RE: Project #13-7068 Gravity Sewer System Condition Assessment and
Renewal and Replacement (Inflow / Infiltration – I/I) Program (Level 2), Bid
Tabulation Error

DATE: December 16, 2013

Mr. Mortel,

After review the bid tab for items A1 through A65 of project 13-7068, I made an addition error with the allowance account, only applying \$100,000 instead of \$200,000. Our bid should total \$568,955.00.

Everything else remains correct.

Thank you,
