The Auto policy needs an additional insured endorsement naming the City of Hollywood for it to be acceptable and the workers comp is acceptable.

B. Commercial Automobile Liability Insurance naming the City as an additional insured with not less than the following limits: Combined Single Limit \$1,000,000 Coverage shall include contractual liability assumed under this agreement, owned, hired and non-owned vehicles.

Hi David,

The COI just covers the general liability, and it is acceptable, but pages 10 and 11 outline the rest of the requirements (auto liability and workers compensation) which this COI does not have.

Thanks,
