**RE: CD150S-CS - FSA
Sale Quotation 145010632**

Dear Jamie:

Thank you for your interest in Xylem Dewatering Solutions Inc, and our Godwin Pumps of America line of Critically Silenced pumps.

I have prepared the following quote for our Godwin Pumps of America model CD150S with FT4 Isuzu engine and sound attenuated enclosure, and requested options.

The Critically Silenced unit is engineered from start to finish for quiet operation. The enclosure consists of 14 gauge sheet metal lined with 1" and 2" layers of polydamp acoustical sound deadening material. The engine is designed with a critical grade silenced muffler, silenced the priming exhaust, and isolated engine vibration to further reduce operating noise. Hinged, lockable doors provide convenient access to operating controls and service locations. Sound levels are approximately 69 dBA at 30 feet.

All pricing is based on the Florida Sheriff's Contract #FSA23-EQU21.0, Specification #313. There are no delivery / freight charges when utilizing the FSA Contract.

Please call or contact me at your convenience with any additional questions or comments regarding this quote or additional needs.

Sincerely,

Mauricio Amaya
Outside Sales Representative

MA / gy
