This resolution seeks to authorize the appropriate City Officials to issue a blanket purchase order to Fisher Scientific for the purchase of firefighting and rescue equipment, supplies and replacement parts over a three-year term commencing on November 18, 2015 and terminating on September 21, 2018, for an estimated aggregate three-year expenditure of \$240,000.00.

After extensive review by Fire Rescue and Beach Safety Department staff, Honeywell/Morning Pride personal protective equipment was determined to best meet National Fire Protection Agency requirements and the Department's requirements for firefighter protection apparel equipment.

On September 21, 2015, the Orange County Board of County Commissioners awarded a three (3) year contract to Fisher Scientific LLC for the purchase of personal protective equipment manufactured by Honeywell / Morning Pride, via the competitive bid process through Bid Number Y15-1142-JS. The Honeywell / Morning Pride personal protection equipment is available through Fisher Scientific LLC of Pittsburg, Pennsylvania; the manufacturer's authorized reseller for the Southeast Florida area.

The City's Purchasing Ordinance, Section 38.40 (C)(5) allows the Director to procure, without following formal procedures, all goods and services which are subject of contracts with the state, its political subdivisions, the United States government, other governmental entities, or a corporation not for profit whose members are governmental entities, public officers, or any combination thereof, provided however, the goods and services are: (i) the subject of a price schedule negotiated by the state or the United States government, or (ii) the subject of a contract with another governmental entity or a corporation not for profit whose members are governmental entities, public officers, or any combination thereof, which contract is based strictly on competitive bids or competitive proposals and not on any preference.
