Architect's Project #23056

Dear Tasheema:

In accordance with the City's Outreach Ordinance, this letter serves to confirm the summary of the Community Outreach relating to the above referenced matter.

One October 6, 2023, we sent notice to all properties Owners and Civic Associations within 500 feet from each property line of the subject Property informing them of a virtual public meeting to be held on October 26, 2023, at 6:00 PM. The Virtual Notice included information about this Project's location.

The Virtual meeting held on October 26, 2023, was attended by Christine Corbo, Patricia Antrican, Don Sarley, Helen Chervin, Martha Aroca and three people that called in via phone. Kaller Architecture presented the Project in a Power Point Presentation and following the Presentation had a time of questions and answers.

The neighbors in the Community had a few general questions that were addressed and asked about a bidirectional bike lane. However, overall loved the Project.

Please do not hesitate to contact me if you have any questions or comments.

Very Truly Yours,
Kaller Architecture

Joseph B. Kaller, AIA, LEED AP BD+C
President
