**Explanation:**

The Public Works Department requires agreements from qualified contractors to establish a pre-need, pre-position contract for Emergency Response and Recovery Services to assist in a variety of disaster related services such as large scale debris removal, separation, staging and disposal; demolition work, construction and demolition debris removal; hazardous waste handling; tree trimming, erection, stump grinding and removal; marine salvage operations; sand removal from roads, streets and right-of-ways; beach sand screening and replacement, and emergency berm construction when needed.

In 2013 Blanket Purchase Orders were established with Arbor Tree & Land, Inc., AshBritt, Inc., Bergeron Emergency Services, Inc., Ceres Environmental Services, Inc., Crowder Gulf Joint Venture, Inc. and DRC Emergency Services, LLC, each in the estimated dollar amount of \$25,000.00 for the initial one (1) year period to be activated upon the declaration of an emergency, at which time City Commission approval would be requested for additional emergency funding. In 2014 the six (6) established Blanket Purchase Orders were renewed for the first one (1) year renewal period.

The contractors pricing structure unit pricing is lower than the established FEMA Cost Code Listing by region and state for performing the required services during an event.

The RFP provided for a performance/payment bond in the amount of \$25,000.00 for a one (1) year period and for the four (4) additional one (1) year renewal periods and approved certificates of insurance.

The Director of Public Works, the Director of Financial Services and the Director of Procurement Services recommend that the City Commission approve the renewal of the six (6) attached Blanket Purchase Orders with Arbor Tree & Land, Inc., AshBritt, Inc., Bergeron Emergency Services, Inc., Ceres Environmental Services, Inc., Crowder Gulf Joint Venture, Inc. and DRC Emergency Services, LLC for Emergency Response and Recovery Services for the second one (1) year renewal period for an estimated annual combined expenditure of \$2,000,000.00 to be used in the event of an emergency declaration.

Funding for these agreements will be provided for in fiscal year 2015 in Fund 68 Emergency/Disaster Accounts to be established as needed.
