Piggyback/Cooperative Contract Summary

Piggyback/Cooperative Contract Number and Title:	NASPO Contract #MA176-1
Awarding Agency:	State of Utah
Services/Supplies to be provided:	T-Mobile cellular minutes, data plan services, products, and other related equipment.
Why are the Services/Supplies being obtained via a piggyback or cooperative contract (as opposed to issuing a solicitation or obtaining quotes):	The savings that this contract provides is advantageous to the City, as opposed to purchasing at retail price. Since these products were already solicited by the State of Utah, the City also saves time, cost, and resources, if a solicitation were to be posted.

Procurement Code, Section 38.41(C)(5) AND 38.47:

§ 38.41(C)(5) Piggyback purchases. The CPO (Chief Procurement Officer) may procure, without following formal solicitation procedures, all goods, supplies, materials, equipment, and services that are the subject of contracts with the state, its political subdivisions, the United States government, other governmental entities, or a corporation not for profit whose members are governmental entities, public officers, or any combination thereof ("piggyback"), provided that the goods, supplies, materials, equipment, or services are the subject of a price schedule negotiated by the entities listed above and is based strictly on competitive bids, quotations, or competitive proposals and not on any preference. Utilization of other governmental entities' contracts shall be permitted only during the term of the other governmental entity's contract.

§ 38.47 Cooperative Purchasing. The CPO shall have the authority to join with other governmental entities in cooperative purchasing plans when the best interest of the City is served.
