

NOTICE TO PROCEED (Construction Contract)

To: National Metering Services, Inc., 163 Schuyler Ave., Kearny, NJ 07032

Project Name: Lead And Copper Rule Revisions (LCRR) Service Line Material Inventory

Project No.: 22-5145

Contract Amount: \$414,275.00

This is your **Notice to Proceed** on the above-referenced project. You are hereby notified to commence work on the contract on July 11, 2024, and shall substantially complete said work within **365** calendar days thereafter. Your substantial completion date is July 11, 2025 and final completion date is August 10, 2025. Please obtain all permits required under this contract prior to commencing any construction activities.

The contract provides for an assessment of the sum of \$1,000/day as liquidated damages for each consecutive calendar day after the project's substantial completion date.

A Purchase Order is in process but has not yet been issued. You may proceed with scheduling, permitting, shop drawings and all other preliminary activity necessary to advance the work, but you shall not mobilize to the project site until the Purchase Order is issued.
