Dear Mr. Otis:

This letter report provides an analysis of the Department of Public Utilities (Department) review of the bid received for the Inflow/Infiltration (I/I) Program - Excavated Repairs and a recommendation for the award of the contract.

The bid proposal and supporting information were evaluated for bidder responsiveness and the Contractors overall technical ability to perform the work proposed by the Department's Contract Documents. The evaluation consisted of the following:

- 1) The Department reviewed the bid tabulation received and checked for math errors and anomalies in Unit Prices. The bidders for the project in order of overall lowest bid are

| <u>Respondent/ Bidder</u> | <u>Bid Total</u> | <u>Ranking</u> |
|----------------------------------|-------------------------|-----------------------|
| Envirowaste Services Group, Inc. | \$1,494,178.500 | 1 |
| Ric-Man | \$15,565,212.53 | 2 |

- 2) Completeness of the bid packages in accordance with Article 2, "Receipt and Opening of Bids", of Section III, part 3.3 "Contractor Qualifications" and Form 15, "Information Required from Bidders," which requires submittal of the following completed forms, signed, sealed and/or notarized where required.

Based on our review and evaluation of the Bid Proposal, the Department recommends that the project is awarded to the lowest responsive and responsible bidders, **Envirowaste Service Group, Inc.** for Inflow/Infiltration (I/I) Program - Manhole Repairs.

Sincerely,

Giselle Hipolito
