INTER-OFFICE MEMORANDUM**

FILE: PW-16-038

FROM: Charles W. Lassiter

SUBJECT: Nice & Smooth Landscape Corporation; Grounds Maintenance B002617

ISSUE:

The Department of Public Works seeks authorization to increase Nice & Smooth Landscape Corporation Grounds Maintenance Blanket Purchase Order B002617 for the current and next term of their contract.

EXPLANATION:

The Department of Public Works has a grounds maintenance contract with Nice & Smooth Landscape Corporation to provide routine landscape maintenance at various municipal parks, facilities, and rights-of-ways throughout the City of Hollywood. Also, this vendor was utilized to perform additional services, plant and shrub installations citywide, while contracts for these services were being solicited. The purpose of this request is twofold.

Firstly, we would like to increase the amount of the above referenced blanket purchase order during the current term, 7/1/2015 – 6/30/2016, from \$94,150 to \$145,273. This is an increase of \$51,123. Below is a summary detailing the explanation for the increase.

- \$94,150 Original obligated contract amount
- \$98,000 Expended to date
 - \$17,203 of this expended to date amount includes invoices for Additional Services. Additional services is within the scope of the effort; however, the initial funding of \$94,150 did not include funding for additional services
 - \$10,000 Pending invoice (services rendered, not paid to date)

- \$20,070 Amount needed to cover operations to include a newly added Zone (Charles Vollman Park). Average weekly cost is \$2,700 from 5/16/2016 – 7/1/2016. 7 weeks x \$2,700 = \$18,900 + two services at Charles Vollman Park (\$1,170) = \$20,070

Secondly, we would like to increase the amount of the above referenced blanket purchase order for the next term, 7/1/2016 – 6/30/2017, from \$94,150 to \$167,728. This is an increase of \$73,578. The reason for this increase includes funding the additional services line item, the addition of the new zone, Charles Vollman Park and operational expenses based on current spending.

A plant and shrub installation contract has since been awarded; however, the Public Works Department still has a need for Nice & Smooth Landscape Corporation to provide “additional services” in relation to this blanket purchase order. We have situations that require grounds maintenance vendors to perform additional services such as debris removal, sod preparation, etc.

RECOMMENDATION:

The Department of Public Works recommends the Procurement Services Department seek Commission approval for authorization to increase Nice & Smooth Landscape Corporation estimated dollar value of blanket purchase order B002617 to \$145,273 for the contract term period of 7/1/15 – 6/30/16 and \$167,728 during the contract term of 7/1/16 – 6/30/17. This request is fully funded utilizing accounts 01.5171.00481.541.005229, and 01.5171.00483.541.005224
