City of Hollywood  
Reuse System Expansion Phase 2  
Recommendation for Award  
City Project No. 14-9077A

Dear Mr. Jiang:

We have reviewed the bid proposal documents opened on December 18, 2015 for the subject project and summarized them in the attached Bid Tabulation. The apparent low bidder, Florida Design Contractors, Inc., was evaluated for their overall technical ability to perform the work proposed by our design documents. Our review did not include a determination of bidder responsiveness; however, all requested proposal items were submitted.

We have reviewed references identified by the bidder. Based on our review, we consider this contractor responsible and qualified to perform the work described in the contract documents. As such, we recommend that the Southern Regional Wastewater Treatment Plant Reuse System Expansion Phase 2 contract be awarded to Florida Design Contractors, Inc.

We appreciate the opportunity to assist the City with this important project. Should you have any questions or require further information, please do not hesitate to contact our office.

Very truly yours,

**HAZEN AND SAWYER,**

J. Philip Cooke, P.E.  
Senior Associate
