A separate flood insurance policy is required for each building with the following exception: Under the Standard Flood Insurance Policy Dwelling Form, appurtenant structure coverage may apply to a detached garage at the described location provided the detached garage is not used for dwelling, business, or farming purposes. Coverage is limited to 10% of the limit of liability on the dwelling and reduces the building limit of liability.

The above statements are correct to the best of my knowledge. I understand that any fraudulent statements may be punishable by fine or imprisonment under the applicable federal law. The Federal Emergency Management Agency (FEMA) provides flood insurance under the terms of the National Flood Insurance Act of 1968 and its Amendments, and Title 44 of the Code of Federal Regulations. The premium shown above must comply with FEMA rules and rates and may be revised in accordance with applicable policy provisions.

## Flood Insurance Acknowledgement Waiver of Agent's Responsibility

I hereby certify that my agent offered flood insurance coverage in the National Flood Insurance Program. I understand that because I declined this protection/coverage, my agent, and/or agency will be held harmless and not liable in the event that I suffer a flood loss. I understand that the rejection of this coverage will apply to all future renewals, continuations, and changes unless I notify the agent otherwise in writing. I certify that I am aware that there is a **thirty (30) day waiting period** before coverage takes effect, should I elect to purchase flood insurance at a later date.

- ☐ I reject building & contents coverage for flood protection
- ☐ I reject contents coverage for flood protection
- ☐ I reject condominium unit owners coverage for flood protection
- ☐ I reject excess flood insurance coverage
- ☐ I understand that this building is underinsured which may affect a claim settlement

**Building Description:**

**Property Location:** 3150 TAFT ST  
HOLLYWOOD, FL 33021-4443

The only appurtenant structure covered by the Standard Flood Insurance Policy is a detached garage, which is covered under the dwelling form. Coverage is limited to no more than 10% of the limit of liability on the dwelling. Use of this insurance is at the policyholder's option, but reduces the building limit of liability. This does not apply if the detached garage is used for residential (i.e. dwelling), business or farming purposes. In all other instances a separate policy is required for each building.
