

Piggyback Checklist

Using Department(s): Department of Parks, Recreation & Cultural Arts

Piggyback Contract Number/Name: Clay County #18/19-2

Services/Supplies to be provided: Stan Goldman Memorial Playground replacement

Why are Services/Supplies being obtained via piggyback (as opposed to issuing a solicitation or obtaining quotes): PRCA identified multiple playground vendors to partner with to complete playground replacement capital improvement projects. Piggybacking a competitively bid RFP awarded to Top Line Recreation ensures using an effective procurement method, competitive pricing, expediting project completion and a more efficient use of staff time.

Procurement Code, Section 38.41(C)(5):

(5) *Piggyback purchases.* The CPO (Chief Procurement Officer) may procure, without following formal solicitation procedures, all goods, supplies, materials, equipment, and services that are the subject of contracts with the state, its political subdivisions, the United States government, other governmental entities, or a corporation not for profit whose members are governmental entities, public officers, or any combination thereof ("piggyback"), provided that the goods, supplies, materials, equipment, or services are the subject of a price schedule negotiated by the entities listed above and is based strictly on competitive bids, quotations, or competitive proposals and not on any preference. Utilization of other governmental entities' contracts shall be permitted only during the term of the other governmental entity's contract.
