ARTICLE 1 - EMPLOYEE ORGANIZATION AGREEMENT

- 1.1. THIS AGREEMENT is entered into by and between the City of Hollywood, Florida, ("Employer" or the "City") and the Hollywood, Florida, City Employees, Local 2432, AFSCME, AFL-CIO American Federation of State, County and Municipal Employees (AFL- CIO) ("Union"). It is the intent and purpose of this Agreement to assure sound and mutually beneficial working and economic relationships between the parties, to provide an orderly, prompt, and peaceful means of resolving any misunderstandings or differences which may arise, and to set forth basic and full agreement between the parties concerning the rates of pay, wages, hours of employment, pensions, and other terms and conditions of employment. It is understood that the City of Hollywood is engaged in furnishing essential public services which vitally affect the health, safety, comfort, and well-being of the public, and both parties hereto recognize the need for continuous and reliable service to the public.
- 1.2. "Employee" shall mean all persons employed by the City who are designated as "included" in the Florida Public Employee Relations Commission ("PERC") Certification #151 ("Bargaining Unit"), any amendment/clarification to that certification and any persons employed by the City in new or revised job titles upon which the parties have mutually agreed subsequent to execution of this Collective Bargaining Agreement ("Agreement" or "CBA").

ARTICLE 2 - RECOGNITION

- 2.1. The Employer recognizes the Union as the sole and exclusive bargaining agent, with respect to wages, hours, pensions, and other conditions of employment, for all Employees in the Bargaining Unit, per Florida PERC Certification #151 (as clarified by UC-2000-19 and 2018-001), attached as Appendix "A," and as may be amended in the future by the appropriate authority of the State of Florida.
- 2.2. The City shall be represented by the City Manager, or a person or persons designated in writing to the Union by the City Manager. The City Manager shall have the authority to execute an Agreement on behalf of the City upon being directed by an official resolution of the City Commission. It is understood that the City representatives are the official representatives of the City for the purpose of negotiating with the Union and administration of the Agreement between the parties. Negotiations entered with persons other than those as defined in this section, regardless of their position or association with the City, shall be deemed unauthorized, and shall have no weight of authority in committing or in any way obligating the City.
- 2.3. The City recognizes and shall deal with the appropriate Union Business Agent, International Representatives, and any other Union members and/or attorneys, designated by the Union President, in those matters relating to collective bargaining and administration of the Agreement between the parties. Changes of representatives shall be submitted to the City Manager, in writing, by the Union President.

ARTICLE 3 – ADDITIONAL CLASSIFICATIONS

- 3.1. The parties agree that if additional classifications are created, the parties shall meet as soon as practicable to negotiate concerning whether these new classifications shall be included in the Bargaining Unit. The City and the Union agree to request a Unit Clarification from PERC as soon as practicable for agreed upon classifications.
- 3.2. If a position's duties change substantially, which in the opinion of the City convert the position from a Bargaining Unit position to a position that should be excluded from the Bargaining Unit, the City and the Union agree that the City shall notify the Union of such potential changes and the basis for its opinion. The City and the Union agree to request a Unit Clarification from PERC as soon as practicable for classifications that the parties agree should be included or excluded from the Bargaining Unit.

ARTICLE 4 – DISTRIBUTION OF AGREEMENT

The City will place an electronic copy of this Agreement on the City's internet and intranet, which is accessible to all Employees.

ARTICLE 5 – NON-DISCRIMINATION

- 5.1. No Employee covered by this Agreement will be discriminated against by the City or the Union with respect to the job benefits or other terms or conditions of employment because of the Employee's membership or non-membership in the Union.
- 5.2. Both the City and the Union oppose discrimination on the basis of age, race, creed, color, national origin, gender, disability, marital status, sexual orientation, gender identity and/or religion. However, the parties also recognize that the City has established an internal procedure to investigate and resolve alleged cases of discrimination which is in addition to existing and adequate procedures established by Broward County, the State of Florida and the Federal Government. Accordingly, it is agreed that allegations of employment discrimination cannot be processed through the contractual grievance/arbitration procedure.

ARTICLE 6 - MANAGEMENT SECURITY

- 6.1. The Employer and the Union recognize the mutually beneficial effects of a harmonious and cooperative relationship between the parties and agree to comply diligently and fully with the requirements of the Florida Public Employees Relations Act ("PERA").
- 6.2. For the duration of the Agreement, there will be no strikes, work stoppages, picketing, slowdowns, or other concerted failure or refusal to perform assigned work by the Employees of the Union, and there will be no lockouts by the City. The Union guarantees to support the City fully in maintaining operations in every way.
- 6.3. Any Employee who participates in or promotes a strike, work stoppage, picket line, slowdown, or concerted failure or refusal to perform assigned work may be discharged or otherwise disciplined by the City.
- 6.4. It is recognized by the parties that the City is responsible for and engaged in activities which are the basis of the health and welfare of our citizens, and that any violation of the Article would give rise to irreparable damage to the City and to the public at large. Accordingly, it is understood and agreed that in the event of any violation of this Article, the City shall be entitled to seek and obtain immediate injunctive relief, provided, however, it is agreed that the Union shall not be responsible for any act alleged to constitute a breach of this Article if the Union did not instigate or support in any manner such action and, further, that the Union has used every reasonable means to prevent or terminate such action.
- 6.5. Picketing, as referred to in this Article, shall mean any action by way of demonstrating which may have the effect of preventing or discouraging any Employee from coming to work, or have the effect of preventing or discouraging any supplier or contractor from entering any City premise. No Employee shall picket concerning a matter that is subject to the grievance or arbitration procedure.

ARTICLE 7 - MANAGEMENT RIGHTS

7.1. Except as provided in this Agreement, it is the right of the Employer to determine unilaterally the purpose of each of its constituent agencies, set standards of services to be offered to the public, and exercise control and discretion over its organization and operations. The Employer retains, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and constitution of the State of Florida and the United States, and the laws of the City and any modifications made thereto, to manage the affairs of the City and direction of the workforce, including, but not limited to the following:

- a) to manage its affairs efficiently and economically, including the determination of the organization, quantity, and quality of services to be rendered; the control of materials, tools, and equipment to be used; the discontinuation of any services, materials and methods of operation, and the determination of the number, location and type of facilities and installations; and
- b) to determine the care, maintenance and operation of equipment used for and on behalf of the purposes of the City; and
- c) to sub-contract to ensure operational efficiencies in accordance with the Procurement Code and or purchase all materials, supplies or services related thereof subject to the provisions of Article 22; and
- d) to hire, assign, fire, demote, suspend or otherwise discipline for just and proper cause, promote and lay off Employees; to direct the workforce and to establish work schedules including lunch and rest periods; to determine the number of Employees assigned to any job, assignment or operation; and
- e) to determine the selection standards for specific employment, to select Employees for promotions or transfer to supervisory or other positions and to determine the qualifications and competency of Employees to perform available work; to establish work and productivity standards and, from time to time change those standards; to transfer or promote Employees from one classification, division or shift to another; and
- f) to establish or continue policies, practices and procedures for conduct of operations and to change or abolish such policies, practices, or procedures;

to adopt, revise and enforce work and safety rules and carry out cost and general improvement programs provided same are not inconsistent with this Agreement and do not impact mandatory subjects of bargaining.

- 7.2. The above rights of the City are not all-inclusive but indicate the type of matters or rights that belong to and are inherent in the City in its capacity as management. Any of the rights, powers, and authority the City had prior to entering this CBA are retained by the City except as specifically abridged, delegated, granted or modified by this Agreement.
- 7.3. If the City fails to exercise any one or more of the above functions from time to time, this will not be deemed a waiver of the City's right to exercise any or all such functions.

ARTICLE 8 - NULLIFICATION OF PAYROLL DUES DEDUCTIONS

- 8.1. Chapter 2023-35 Laws of Florida, Senate Bill 256 (SB 256) was approved by the state legislature and signed into law and specifically addresses the issue of public employers collecting dues on behalf of civilian unions through payroll deduction. As a result, Fla. Stat. §447.303(a) now prohibits the collection of civilian bargaining unit union dues via salary deduction by a public employer. The City intends to fully comply with the statute and will not collect union dues via salary deduction.
- 8.2. The Union will indemnify, defend, and hold the City harmless against any claims made and against any suit instituted against the City on account of any non-deduction of Union dues.
- 8.3. The Union will provide a copy of its application for renewal registration relating to the City's Employees on the same day the application is submitted to PERC in accordance with Fla. Stat. §447.305 (4).
- 8.4. Upon request, the City shall provide the Union a list of all Employees in the Bargaining Unit represented by the Union. This spreadsheet data file list shall contain the Employee ID, Employee's name, telephone number, complete physical/residential address, personal email address if known, department where employed, employment status and job title.

ARTICLE 9 - UNION BUSINESS

- 9.1. The Local Union President and/or a representative of the Local Union President shall be allowed time off work with pay, up to 416 hours per fiscal year, to attend during working hours City Commission meetings, Pension Board meetings, meetings with City Administrators and/or Elected Officials that relate to joint City and Union business, and pre-negotiation meetings (during such times that negotiations for a successor Agreement are on-going) (collectively, "Union Business"). Hours not used during the fiscal year shall not roll over to the next fiscal year. The City will not pay employees for time spent conducting Union Business while off-duty. On all such occasions, the Union President and/or representative shall give notice of any such meeting to their supervisor and the Office of Human Resources ("HR"). Approval shall not be unreasonably withheld by any of their supervisors.
- 9.2. The Employer agrees to allow two Union members, designated in writing by the Local President, up to 10 days each off without pay each calendar year to attend Union seminars, conventions and other Union functions. These days off may not be permitted to accrue from year to year if not used. In order to ensure proper coverage of assignments, the Division Head should be notified no later than 20 days prior to the aforementioned events.
- 9.3. Up to seven persons designated as part of the Union bargaining team shall be permitted to attend negotiations without loss of pay, provided that the negotiation sessions occur during the Employee's regular working hours. Additionally, the Union recognizes that the City is engaged in furnishing essential public services vital to the citizens of Hollywood. Therefore, the Union will make a reasonable attempt not to have more than two members from the same classification in the same work unit as members of the Union negotiating team. However, this does not apply to elected union officials who are members of the team.

ARTICLE 10 - UNION STEWARDS

- 10.1. The City will recognize up to 10 stewards from the Bargaining Unit. Of the 10 stewards, one shall be designated by the Union as the Chief Steward. In March of each year, the Union shall furnish the Director of Human Resources with the names of the Employees selected as Stewards and Chief Steward as well as the division/department for which they are responsible. In the event of a change in the designated Stewards/Chief Steward, the Director of Human Resources will be notified in writing immediately.
- 10.2. A Steward or Chief Steward may investigate and discuss grievances and Agreement questions or complaints during working hours in their respective areas (or any area in the case of a Chief Steward), if they first receive permission of the Division Head or, in his/her absence, his/her designee. Such permission shall not be unreasonably denied. The Union shall not make an unreasonable number of requests.
- 10.3. The Union may process grievances in accordance with provisions of Article 29- Grievance Procedure and Arbitration. However, only one representative of the Union shall be permitted to process a grievance during working hours until such grievance reaches Step 2/3. When a grievance reaches Step 2/3, the representative may participate in grievance processing during working hours.

ARTICLE 11 – WAGES

- 11.1. Employees whose base pay (excluding Longevity Pay, Assignment Pay, and Certification Pay, collectively, “Enhancements”) is below the top of the pay range for their position will receive a pay increase the first full pay period on or after October 1, 2025, provided that the increase does not place their base pay above the pay range for their position. If it does, the Employee will receive the percentage increase up to the percentage that places them at the top of the pay range and the dollar equivalent of the remaining percentage in a lump sum.
- 11.2. Employees whose base pay, as defined above, is at or above the top of the pay range on October 1 of each fiscal year shall receive a lump sum payment that is equal to the total percentage increase for that fiscal year based on their base pay.
- 11.3. Effective the first full pay period on or after October 1, 2025, October 1, 2026, and October 1, 2027, the pay ranges within the bargaining unit will increase as follows:
- October 1, 2025 – 2%
 - October 1, 2026 – 2%
 - October 1, 2027 – 2%
- 11.4. The new minimum and maximum pay range for each job classification within the Bargaining Unit is contained in Appendix B. The City shall have the right to hire employees within the pay range of the job classification.
- 11.5. Certification pay is calculated using the sum of an Employee’s base pay, wage increases due to Cost of Living Adjustment (“COLA”), and Longevity Pay. Such sum shall be collectively referred to as the “Adjusted Base Rate of Pay.”
- 11.6. Employees may be eligible to receive a performance or sign-on incentive in accordance with HR-096 – Performance/Sign-On Pay Incentive Policy for performance that is extraordinary and exemplary or for accepting employment in positions difficult to fill and/or where there is a labor shortage. The City agrees to notify the Union when an employee is hired along with the amount of the incentive offered in accordance with this policy.

ARTICLE 12 - ASSIGNMENT PAY

- 12.1. An Employee meeting minimum position requirements assigned to temporarily assume most duties and responsibilities of an incumbent Employee with a classification of a higher pay grade shall receive the Employee's Adjusted Base Rate of Pay plus Enhancements, and a 5% increase in the Adjusted Base Rate of Pay, for the time assigned to the classification. However, should the temporary assignment continue for 25 working days or more, the Employee will continue to receive a 5% increase above the Employee's Adjusted Base Rate of Pay, or the minimum salary range for the assigned position, whichever is higher. Temporary assignments that continue for more than 120 days will be evaluated by the City and the Union. The continuation of assignment will be by mutual consent.
- 12.2. In the event an Employee is assigned to work in a vacant position within a classification of a higher pay grade, the Employee will receive the Employee's Adjusted Base Rate of Pay plus Enhancements, and a 5% increase above the Adjusted Base Rate of Pay, or the minimum of the salary range of the assigned position, whichever is higher. For this provision, a vacant position is one in which there is no incumbent.
- 12.3. An Employee assigned to temporarily assume most duties and responsibilities of an incumbent Employee with a classification of a higher pay grade that is outside of this Bargaining Unit shall be paid according to the following table:

Temporary Assignment	Pay for Temporary Assignment
General to Confidential	5% or minimum of the pay grade
General to Professional	10% or minimum of the pay grade
General to Supervisory	15% or minimum of the pay grade
General to Management/Executive	20% or minimum of the pay grade

The Assignment Pay in this Article shall apply only to time periods of at least one full shift when the assigned Employee is working for a Full-Time Employee in a higher classification. If, however, the assigned Employee is working for a Part-

Time Employee of a higher classification than the Assignment Pay shall apply only to time periods of at least one half of the assigned Employee's shift. If an Employee is assigned to work in a higher classification for more than one full shift, the Assignment Pay will begin on the first day the Employee assumes the higher classification. Beach Safety Employees who are assigned to a higher classification for one full shift on a recurring basis shall receive the Assignment Pay percentage as defined in Section 1 of this Article for each shift assigned to a higher classification. There shall be no Assignment Pay during a declared emergency, except as authorized by the City Manager or designee.

- 12.4. All Community Service Officers who are assigned to perform Traffic Homicide duties (i.e. accidents involving fatalities or serious bodily injury) and who have successfully completed the required courses (currently Basic Homicide Investigation, Interview and Interrogations, and Courtroom Testimony), will continue to receive a 5% Assignment Pay increase above their Adjusted Base Rate of Pay, while assigned to the Traffic Homicide Investigation (THI) division.
- 12.5. Regularly scheduled Part-Time Employees shall be eligible for seasonal assignments and paid in accordance with Section 1 of this Article. Additionally, regularly scheduled Part-Time Employees who have accepted and worked seasonal assignments shall automatically return to their previous regularly scheduled part-time position at completion of the seasonal assignment.
- 12.6. Employees given assignments by the Department or Division Head as lead workers in responsible charge of a crew or work unit, consisting of at least two employees other than the designated lead worker, will receive additional compensation in the amount of 5% above their Adjusted Base Rate of Pay.
- 12.7. Employees in the Public Works Department assigned to the "Concrete Crew" shall receive additional compensation in the amount of 3.75% above their Adjusted Base Rate of Pay for the duration of the assignment.
- 12.8. The City Manager may provide Incentive Pay to any Employees working outside of their job description on special projects in accordance with the HR -096 Performance Pay & Sign-On Pay Incentive Policy.

ARTICLE 13 - CERTIFICATION PAY

- 13.1. Upon attainment of a State of Florida, Department of Environmental Protection ("DEP"), Water or Wastewater Treatment Plant Operator Certification (Class C license), any Plant Operator I, Plant Operator I – Rotator, and Utility Shift Supervisor will continue to receive a 5% differential above the Adjusted Base Rate of Pay as illustrated in the table below.
- 13.2. Upon attainment of a State of Florida, DEP, Water or Wastewater Treatment Plant Operator Certification (Class B license), any certified Plant Operator I, Plant Operator I – Rotator, or Utility Shift Supervisor will receive a 2.5% differential over the Class C license entitlement for a total of 7.5% differential above the adjusted base rate of pay. Effective October 1, 2025, an additional 1.25% will be added to the Class B license differential for a total of 8.75% above the Adjusted Base Rate of Pay. Effective October 1, 2026, another 1.25% will be added to the Class B license differential, for a 10% differential cap above the Adjusted Base Rate of Pay as illustrated in the table below.
- 13.3. Upon attainment of a State of Florida, DEP, Water or Wastewater Treatment Plant Operator Certification (Class A license), any certified Plant Operator I, Plant Operator I – Rotator, or Utility Shift Supervisor will receive a 2.5% differential over the Class B license entitlement for a total of 10% differential over the adjusted base rate of pay. Effective October 1, 2025, another 1.25% will be added to the Class A license differential for a total of 11.25% above the adjusted base rate of pay. Effective October 1, 2026, another 1.25% will be added to the Class A license differential for a total of 12.5% above the adjusted base rate of pay. Effective October 1, 2027, an additional 1.25% will be added to the Class A license differential, for a total of 13.75% above the adjusted base rate of pay as illustrated in the table below.

Certificate	Currently, through 9/30/2025	10/01/25	10/01/26	10/01/27
C	5.00%	5.00%	5.00%	5.00%
B	7.50%	8.75%	10.00%	10.00%
A	10.00%	11.25%	12.50%	13.75%

13.4. Utility Operations Supervisors, Senior Utilities Field Technicians (“SUFT”) and Utilities Field Technicians shall receive a 2.5% differential above the Adjusted Base Rate of Pay upon the attainment of each of the following certifications based upon the subsequent schedule and guidelines. Additionally, Meter Technicians will receive a % differential as set forth in “d”, below.

- a. Utilities Field Technicians – 2.5% per “C Certification” (water, sewer, or stormwater) to a maximum of 7.5% above the Adjusted Base Rate of Pay. “C Certification” incentives shall be specific to the Utilities Field Technician Classification. Promotion or transfer to a Senior Utilities Field Technician or Utility Operations Supervisor will include, if a “C Certification” has/had been attained, a maximum 2.5% Certification Pay. All other Certification Pay will cease.
- b. Senior Utilities Field Technicians – per “B Certification” (water, sewer, or stormwater) to a maximum of 5% above the Adjusted Base Rate of Pay. “B Certification” incentives shall be specific to the Senior Utilities Field Technician classification and the Utility Operations Supervisor only and shall include a maximum of 2.5% for having attained a “C” Certification. Each Certification Pay increase received must be based upon the required levels of certifications held in each of the three separate disciplines (i.e., (1) water; (2) sewer; and (3) stormwater) For example: a “C” Certification in water, a “B” Certification in sewer and a “B” Certification in stormwater would result in a total Certification Pay increase of 7.5%. On the other hand, a “C” Certification in water, a “B” Certification in water, and a “B” Certification in stormwater would result in a total Certification Pay increase of 5% because two of the three certifications held are in the same discipline. Promotion to any position other than Utility Operations Supervisor will cease all Certification Pay.
- c. Utility Operation Supervisors – 2.5% per one “B Certification,” and 2.5% for one “A Certification” (water, sewer or stormwater) to a maximum of 5% above the Adjusted Base Rate of Pay. “A Certification” and/or “B Certification” incentives shall be specific to the Utility Operations Supervisor

("B Certification" also to SUFT) and shall include a maximum of 2.5% for having attained a "C Certification." Promotion and/or transfer to any other position(s) will cease all Certification Pay.

- d. Meter Technicians – Effective October 1, 2025, Meter Technicians will receive 1.25% for a certification in Backflow Repair or a Class C Water license. Effective October 1, 2026, an additional 1.25% will be added for a total of 2.5% differential above adjusted base rate of pay.

13.5. Beginning July 15, 2009, Treatment Plant Mechanic I, Treatment Plant Mechanic II, and Chief Utility Mechanics, who have attained "A Certification," "B Certification," or "C Certification" prior to July 15, 2009, shall receive Certification Pay as specified in Section 13.4 of this Article. Treatment Plant Mechanic I, Treatment Plant Mechanic II, and Chief Utility Mechanics hired prior to July 15, 2009 (excluding any employee covered by the first sentence in this Section), who attain a "C Certification" or higher in water or sewer (whichever is applicable to their assignment) on or after July 15, 2009, shall receive a maximum of 2.5% Certification Pay. Effective October 1, 2025, an additional 1.25% will be added for a total of 3.75% differential above adjusted base rate of pay. Effective October 1, 2026, another 1.25% will be added for a total differential of 5.0% above adjusted base rate of pay.

13.6. If a Commercial Driver's License ("CDL") is required, and the City has authorized the Employee to enroll in a CDL Certification Course, the City agrees to pay the company providing the CDL Certification Course directly, up to a maximum of \$2,200.00. The authorization to enroll in the CDL Certification Course will be determined solely by the City. The City shall not reimburse the Employee for a medical Certification for the CDL license as the City qualifies for an exemption under the Florida Statutes. Employees desiring to take a CDL Certification Course must submit a written request for approval to their Department Director or designee. Employees shall be responsible for reimbursing the City for the entire cost of this benefit should they leave City employment voluntarily within two years of receiving such benefit. This benefit shall only be provided if the Employee obtains the CDL while employed by the City. In rare instances, should an Employee schedule and pay for the CDL certification course prior to authorization and such CDL Certification is a

requirement of their position, the City may reimburse the Employee for the cost of the certification course with sufficient documentation.

13.7. In this Article, use of the terms "Class A, Class B, Class C", as well as the terms "A Certification," "B Certification," and "C Certification" shall be considered interchangeable with the corresponding terms of "Level 1, Level 2, and Level 3" (e.g., the term "Class A" and the term "A Certification" are the same as the term "Level 1" as used in this Article, etc. Effective October 9, 2013, Certifications from the Florida Stormwater Association ("FSA") will not be accepted as a substitute for either State of Florida certifications or Florida Water and Pollution Control Operators Association ("FWPCOA") Certifications, except for those employees who already obtained and received recognition for an FSA Certification before October 9, 2013, for as long as those employees maintain that/those FSA Certification(s). Failure to maintain the FSA Certification will result in the Employee's forfeiture of that Certification with no right to re-qualify for Certification pay based on that FSA Certification.

13.8. An Employee who is receiving Certification pay as provided in Sections 13.1-13.5 and who loses Certification equal to 5% or more as a result of a promotion, shall not receive a reduction in salary upon promotion. Further, if the promotion is to one of the following positions within the Public Utilities Department, the Employee shall not lose any Certification pay and shall be entitled to receive a 5% promotional increase:

- a. Utility Shift Supervisor;
- b. Chief Utility Mechanic;
- c. WTP and WWTP Operations Superintendent;
- d. Operations Supervisors; and
- e. Assistant Underground Utilities Manager.

13.9. Beach Safety personnel who are certified as Emergency Medical Technicians ("EMTs") shall receive a 5% differential above the Adjusted Base Rate of Pay provided that their Certification remains active. The City shall not be responsible for the cost of obtaining such a Certification nor may the Employee obtain such

certification during working hours. Effective October 1, 2025, an additional 1.25% will be added for a differential of 6.25% above adjusted base rate of pay. Effective October 1, 2026, an additional 1.25% will be added for a differential of 7.50% above adjusted base rate of pay. Effective October 1, 2027, an additional 1.25% will be added, for a total differential of 8.75% above adjusted base rate of pay.

- 13.10. Any Certification pay provided in this Article is calculated using the Employee's Adjusted Base Rate of Pay and shall be treated as part of the Employee's Base Pay for purposes of the pension plan's definition of compensation and employee contributions.

ARTICLE 14 - WORK SCHEDULING AND OVERTIME

- 14.1. The current normal workweek for all Full- Time Employees shall consist of 40 hours per week. Under no circumstances will benefits/rights associated with Full-Time Employees be reduced or modified if the workweek is altered. The normal workweek for all Full-Time Employees shall consist of 40 hours per week, beginning with the Employee's first regular shift. The normal workday shall consist of eight or 10 consecutive hours of work in a 24-hour period.
- 14.2. The Employer reserves the right to designate a change in the work schedule, weeks, days, hours and shifts of its employees; however, no individual Employee shall have his/ her work schedule or day off schedule changed for the purpose of avoiding the payment of overtime, nor shall any changes in work schedule be made in an arbitrary or capricious manner. In any event, notice of not less than 8 or 10 working days depending upon their schedule shall be given to the affected Employees and an authorized representative(s) of the Union. Upon the request of the Employee or the Union, the employer agrees to meet and confer with the above referenced Union Official(s) and/or the Employee. Should the City not comply with the notice requirements, and if appropriate, the above referenced meeting, the Employee schedule will not be changed. Further, scheduling changes will not be used for disciplinary purposes.

- a) The HRA is contingent upon the Employee completing a Biometric Screening at the City's Employee Health Center (EHC). healthy, and completing annual preventive exams. The City encourages this by offering the HRA incentives for employees who complete their Biometric Screening at the City's EHC, along with a provider follow-up to review. This program will be voluntary and offered to all active employees enrolled in the City's medical plan.  - f. If the City and the Union fail to agree on a Proposed Rule, and providing the Proposed Rule meets the standards in paragraph b, the dispute shall go to arbitration. The arbitration shall be expedited, and the arbitrator shall be requested and mutually agreed to, by both parties, to make a prompt award without a written opinion. If the arbitrator finds that the Proposed Rule violates the specific written terms of this Agreement or is unreasonable, then

All regular Employees occupying positions in the affected class title shall be placed on a seniority list. In the event it is necessary to reduce the workforce, including abolishment of positions, Employees shall be laid off in inverse order of seniority, i.e., junior Employees first.
- 28.2. An Employee who is laid off or whose job is abolished pursuant to Section 28.1 shall, based on Citywide seniority, have the option of bumping either laterally or downward to a class title for which the Employee is reasonably qualified and/or has the ability to be trained to perform the essential tasks of the job within 90 days of appointment. In the alternative, Employees may, at the non-arbitrary discretion of the City Manager, be placed into a higher paid class title if qualified. Qualification criteria shall be based upon the approved position description.
- 28.3. In the event of a lay-off, the City will make every effort to give as much notice as possible. In no event will Employees receive less than a three-week notice of lay-off, or in lieu of notice, three weeks' pay at the Employee's regular rate of pay in addition to all paid accrued leaves. The Union shall be furnished copies of all lay-off notices three days prior to notices being furnished to the affected Employees.
- 28.4. Employees laid off, demoted or transferred due to the exercise of their bumping rights or due to being bumped or whose positions are abolished, shall be placed on recall lists, and recalled in order of seniority. Re-appointment shall be to any vacancies which exist, first, in the class title from which the Employee was laid off, and second, in any position for which the Employee is reasonably qualified and possesses Citywide seniority. Laid-off Employees shall have the first right to recall for vacancies in the class title from which they were laid-off.
- 28.5. Any Employee whose name is listed on a recall list who refuses appointment to a position with a lower pay grade will have up to two opportunities to be rehired to a class title with a lower pay grade for a position for which the Employee is reasonably qualified. If there is more than one position available, the Employee shall be given the option of choosing the one equal to or closest to his/her former pay grade. If both opportunities are declined, the Employee shall have no further right to recall to a class

title with a lower pay grade.

- 28.6. Employees refusing re-employment in a class title with an equal or higher pay grade shall have no further rights to recall for that class title.
- 28.7. Employees refusing recall to their originally held class title and pay grade lose all recall rights, and if at the time of this recall they are employed in a lower classification, the Employee's pay shall be lowered to the pay grade level applicable to the Employee's years of service for that lower paid classtitle.
- 28.8. If the recalled Employee fails to respond in writing within 14 calendar days of the receipt of the notice of recall letter, then he/she shall be deemed to have refused the position offered.
- 28.9. In the event an Employee is not rehired or recalled within 24 months following the date of his/her layoff, the City's obligation to recall that Employee shall cease, and his/her name shall be removed from the recall list.
- 28.10. The City will provide the Union with an entire City recall list, bi-annually. The list will include dates of hire, dates of lay-off, classification(s) the laid off Employee previously held and the name of the Department, Division or Office in which the Employee worked on the date of the lay-off.
- 28.11. Those Employees who are afforded Veteran's Preference rights pursuant to Section 295.07 (1) (a–d), Florida Statutes ("Qualified Employees"), shall have their seniority dates adjusted solely for retention/layoff purposes as set forth in this Article in the following manner:

 - b. Six months of City service time shall be added to the Citywide seniority of Qualified Employees who have been employed by the City of Hollywood for more than five years.

ARTICLE 29 - GRIEVANCE PROCEDURE AND ARBITRATION

29.1. Grievances Generally.

- a. The City and the Union have negotiated a grievance procedure to be used for the settlement of disputes involving the interpretation or application of the Agreement. Such grievance procedure shall have as its terminal step a final and binding disposition by an impartial neutral, mutually selected by the parties. However, an arbitrator or other neutral shall not have the power to add to, subtract from, modify, or alter the terms of the Agreement.
 - b. The Union may exercise its right not to process a grievance challenging disciplinary action issued to a bargaining unit member. In such cases, the Union will notify the member and the City and upon such notification, the City shall thereafter conduct all official communication directly with the aggrieved employee(s), with a copy to the Union including dates of any hearings. Additionally, except for grievances filed by individual employees challenging disciplinary action involving a suspension or greater, the Union shall have the exclusive authority to demand arbitration and advance grievances forward to arbitration concerning issues of contract interpretation. Nothing in this section shall prohibit the Union from participating at any grievance step when it deems it necessary to protect the integrity of this Agreement. Any grievance defined as a claim reasonably and suitably founded on a violation of the terms and conditions of this Agreement shall systematically follow the steps outlined below as the Grievance Procedure. Any grievance filed shall refer to the Article(s) of this Agreement alleged to have been violated, shall set forth the facts pertaining to the alleged violation or violations and shall include the corrective action or actions requested by the aggrieved party. A grievance must be communicated in writing to the employer by the Union within fourteen (14) calendar days from the events giving rise to the grievance, or fourteen (14) days from the date a grievance might reasonably be known to exist, otherwise it is deemed to be waived.
- Step 1: The written grievance shall be presented to the Department Director or designee. The grievance will be dated and signed by the Union

representative, or the aggrieved Employee if the Union is not processing the grievance. The Department Director or designee shall acknowledge receipt of the grievance by stamping it with the date and time, with a copy to the Union. The Department Director shall, within seven (7) calendar days, conduct a meeting with the aggrieved Employee(s) and/or the Union representative. The Department Director shall provide the Union with a written decision concerning the grievance, with a copy sent to the aggrieved Employee(s), (or to the aggrieved employee if the Union is not processing the grievance pursuant to Section 29.1(b)), within seven (7) calendar days following the meeting date. The parties may agree to mutually skip Step 1 and move straight to Step 2.

- Step 2: If the Union (or the aggrieved Employee if the Union is not processing the grievance pursuant to Section 29.1(b)) is not satisfied with the decision rendered at Step 1, the Union (or the aggrieved Employee if the Union is not processing the grievance) may, within seven (7) calendar days from the written decision rendered at Step 1, forward the written grievance to the office of the City Manager (stamped in with date and time). The City Manager or designee shall meet with the aggrieved Employee(s) and/or their Union representative(s) within seven (7) calendar days after receipt of the grievance. The City Manager or designee shall furnish a copy of their decision, in writing, to the Union (or the aggrieved Employee if the Union is not processing the grievance), within seven (7) calendar days after the meeting.
- Step 3: If the Union (or the aggrieved Employee if the Union is not processing the grievance pursuant to Section 29.1(b)) challenging a disciplinary action involving a suspension or greater is not satisfied with the decision rendered at Step 2, the Union (or the aggrieved Employee if the Union is not processing the disciplinary grievance) may, within fourteen (14) calendar days from receipt of the City Manager's decision, submit the grievance to arbitration, by requesting a list of arbitrators from the Federal Mediation and Conciliation Service (F.M.C.S.) or the American Arbitration Association (AAA), the choice of agency within the discretion of the Union. The request shall seek a panel of 11 names, and either party may request a second panel of names.

- The parties shall strike names alternatively from the list of names to select the neutral arbitrator. The award of the arbitrator shall be final and binding on all parties.

29.2. Rules for Grievances and Arbitration processing:

- a. The grievance shall be submitted on an Official Grievance form. Attachments may be added, if needed. The City and the Union (or the aggrieved Employee if the Union is not representing the Employee pursuant to Section 29.1(b)), shall mutually agree in writing as to the statement of the grievance to be arbitrated before the arbitration hearing, and the arbitrator shall confine his/her decision to the grievance submitted. In the event the parties are unable to agree on the statement of the grievance to be submitted to the arbitrator, then the arbitrator shall confine their consideration and determination to the written statement of the grievance at Step 1 and any defenses raised by the City.
- b. Time limits at any step in the grievance process may be extended only by mutual written consent of the parties involved at that step.
- c. A grievance not advanced to the higher step by the Union, or an individual employee if proceeding without assistance from the Union, within the time frames provided shall be deemed permanently withdrawn as having been settled based on the decision most recently given. Failure on the part of the employer or his/her designee to answer or meet within the time limits provided at Step 1 or 2 will cause the grievance to be considered resolved in favor of the grievant or the Union and all parties will abide by the "corrective action or actions requested" on the grievance form or attachments.
- d. Notice that a grievance which is advanced to the next step in the process shall be delivered to the Human Resources Office. Hand deliveries will be documented by a date-stamped photocopy or by a dated signature of the recipient. Grievances delivered via certified mail shall be considered properly advanced as of their postmark but shall not be considered to have been received by the next party until the actual date of delivery or date of refusal of delivery. Grievances sent via electronic mail shall be considered properly

advanced when date stamped but shall not be considered received until opened by the Union, as indicated by the returned receipt. The clock will start the day after delivery or returned receipt.

- e. On-duty personnel called by the Union, (or the aggrieved Employee if the Union is not processing the grievance), as a witness shall remain in pay status only during their normal duty hours while appearing at the hearing. Such personnel shall respond to subpoena on as-needed basis to minimize waiting time so as not to disrupt the operations of their department. Hearings shall be held in hearing rooms provided by the City, in City facilities at no charge to the Union.
- f. The parties agree that in accordance with current practice, both the City and the Union (or the aggrieved Employee if the Union is not processing the grievance pursuant to Section 29.1(b)), will have the option of electronically recording (through audio or video tape) all steps of the grievance procedure outlined in Section 29.2, including the arbitration hearings. Any party desiring a transcript shall bear the cost of such transcript, unless both parties mutually agree to share said cost.
- g. The arbitrator and court reporter bills shall be paid by the party that does not prevail. Pursuant to Section 29.1(b), an individual employee filing for arbitration without union endorsement will be responsible for both the arbitrator court reporter's bills, should they not prevail. In the event an individual employee advances a grievance forward to arbitration without Union assistance pursuant to 29.1(b), both the City and the individual employee shall be required, at least thirty (30) days in advance of the arbitration hearing, to provide the arbitrator with a refundable good faith deposit in an amount equal to at least fifty percent (50%) of their share of the anticipated arbitration and court reporter costs.
- h. All Employees covered by this Agreement shall have no other right to utilize any appeal process (specifically the Civil Service Procedure) other than the grievance procedure described herein.
- i. The City shall furnish the Union with copies of grievances filed by individual employees as soon as practicable but in no event less than two days prior to the initial meeting of the grievance procedure.

- j. Grievances shall be settled as expeditiously as possible.

Unless otherwise designated in advance by the Employee, accrued leave shall be used/deducted in the following order: sick, vacation, comp time, holiday, and blood time. Employees requiring the use of FMLA Leave must submit a FMLA application to their Division Head no later than 30 days prior to the need for such leave unless it is an unforeseeable emergency. The City may automatically designate FMLA when an absence meets FMLA qualifications.

- i. Leave may be requested on a continuous basis, intermittent basis or on a reduced work week schedule, if medically necessary. The Employee must provide medical certification within 15 days of the date requested. The Employee must attempt to schedule their intermittent or reduced leave so as not to disrupt the organization's operations. The Employee may be required to transfer temporarily to a position with equal pay and benefits that better accommodates recurring periods of leave or a reduced work schedule.
- ii. Upon returning from FMLA, the Employee is entitled to return to the same position held when the leave began or to a similar position with equivalent benefits and pay, unless the position would have been eliminated had the Employee not been on leave. In such circumstances, the employee may apply for any other vacant position for which they are qualified. Should the leave continue beyond the 12-work week period, reinstatement rights are at the discretion of the City.
- iii. An Employee granted FMLA will continue to be covered under the City's insurance plans under the same conditions and coverage as would have been provided if the Employee had been actively employed during the leave period. However, if any part of the leave is unpaid, the Employee must make payment arrangements for the benefit contributions that are normally deducted from their paycheck.
- iv. An Employee granted FMLA will continue to be covered under the

City's insurance plans under the same conditions and coverage as would have been provided if the Employee had been actively employed during the leave period. However, if any part of the leave is unpaid, the Employee must make payment arrangements for the benefit contributions that are normally deducted from their paycheck.

- v. An Employee who is absent from work for three days or more, due to personal illness/injury, must provide Human Resources with a fitness-for-duty certification signed by their physician certifying their fitness to return to work. If restrictions are listed, reinstatement will be at the discretion of the City.
- vi. An Employee who fails to return to work on the date specified on the leave request form without receiving an extension in advance is subject to disciplinary action up to and including termination. Employees who do not return from FMLA leave must reimburse the City for the value of their health insurance premium payments made on their behalf during the duration of the leave unless the Employee is physically unable to return to work.

30.2. Special Leave:

- a. An Employee who incurs a temporary medically disabling condition, not attributable to work, may upon written request be granted a Special Leave. An Employee may also request special leave to care for any member of their immediate family who incurs a temporary medical disabling condition. The initial period for said Special Leave shall not exceed three months. Upon further written request, the Division Head may extend such leave up to an additional nine months. ARTICLE 37 - DISCIPLINARY ACTION

37.1. It is agreed that the most effective means of maintaining discipline is through the promotion of cooperation and sustained good working relationships. In those cases where specific corrective action becomes necessary, the disciplinary measures taken shall be for just cause and shall be progressive. However, in specific instances where warranted, severe disciplinary measures, up to and including termination, may be imposed without utilization of progressive procedures. Disciplinary action shall be administered in a manner that is fair and consistent.

37.2. Progressive Discipline.

- a. When an employee is called in by their supervisor for the purpose of an oral counseling or warning, the employee shall not be entitled to have a Union representative present.
- b. When an Employee is called in by their supervisor or higher authority to receive a written warning, written reprimand, or other notice of discipline to be administered, they shall be entitled to have Union representative present at their request. Written reprimands and lesser disciplinary actions (including oral counseling or warnings) are not subject to the arbitration procedures.
- c. When the Union representative responds pursuant to an Employee's request under (a) above, the Union representative shall only advise the Employee of their rights under the Contract. The Union representative shall not interfere in the conduct of the meeting, nor shall they question the supervisor or other higher management authority.
- d. While the parties understand and agree that a performance evaluation is not a form of disciplinary action and is not subject to the Grievance and Arbitration Procedure provided under Article 29 (except as provided in Section 17.7), they realize that at times the Employee will be counseled, warned or reprimanded in writing to improve deficient job performance. To this end, the following procedure will apply: When the supervisor calls the Employee in for a meeting to review a performance evaluation that is less than satisfactory in whole or in part, the supervisor shall advise the Employee of the purpose of the meeting, and the Employee shall then be entitled, upon request, to have a Union representative present. not interfere in the conduct of the meeting, nor shall they question the supervisor.

If an attorney or union representative will be representing the Employee at the pre-determination hearing, the hearing will be held within a reasonable period from receipt of the notice.
 - f. The City agrees to furnish the Union with a copy of any written disciplinary action and/or notice of proposed disciplinary action issued to any Employee in the Bargaining Unit.

The union shall not unreasonably withhold the granting of a 30-day extension to impose discipline should the City need additional time to complete any and/or all investigation of the alleged violation(s).
- 37.5. In disciplinary action appeals from discharge, suspension or demotion, if the action is reversed through an arbitration, then, If an imposed disciplinary action involving a suspension, demotion or termination is fully reversed through an arbitrator's award, then all reference to the allegations, including but not limited to those contained in the Employee's personnel file, shall be boldly marked with the word "Rescinded" across the body of the documents related to the disciplinary action, with a copy of the arbitrator's award placed on top of said documents for reference.
- 37.6. If an Employee does not repeat the offense leading to a written reprimand, for a period of 18 months from the date of the written reprimand, then that written reprimand will

not be used as the basis for a future disciplinary action unless a second offense occurs within the 18-month period.

- 37.7. Whenever the imposed discipline is in the form of a suspension without pay, the Employee may request City Manager approval to forfeit accrued vacation, blood, compensatory or holiday leave, if any, equal to the suspension, in lieu of the loss of pay. If the Employee elects this option, such election shall be conditioned upon City Manager approval and the Employee's full waiver of any and all rights to appeal the suspension pursuant to the Grievance and Arbitration Procedure set forth in Article 29.
- 37.8. Employee suspensions will not be served until at least fourteen (14) calendar days after the final date of notification. If the Employee chooses to appeal a suspension through Article 29, the suspension will be held in abeyance until the appropriate appeal process has been concluded.

occasional or intermittent basis to attend a required workers' compensation doctor visit or medical treatment and, as a result, they shall not have to use their own accrued or unpaid time for the work time missed to attend that required workers' compensation doctor visit or medical treatment during the 13 week, 26 week or 35 week eligibility period that began on the date of the Employee's workers' compensation injury or illness.

- 43.5. An injured Employee receiving Workers' Compensation benefits shall be evaluated by physicians chosen by the City. In determining the Employee's fitness for duty, the City Manager shall base his determination upon the tasks and duties performed by the Employee as set forth in the Employee's Position Description, which shall be provided to the physician. If the Employee may return to work in a limited or restricted capacity, based on the City physician's evaluation, the Employee would be permitted to perform duties on a temporary basis outside of their normal job classification and/or assigned department or division at their regular rate of pay. A determination of appropriate duty will be made based on the restrictions by the Director of Human Resources. When an Employee has been assigned to another Department/Division, that Employee will report directly and be supervised by that Department/Division. The supervisor within the new Department/Division will notify the Employee's original Division of changes in the Employees' status. The parties agree to regularly meet and discuss the status of the Employee's assignment relative to the restrictions, the efficiency and productivity of the alternate assignments. If the City Manager, based on the City physician's evaluation, determines that an Employee is physically capable of returning to work and performing his regular duties, the Employee shall return to work on his next regularly scheduled workday. If the Employee disagrees with the City Manager's determination returning him to work, the Employee may appeal that determination utilizing the State of Florida Workers' Compensation Statute. There shall be no appeal of this determination utilizing the grievance procedure set forth in this Agreement. If it is determined under the Workers' Compensation Statute that the Employee was improperly ordered to return to work by the City Manager, the Employee, in addition to his benefits under Workers' Compensation, shall receive from the City retroactive from the date that the City ceased payment to the present all Supplemental Benefits as set forth in this Article to which the Employee would

have been entitled had the City not improperly ceased payment.

- 43.6. In the event that the City Manager, based on the City physician's evaluation, determines that an Employee injured on the job is no longer capable of performing his regularly assigned tasks and duties as set forth in his Position Description, the Employee, if he disagrees with said determination and seeks to return to his former City position, shall have the right to obtain and submit to the City opinions/determinations from private Physicians that the Employee can perform his regularly assigned tasks and duties as set forth in his Position Description. In the event of disagreement of physicians, the parties shall each submit the name of one physician who specializes in the field of medicine involved with the two submitted physicians mutually selecting a third physician who shall examine the grievant and determine if the Employee can perform his regularly assigned tasks as set forth on his Position Description. The third physician's determination shall be final and binding on all parties.
- 43.7. Nothing in this Article is intended to deprive and/or shall deprive an Employee of any rights and/or benefits to which he is entitled under the provisions of this Agreement, any applicable Local Ordinances, or State or Federal Statutes.

ARTICLE 44 - CLASSIFICATION EVALUATION AND REVISION

- 44.1. It is the sole responsibility of the City to determine the job content, qualification requirements, duties, and the relative significance to the City's operation of each job within the Bargaining Unit. Whenever there is a proposed change to a position title, classification, or position description concerning the content, qualifications, and/or duties of a position within the Bargaining Unit, the City will bargain with the Union over the proposed change at least 20 calendar days prior to implementation of the change. The terms "job description," "class specification," and other similar phrases are all synonymous with the term "position description." Copies of any changes will be furnished to the Union during this review period. Should the City fail to notify and, if requested, bargain the proposed changes with the Union, such changes will not be implemented.
- 44.2. A request to study an individual position may be initiated by an Employee if the Employee believes that his/her position has changed so substantially as to warrant a change from his/her existing classification, title, and/or position description to another existing classification, title and/or position description. Change request(s) shall be submitted to the Office of Human Resources for internal study and review. Each request shall contain specific details in support of the request. Any changes recommended by the City because of the provisions of this Section shall be implemented according to Section 44.4 of this Article.
- 44.3. A request for study of an individual position may be initiated by the Department or Office Director if he/she believes that the position has changed so substantially as to warrant an evaluation and revision of an Employee's existing classification, title and/or position description to another existing classification, title and/or position description. Such request shall first be discussed with the concerned Employee for comment and then forwarded to Human Resources for internal study and review. Each request shall contain specific details in support of the request. Any changes recommended by the City because of the provisions of this Section shall be implemented according to Section 44.4 of this Article. This provision will only be used to consider an upgrade in the requested classification.

- 44.4. For requests as outlined in Sections 44.2 or 44.3 of this Article, the Human Resources shall report its findings and recommendations to the City Manager within 90 days of receipt of the request. Copies of the findings and recommendations shall also be sent to the Department/Office Director and the Employee. If a proposed change is approved by the City Manager, the change, and any pay adjustment, if applicable, will become effective at the beginning of the pay period following the approval. Any approved change in classification, title, and/or position description will not alter the performance review date for the Employee.
- 44.5. Limits: Reclassifications will be limited to less than 25% increases. Any reclassification determined by the City and agreed to by the Union of a 25% or more pay increase must be filled through the Civil Service process rather than the reclassification process.
- 44.6. Wage Increase: Wage increases for reclassification will be 5% of Adjusted Base Rate of Pay. If 5% of Adjusted Base Rate of Pay is less than the start of the pay scale, then the reclassification will result in the start of the new pay scale.
- 44.7. Eligible Employees: Employees must have been in their present position at least six months prior to requesting a reclassification. However, this does not prevent the City from reorganizing and initiating negotiations with the Union for positions where incumbents have less than six months' experience, or for vacant positions.
