

**CITY OF HOLLYWOOD**  
**INTER-OFFICE MEMORANDUM**  
**Water Treatment Plant**  
**Department of Public Utilities**

**DATE:** March 21, 2017

**File:** WTP-17-03

**TO:** Paul Bassar, Director  
Procurement Services

**VIA:** *hjt* Steve Joseph, P.E., Director  
Department of Public Utilities *3/23/17*

**FROM:** *3/23/17* Carlos Aguilera,  
Public Utilities Manager WTP *3/23/17*

**SUBJECT:** Well Head Modifications Solicitation #F-4540-17-RL  
Bids Cancelation/Rejection

---

**ISSUE:**

Cancellation and rejection of all bid proposals received by the City of Hollywood, Procurement Services Division for Solicitation #F-4540-17-RL (Well Head Modifications) due to the bids exceeding the expected project costs and the allocated budget.

**EXPLANATION:**

The Department of Public Utilities requests that the Procurement Services Division cancels and rejects all bids related to Solicitation #F-4540-17-RL because the bid proposals received substantially exceed the expected cost for the project. Based on recent similar contractual work performed at Well No. 41, the estimated cost for the project was \$99,442.00. However, the lowest bidder for the cited solicitation, Florida Design Drilling Corp., submitted a bid proposal in the amount of \$238,000.00, which exceeds the estimated cost by more than double. Therefore, it would not be feasible for the Department of Public Utilities to perform the work at the proposed cost.

City of Hollywood, Water Treatment Plant staff have identified an existing, properly bid contract between Aquifer Maintenance & Performance Co. (AMPS) and the City of Sunrise, which could be piggybacked to complete the necessary well head rehabilitations and to provide specialized maintenance services to the twenty-two (22) raw water wells owned by the COH on as needed basis. WTP staff estimates that the cost for services to be provided under the existing City of Sunrise Contract is \$103,700.00.

**RECOMMENDATION:**

The Department of Public Utilities recommends cancelling and rejecting all bid proposals received in relation to Bid Solicitation #F-4540-17-RL, and piggybacking the existing contract between the City of Sunrise and AMPS for general well maintenance.

c: Francois Domond, Deputy Director Operations  
Luis Montoya, Operations Superintendent  
Robert Lowery, Procurement Contracts Officer
