Re: Broward County Local Hazard Mitigation Plan Approved Pending Adoption

Dear Director Jackson,

This is to confirm that we have completed a State review of the Broward County Local Mitigation Strategy (LMS) update for compliance with the federal hazard mitigation planning standards contained in 44 CFR 201.6(b)-(d). Based on our review and comments, Broward County developed and submitted all the necessary plan revisions and our staff has reviewed and approved these revisions. We have determined that the Broward County LMS plan is compliant with federal standards, subject to formal community adoption, for the jurisdictions below:

Broward County, Unincorporated	Memorial Hospital System
City of Coconut Creek	City of Miramar
City of Cooper City	City of North Lauderdale
City of Coral Springs	City of Oakland Park
Coral Springs Improvement District	City of Parkland
City of Dania Beach	Town of Pembroke Park
Town of Davie	City of Pembroke Pines
City of Deerfield Beach	City of Plantation
City of Fort Lauderdale	City of Pompano Beach
City of Hallandale Beach	Village of Sea Ranch Lakes
Town of Hillsboro Beach	South Broward Drainage District
City of Hollywood	Town of Southwest Ranches
Town of Lauderdale by the Sea	City of Sunrise
City of Lauderdale Lakes	City of Tamarac
City of Lauderhill	City of West Park
Village of Lazy Lake	City of Weston
City of Lighthouse Point	City of Wilton Manors
City of Margate	

Upon submittal of a copy of all participating jurisdictions' documentation of their adoption resolutions to our office, we will send all necessary documentation to the Federal Emergency Management Agency (FEMA) who will issue formal approval of the Broward County LMS.
