

City of Hollywood Police Department,

The Gary Sinise Foundation is a military and first responder support nonprofit. It is our mission to serve our nation by honoring our defenders, veterans, first responders, their families, and those in need. We do this by creating and supporting unique programs designed to entertain, educate, inspire, strengthen, and build communities.

Through our First Responder Outreach program we provide critical funding for emergency relief, training, and essential equipment to ensure these heroes perform to the best of their abilities. We are proud to provide the City of Hollywood Police Department with forty Chinhook Medical Lifepack Advanced kits totaling \$21,837.60.

On behalf of Gary and all the American donors who support the Gary Sinise Foundation, we are forever grateful for your service to your community and hope this equipment makes your job easier and safer.

Sincerely,

The Gary Sinise Foundation
