RE: Letter of Intent for Submission of Application for PIP

We are a small condo association located directly on A1A in the heart of Hollywood beach. It is obvious that Hollywood is in the midst of a transformation and we would like to do our part in some small measure to contribute to the overall beautification of the surroundings.

The two-story building is 40 years old and holding on to some of the original features. It is our intention to install a new tile roof (which is visible from the street), paint the exterior of the building (including driveway barrier wall) and install uniform lighting fixtures. As required by the PIP, we have obtained several bids for the projects and feel that we are ready to proceed.
