**Re: 2016 Safe Route To School Application for the Avant Garde Academy of Broward
Sidewalk Project in Hollywood, Florida**

Dear Sir/Madam:

I am pleased to provide this letter of support for the City of Hollywood Department of Development Services' efforts to obtain funding for the Avant Garde Academy of Broward "Safe Routes To School" Sidewalk Project in Hollywood, Florida.

The goal of this infrastructure project is to substantially improve the ability of students to safely walk to school. New concrete sidewalks will be installed in areas adjacent to the school where they presently do not exist. It will improve the sidewalk network and sidewalk connectivity that presently exists.

If approved, this funding will not only benefit the students at Avant Garde Academy of Broward but also the community at large.

If I can be of further assistance in this matter, please contact me at your convenience.

Sincerely,

Steven J. Blinder, Ed.D.
Principal
