; and

WHEREAS, on November 15, 2017, the City Commission passed and adopted Resolution No. 2017-334, which endorsed FDOT's delivery of the aforementioned projects that fall within the City jurisdictional right of way; and

WHEREAS, in order to complete this project, FDOT requires that the City execute the attached Highway Maintenance Memorandum of Agreement in order for FDOT to construct certain improvements, including those sidewalk and bicycle lane improvements set forth in Exhibit "A" of the agreement, and sets forth that the City will maintain the improvements upon completion; and

WHEREAS, FDOT also requires that the City establish a contingency account to pay for any project costs determined to be Federal Aid non-participating such as tree relocation and tree removal mitigation in an amount not to exceed \$350,000.00; and

WHEREAS, a portion of funding, \$140,000.00, has been provided via Resolution No. R-2020-236, which continued the appropriation for previously approved capital projects from FY 2020 to FY 2021, and is available in account number 334.149901.54100.563010.001270.000.000; and
