Architect's Project #23036

Dear Carmen:

In accordance with the City's Outreach Ordinance, this letter serves to confirm the summary of the Community Outreach relating to the above referenced matter.

On November 30, 2023, we sent notice to all properties Owners and Civic Associations within 500 feet from each property line of the subject Property informing them of a virtual public meeting to be held on December 19, 2023, at 6:00 PM. The Virtual Notice included information about this Project's location.

The Virtual meeting held on December 19, 2023, was attended by the Owner, Mr. Menachem Trietel, Mrs. Patricia Antrican, Ms. Christine Corbo, Mr. Ari J, Mr. Andre Brown. Mr. Ken Crawford and Mrs. Helen Chervin from the Community. The Architect, Mr. Joseph Kaller of Kaller Architecture presented the Project in a Power Point Presentation and following the Presentation had a time of questions and answers.

The Community loved the Project, however a few general questions were asked about the building, which the Architect addressed. With there not being and further questions or concerns, the members of the Community were thanked for taking the time to attend and the meeting was adjourned.

Please do not hesitate to contact me if you have any questions or comments.

Sincerely,
Kaller Architecture

Joseph B. Kaller, AIA, LEED AP BD+C
President

ABOUT US

Project Team

The Client is investing in Hollywood and developing the property to positively impact the community and overall City with the proposed residential multifamily development.

The Client recently closed on the property and has been working closely with our team to design the project. Our design team created a welcoming and contemporary façade design which we felt would fit into the City of Hollywood but simultaneously create a design concept that modernize the immediate neighborhood. We have designed a new, 13-story multifamily building with 200 residential units. We are providing a rental unit mix of studios, 1-bedroom, 1-bedroom+den and 2-bedroom apartments with an average 619 Sq. Ft. per unit. Furthermore, we provided amenities area which has outdoor lounges, walking areas, a pool, etc.

We are not requesting any variances, special exceptions, etc.
