I would like to be considered for the student position on the City of Hollywood Parks, Rec & Cultural Arts Advisory Board. As a lifelong resident of Hollywood, I have visited many of the parks and participated in several of the programs the City has offered. I currently attend both the Hollywood Hills Civic Association and the Boulevard Heights Civic Association meetings and am interested in the administrative and political processes which make the city function.

I am a 7th grade student at Nativity Catholic School and have maintained first honors and principals honors during my middle school curriculum while being involved in volleyball, cross country, chess club, choir, and band. I also volunteer at several church events throughout the year. I am a Boy Scout working towards Eagle with troop 118 in Davie and I participate in the Florida Youth Orchestra where I play the violin.

My hobbies include indoor rock climbing, skiing, snorkeling, and flying rc airplanes. I am a very active member in my boy scout troop. I have participated in the student council at my school. This being said I have had exposure to representing people and things, this has given me a unique opportunity to give input that does not help me but my class, and I hope that this position will do the same on a larger scale.

I would like to share a perspective of the young community and what we would like to see in our parks.

Thank you for your kind consideration.
