Re: Piggybacking Broward County Sewer Lift Station Rehabilitation Contract #PNC2122386B1

Dear Mr. Mathis,

Thank you for inquiring about piggybacking our Broward County Lift Station Contract.

Attached are the following:

1. Broward County Contract #PNC2122386B1
2. Certificate of Insurance

Trio Development will honor the same unit pricing as in the Broward County Contract and agrees to honor the City of Hollywood Terms and Conditions subject to the right of the Contractor to decline to provide any of the specified products and services. However, products and services will continue to be provided by the Contractor to City of Hollywood projects undertaken by the Contractor and underway until the timely completion of those projects. Scheduling of City projects will depend on our workload for Broward County as Broward County is the Primary Contract Holder.

Thank you,

A handwritten signature in blue ink, appearing to read "Lawrence R. Shortz".
