Re: Renewal of Flood Policies  
Policy No.: See Attached Flood Schedule  
Expiration Date: December 31, 2017

Dear Mr. McLarty,

The above referenced Flood Policies will expire on December 31, 2017. We have attached a copy of your renewal notices/invoices from Hartford Ins. Co. of the Midwest. Included in the premium is our commission of 15% that compensates us for the placement and servicing of your insurance program.

**Please return a copy of the invoice along with your check to Hartford Fire Ins. Co. in accordance with the billing options provided in the renewal quotation.**

Once coverage is bound, you may only cancel coverage in accordance with the applicable rules and regulations of NFIP. Minimum premium varies based on the flood zone, pre or post firm eligibility and will include all non-refundable NFIP fees and surcharges.

Gallagher is responsible for the placement of the Scheduled Flood policies in this quote letter. It is understood that any other type of exposure/coverage is either self-insured or placed by another brokerage firm other than Gallagher. If you need help in placing other lines of coverage or covering other types of exposures, please contact your Gallagher representative.

Any entity not named in this proposal, may not be an insured entity. This may include partnerships and joint ventures.

We are not aware of any changes in your exposure to loss, nor are we aware of any changes in your business operations that would necessitate additional coverage options. Please notify us immediately if you are planning any new business operations.

Arthur J. Gallagher & Co.

| A Best's Financial Strength Rating opinion addresses the relative ability of an insurer to meet its ongoing insurance obligations. The ratings are not assigned to specific insurance policies or contracts and do not address any other risk, including, but not limited to, an insurer's claims-payment policies or procedures; the ability of the insurer to dispute or deny claims payment on grounds of misrepresentation or fraud; or any specific liability contractually borne by the policy or contract holder. A Best's Financial Strength Rating is not a recommendation to purchase, hold or terminate any insurance policy, contract or any other financial obligation issued by an insurer, nor does it address the suitability of any particular policy or contract for a specific purpose or purchaser, in arriving at a rating decision. A.M. Best relies on third-party audited financial data and/or other information provided to it. While this information is believed to be reliable, A.M. ### **Important Disclosures**

The quotation(s) attached are an outline of certain terms and conditions of the insurance proposed by the insurers, based on the information provided by your company. It does not include all the terms, coverages, exclusions, limitations and/or conditions of the actual policy contract language. The insurance policies themselves must be read for those details. Policy forms for your reference will be made available upon request.

We will not be operating in a fiduciary capacity, but only as your broker, obtaining a variety of coverage terms and conditions to protect the risks of your enterprise. We will seek to bind those coverages based upon your authorization; however, we can make no warranties in respect to policy limits or coverage considerations of the carrier. Actual coverage is determined by policy language, so read all policies carefully. Contact us with questions on these or any other issues of concern.

The information contained in this proposal is based on the historical loss experience and exposures provided to Arthur J. Gallagher Risk Management Services, Inc. This proposal is not an actuarial study. Should you wish to have this proposal reviewed by an independent actuary, we will be pleased to provide you with a listing of actuaries for your use.

### **Compensation Disclosure**

One of the core values highlighted in The Gallagher Way states, "We are an Open Society," and our open society extends to the compensation Gallagher receives. In general, Gallagher may be compensated as follows:

1. Gallagher Companies are primarily compensated from the usual and customary commissions or fees received from the brokerage and servicing of insurance policies, annuity contracts, guarantee contracts and surety bonds (collectively "insurance coverages") handled for a client's account, which may vary from company to company and insurance coverage to insurance coverage. As permitted by law, Gallagher companies occasionally receive both commissions and fees.
2. In placing, renewing, consulting on or servicing your insurance coverages, Gallagher Companies may participate in contingent and supplemental commission arrangements with intermediaries and insurance companies. Contingent commissions provide for additional contingent compensation if underwriting, profitability, volume or retention goals are achieved. Such goals are typically based on the total amount of certain insurance coverages placed by Gallagher with the insurance company and/or through the intermediary, not on an individual policy basis. Some insurance markets, including Gallagher-owned intermediaries, have modified their commission schedule with Gallagher, resulting in an increase in some commission rates. These additional commissions, commonly referred to as "supplemental commissions" are known as of the effective date, but some insurance companies are paying this commission later and apart from when commission is normally paid at policy issuance. As a result, Gallagher may be considered to have an incentive to place your insurance coverages with a particular insurance company. Note: Upon request, your Gallagher representative can provide more specific market information regarding contingent and supplemental commission related to your insurance coverage.
3. Gallagher Companies may also receive investment income on fiduciary funds temporarily held by them, such as premiums or return premiums.
4. Gallagher Companies may access other facilities, including wholesalers, reinsurance intermediaries, captive managers, underwriting managers and others that act as intermediaries for both Gallagher and other brokers in the insurance marketplace. Gallagher Companies may own some of these facilities, in whole or in part. If such a facility was utilized in the placement of a client's account, the facility may have earned and retained customary brokerage commission or fees for its work.

5. Gallagher assists its customers in procuring premium finance quotes and unless prohibited by law may earn compensation for this value added service.
6. From time to time, Gallagher may participate in insurance company promotional events or training and development that insurers provide for Gallagher employees.
7. Gallagher strives to find appropriate coverage at a competitive price for our customers. In order to achieve these goals, we gather and analyze data about our customers and their insurance coverage. This data and the resulting analytical tools help us better understand the current marketplace, more accurately predict future trends and offer tailored solutions to our customers. The data may also be provided to insurers pursuant to consulting service agreements from which we earn fees.
