Subject: Spiractors Structural Repairs (Package No. 1) Water Treatment Plant Administration Building Structural Repairs (Package No. 2) Project, IFB No. IFB-209-24-JJ - Bid Evaluation

Dear Mr. Manalo,

We have reviewed the bid tabulation provided for the Spiractors Structural Repairs and the Administration Building Structural Repairs project. Only One (1) bid was received for the project and is listed below with total price.

Bidders Name	Total Bid
Razorback, LLC	\$1,972,460.00

The bid provided has been reviewed and is considered reasonable. The bid is slightly higher (<10%) than the Engineer's Opinion of Probable Construction Cost estimate. The limited participation from interested parties at the Mandatory Pre-Bid Meeting could be a reason on why the higher cost.

The three listed references were contacted, and past experience and the result was deemed favorable.

It is our recommendation that Razorback, LLC be awarded the contract for the bid amount of \$1,972,460.00.

Please feel free to contact us with any questions or concerns.

Sincerely,

Arcadis U.S., Inc.

Jose Custodio, PE
Principal Water Engineer
