cover for a 24 x 30 inch platform	1
9.	Platform liner for a 24 x 30 x 42 inch platform	1
10.	4-Function Single Handle Fiber-Optic Controller.	1
11.	Engine Start/Stop at the upper controls actuated through the Fiber-Optic controls system with Secondary Stowage System (AT40G)	1
12.	Manual lowering valve located at the boomtip. For use in emergency situations to allow the operator to lower the boom to the ground	1
13.	Powder coat unit Altec White.	1

Unit & Hydraulic Acc.

14.	HVI-22 Hydraulic Oil (Standard).	9
15.	Standard Pump For PTO	1
16.	Hot shift PTO for automatic transmission	1

Body

17.	108 Inch Universal Small Aerial Body for a 60 Inch CA Chassis with 38 Inch Long Side Access Tailshelf to Meet the Following Specifications:	1
-----	---	---

- A. Basic body fabricated from A40 grade 100% zinc alloy coated steel
- B. All doors are full, double paneled, self-sealed with built-in drainage.
- C. Electro-zinc plated, steel hinge rods extend full length of door.
- D. Door hinges are zinc alloy material attached with rivets
- E. All doors contain stainless steel, flush mounted, paddle activated rotary style latches with two-stage locking, including keyed locks and adjustable strikers.
- F. Heavy-gauge welded steel frame construction with smooth galvanneal floor.
- G. All edges are either rolled or folded for strength and safety
- H. Door header drip rail at top for maximum weather protection.
- I. Neoprene or rolled fenders on wheel fender panels.
- J. Steel treated for improved primer bond and rust resistance.
- K. Automotive underseal applied to body.
- L. Automotive type non-porous door seals fastened to the door facing.
- M. 108 Inch Body Length
- N. 40 Inch Body Height (Standard)
- O. 94 Inch Body Width (Standard)
- P. 20 Inch Body Compartment Depth (Standard)
- Q. Body Color - White (Standard)
- R. Finish Paint Body At Body Manufacturer (Standard)
- S. 8 Inch Body Cross-members (Standard)
- T. No Treadplate On Compartment Tops
- U. 6 Inch tall wood tailboard installed at the rear of body cargo area
- V. No Compartment Lighting Supplied by the Body Manufacturer
- W. Stainless Steel Rotary Paddle Latch With Lock (Standard)

80.	Standard Altec Warranty: One (1) year parts warranty, one (1) year labor warranty, ninety (90) days warranty for travel charges, limited lifetime structural warranty	1

Altec Industries, Inc.

BY _____

Kasey Ruth Tipton

Notes:

- 1 Altec Standard Warranty:
 One (1) year parts warranty.
 One (1) year labor warranty.
 Ninety (90) days warranty for travel charges.
- Warranty on structural integrity of the following major components is to be warranted for so long as the initial purchaser owns the product: Booms, boom articulation links, hydraulic cylinder structures, outrigger weldments, pedestals, subbases and turntables.
- Altec is to supply a self-directed, computer based training (CBT) program. This program will provide basic instruction in the safe operation of this aerial device. This program will also include and explain ANSI and OSHA requirements related to the proper use and operation of this unit.
- Altec offers its standard limited warranty with the Altec supplied components which make up the Altec Unit and its installation, but expressly disclaims any and all warranties, liabilities, and responsibilities, including any implied warranties of fitness for a particular purpose and merchantability, for any customer supplied parts
- Altec designs and manufactures to applicable Federal Motor Vehicle Safety and DOT standards
- 2 Altec takes pride in offering solutions that provide a safer work environment for our customers. In an effort to focus on safety, we would encourage you to consider the following items:
- Outrigger pads (When Applicable)
 - Fall Protection System
 - Fire extinguisher/DOT kit
 - Platform Liner (When Applicable)
 - Altec Sentry Training

We Wish To Thank You For Giving Us The Pleasure
 And Opportunity of Serving You

Wheel Chocks

The aforementioned equipment can be offered in our new equipment quotations. If you find that any of these items have not been listed as priced options in the body of your quotation and are required by your company, we would encourage you to contact your Altec Account Manager and have an updated quotation developed for you. These options must be listed as individual options in the body of the quotation for them to be supplied by Altec.

- 3 Unless otherwise noted, all measurements used in this quote are based on a 40 inch (1016mm) chassis frame height and standard cab height for standard configurations.
- 4 F.O.B. - Customer Site
- 5 Changes made to this order may affect whether or not this vehicle is subject to F.E.T. A review will be made at the time of invoicing and any applicable F.E.T. will be added to the invoice amount.
- 6 Price does not reflect any local, state or Federal Excise Taxes (F.E.T). The quote also does not reflect any local title or licensing fees. All appropriate taxes will be added to the final price in accordance with regulations in effect at time of invoicing.
- 7 Interest charge of 1/2% per month to be added for late payment.
- 8 Delivery: 270-300 days after receipt of order PROVIDING:
A. Order is received within 14 days from the date of the quote. If initial timeframe expires, please contact your Altec representative for an updated delivery commitment.
B. Chassis is received a minimum of sixty (60) days before scheduled delivery.
C. Customer approval drawings are returned by requested date.
D. Customer supplied accessories are received by date necessary for compliance with scheduled delivery.
E. Customer expectations are accurately captured prior to releasing the order. Unexpected additions or changes made at a customer inspection will delay the delivery of the vehicle.

Altec reserves the right to change suppliers in order to meet customer delivery requirements, unless specifically identified, by the customer, during the quote and or ordering process.

- 9 Trade-in offer is contingent upon equipment being maintained to DOT (Department of Transportation) operating and safety standards. This will include, but not limited to tires, lights, brakes, glass, etc. If a trade-in is not maintained to DOT standards, additional transportation expenses will apply and could be invoiced separately.

All equipment, i.e., jibs, winches, pintle hooks, trailer connectors, etc., are to remain with the vehicle unless otherwise agreed upon in writing by both parties. Altec Industries reserves the right to re-negotiate its trade-in offer if these conditions are not met.

Customer may exercise the option to rescind this agreement in writing within sixty (60) days after receipt of purchase order. After that time Altec Industries will expect receipt of trade-in vehicle upon delivery of new equipment as part of the terms of the purchase order.

Titles for trade-in equipment should be given to the appropriate Altec Sales associate or forwarded to Altec Nueco at address 1730 Vanderbilt Road, Birmingham, AL 35234.

- 10 This quotation is valid until APR 04, 2016. After this date, please contact Altec Industries, Inc. for a possible extension.
- 11 After the initial warranty period, Altec Industries, Inc. offers mobile service units, in-shop service and same

day parts shipments on most parts from service locations nationwide at an additional competitive labor and parts rate. Call 877-GO-ALTEC for all of your Parts and Service needs.

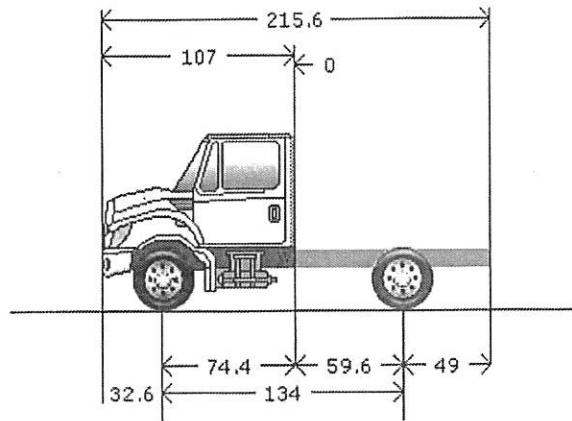

12 Please email Altec Capital at finance@altec.com or call 888-408-8148 for a lease quote today.

13 Please direct all questions to Jenny Carlson at (270) 360-0600

 **Altec**
TELESCOPIC ARTICULATING
AERIAL DEVICE

FEATURES

- Telescopic Articulating Aerial Device
- Compensated Articulating Arm
- Hydraulic Boom Extension
- Altec ISO-Grip® Control System
- Low Power Fiber Optic Control System
- Fully Metered 4-Function, Single-Handle Upper Control
- Platform Access from Ground
- Composite Platform Mounting Bracket
- Insulating, ANSI Category C
- Hydraulic Platform Leveling System
- Emergency Lowering Valve at Platform
- Platform Leveling at Upper and Lower Controls
- 180° Platform Rotator
- Tool Circuit at Platform
- Open-Center Hydraulic System
- Easily Mounted on 19,500 lb (8,845 kg) GVWR Chassis
- Outrigger Boom Interlock System (with Outrigger Option)
- Outrigger Motion Alarm (with Outrigger Option)
- Back Up Alarm

OPTIONS

- ISO-Boom Offering ANSI Category C Isolation with Boom Retracted
- Outriggers, Vertical
- Hybrid Adaptation Available with Standard Electronic Systems
- Secondary Stowage
- Engine Start/Stop
- Platform Cover
- Tool Circuit at Tailshelf
- 24 x 24 x 42 in (610 x 610 x 1067 mm) Platform

Recommended safety equipment, available through Altec Supply, include a platform liner, fall protection system, wheel chocks and outrigger pads (with outrigger option).

SPECIFICATIONS

Ground to Bottom of Platform* (at Reach from Centerline)	40.6 ft (12.4 m) 10.9 ft (3.3 m)
Working Height	45.6 ft (13.9 m)
Maximum Side Reach (at Platform Height)	29.7 ft (9.1 m) 15.2 ft (4.6 m)
Platform Capacity	400 lb (181.4 kg)
Platform Dimensions (End-Mount)	24 x 30 x 42 in (610 x 762 x 1,067 mm)
Articulating Arm Articulation	-5 to 79°
Upper Boom Articulation	-25 to 75°
Stowed Travel Height	10.3 ft (3.1 m)
Rotation	Continuous
Weight of Machine**	2,543 lb (1,153 kg)

*Based on a 40 in (1016 mm) chassis frame height.
** Weight does not include mounting frame or outriggers.

REACH DIAGRAM

INCREASED SIDE REACH 29.7 FT (9.1 M)

INCREASED WORKING HEIGHT 45.6 FT (13.9 M)

ISO-BOOM OPTION FOR ADDED DIELECTRIC INTEGRITY

FIBER OPTIC CONTROLS WITH FEWER HOSES AND VALVES
