

## Tabulation of Quotes – Traffic Signal Controller Cabinet Art-Wrap Coverings

On March 16, 2017 a Request for Quotes (RFQ) was issued by the Community Development Division seeking quotes for fabrication, installation and periodic maintenance of vinyl art-wrap coverings on twenty-four (24) traffic signal controller cabinets located throughout the city.

The RFQ was emailed to the vendors listed below after they were initially contacted by telephone. Subsequently, the requirement for periodic maintenance was deleted from the RFQ. Notification of the revised RFQ was provided to vendors via email on March 20<sup>th</sup> and March 28<sup>th</sup>.
