The evaluation committee agreed that the RFQ submittals received by the six (6) highest rated firms would best meet the City's operational needs.

The evaluation committee requested that Procurement Services move forward with the RFQ award process based upon their recommendation to award a contract to the six (6) highest ranked firms. The Development Services Department and the Procurement Services Division will prepare a resolution requesting City Commission approval.

**POST AWARD:**

If the City pre-qualifies a Contractor; he/she is designated to bid on future demolition projects. Notwithstanding any of the foregoing, a Contractor's pre-qualified status will be immediately suspended, if any material information contained in its pre-qualification application changes. Failure of the Contractor to give the City written notice of changes in the information previously provided, within ten (10) days before a bid opening will result in the Contractor being ineligible to bid on a project.

The meeting was facilitated by Rob Lowery a Procurement Contracts Officer from Procurement Services.
