City of Coral Springs – 29.41% (exclusive franchise)
City of Fort Lauderdale – 23% (open market)
City of Miramar – 27% (exclusive franchise)
City of North Lauderdale – 25% (exclusive franchise)
City of Pembroke Pines – 21.5% (exclusive franchise)

This increase would be in line with comparable municipalities.

Attachments: CPI - 10 year MIA-FTL South Region US City Avg.xlsx

Jon,

The change in the CPI over the past 10 years is 22%.

Thank you,

Shawn Burgess, CPA
