Hazardous Materials Generally Prohibited. Tenant shall not transport, use, store, maintain, generate, manufacture, handle, dispose, release, discharge, spill or leak any hazardous material or permit Tenant's employees, agents, contractors, or other occupants of the leased Premises to engage in such activities on or about the Property. However, the foregoing provision shall not prohibit the transportation to and from and use storage maintenance and business which Tenant is permitted to conduct in the leased Premises under this Lease but only as an incidental and minor part of such business.
