The variance is due to the number of cities that are participating in the ILA. With 83% of our municipalities participating, Hollywood's pro rata share, based upon population is \$188,646.09. I believe the \$157,339.98 approved by your Commission was based on 100% participation by all Broward Municipalities.

Hope this is helpful to you.

Hi Mary Lou:

I am working on making a resolution so we can pay the outstanding balance of \$31,306.11.

Can you please provide me with a written explanation on why the additional \$31,306.11 is needed. My director Mr. Joseph S. Kroll explained it to me, but I will need something in writing, on top of the invoice, explaining why this outstanding balance has come to be.

Thank you so much,  
Robert Delorimiere
