Section VII

GENERAL TERM AND CONDITIONS

GENERAL TERMS AND CONDITIONS

1.1 Intent

It is the policy of the City to encourage full and open competition among all available qualified vendors. All vendors regularly engaged in the type of Work specified in the Bid Solicitation are encouraged to submit bids. To receive notification and to be eligible to bid, vendor should be registered with OpenGov. Vendors may register with OpenGov (registration is free) to be included on a mailing list for selected categories of goods and Services. In order to be processed for payment, any awarded vendor must register with the City by completing and returning a Vendor Application and all supporting documents. For information and to apply as a vendor, please visit our website at hollywoodfl.org to download an application and submit it to the Procurement Services Division.

It is the intent of the City of Hollywood, FL ("City"), through this request for proposals and the contract conditions contained herein, to establish to the greatest possible extent complete clarity regarding the requirements of both parties to the agreement resulting from this request for proposals.

Before submitting a proposal, the vendor shall be thoroughly familiarized with all contract conditions referred to in this document and any addenda issued before the proposal submission date. Such addenda shall form a part of the RFQ and shall be made a part of the contract. It shall be the vendor's responsibility to ascertain that the proposal includes all addenda issued prior to the proposal submission date. Addenda will be posted on the City's internet site along with the RFQ.

The terms of the RFQ and the selected vendor's proposal and any additional documentation (e.g., questions and answers) provided by the vendor during the solicitation process will be integrated into the final contract for services entered into between the City and the selected vendor. The vendor shall determine, by personal examination and by such other means as may be preferred, the conditions and requirements under which the agreement must be performed.

1.2 Proposer's Responsibilities

Proposers are required to submit their proposals upon the following express conditions:

- A. Proposers shall thoroughly examine the drawings, specifications, schedules, instructions and all other contract documents.
- B. Proposers shall make all investigations necessary to thoroughly inform themselves regarding delivery of material, equipment or services as required by the RFQ conditions. No plea of ignorance by the proposer of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the proposer to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the contract documents, will be accepted as a basis for varying the requirements of the City or the compensation due the proposer.
- C. Proposers are advised that all City contracts are subject to all legal requirements provided for in the City of Hollywood Charter, Code of Ordinances and applicable county ordinances, state statutes and federal statutes, rules and regulations.

1.3 Preparation of Proposals

Proposals will be prepared in accordance with the following:

- A. The City's enclosed Proposal Forms, in their entirety, are to be used in submitting your proposal. NO OTHER FORM WILL BE ACCEPTED.
- B. All information required by the proposal form shall be furnished. The proposer shall sign each continuation sheet (where indicated) on which an entry is made.
- C. Prices shall be shown and where there is an error in extension of prices, the unit price shall govern.

The City of Hollywood is exempt from payment to its vendors of State of Florida sales tax and, therefore, such taxes should not be figured into the RFQ. However, this exemption does not apply to suppliers to the City in their (supplier) purchases of goods or services used or incorporated in work or goods supplied to the City. Proposers are responsible for any taxes, sales or otherwise, levied on their purchases, subcontracts, employment, etc. An exemption certificate will be signed where applicable, upon request. The City will pay no sales tax.

1.4 Description of Supplies

Any manufacturer's names, trade names, brand names, or catalog numbers used in these applications are for the purpose of describing and establishing minimum requirements or level of quality, standards of performance, and design required, and are in no way intended to prohibit the bidding of other manufacturers' items of equal material, unless specifications state "NO SUBSTITUTIONS."

Proposers must indicate any variances to the specifications, terms, and conditions, no matter how slight. If variations are not stated in the proposal, it shall be construed that the proposal fully complies with the Specifications, Terms and Conditions.

Proposers are required to state exactly what they intend to furnish; otherwise, they shall be required to furnish the items as specified.

Proposers will submit, with their proposal, necessary data (factory information sheets, specifications, brochures, etc.) to evaluate and determine the quality of the item(s) they are proposing.

The City shall be the sole judge of quality and its decision shall be final.

1.5 Addenda

The Procurement Services Division may issue an addendum in response to any inquiry received, prior to proposal/response opening, which changes, adds to or clarifies the terms, provisions or requirements of the solicitation. The proposer should not rely on any representation, statement or explanation, whether written or verbal, other than those made in this RFQ solicitation document or in any addenda issued. Where there appears to be a conflict between this RFQ solicitation and any addendum, the last addendum issued shall prevail. It is the proposer's responsibility to ensure receipt of all addenda and any accompanying documents. Proposer(s) shall acknowledge receipt of any formal Addenda by signing the addendum and including it with their proposal. Failure to include signed formal addenda in its proposal shall cause the City to deem the proposal non-responsive, provided however that the City may waive this requirement in its best interest.

1.6 Rejection of Proposals

The City may reject a proposal if:

- A. The Proposer fails to acknowledge receipt of an addendum, or if
- B. The Proposer misstates or conceals any material fact in the proposal, or if
- C. The proposal does not strictly conform to the law or requirements of the RFQ, or if
- D. The City is under a pre- lawsuit claim or current litigation with the proposer.

The City may reject all Proposals whenever it is deemed in the best interest of the City to do so, and may reject any part of a proposal unless the proposal has been qualified as provided herein.

1.7 Withdrawal OF Proposals

- A. Proposals may not be withdrawn and shall be deemed enforceable for a period of 180 days after the time set for the RFQ response opening.
- B. Proposals may be withdrawn prior to the time set for the RFQ response opening. Such request must be in writing.
- C. The City will permanently retain as liquidated damages the bid deposit furnished by any proposer who requests to withdraw a proposal after the RFQ response opening.

1.8 Proposals To Remain Open

All proposals shall remain open for 180 calendar days after the day of the proposal/response opening, but the City may, in its sole discretion, release any proposal and return the Proposal Security prior to that date. Extensions of time when proposals shall remain open beyond the 180 day period may be made only by mutual written agreement between the City, the successful proposer and the surety, if any, for the successful proposer.

1.9 Late Proposals or Modifications

Only proposals received as of the opening date and time will be considered timely. Proposals and modifications received after the time set for the opening will be returned, un-opened, to the sender and rejected as late.

1.10 Conflicts Within the Solicitation

Where there appears to be a conflict between the General Terms and Conditions, Special Conditions, the Technical Specifications, the RFQ Submittal Section, or any addendum issued, the order of precedence shall be the last addendum issued, the RFQ Submittal Section, the Technical Specifications, the Special Conditions, and then the General Terms and Conditions.

1.11 Clarification or Objection to Proposal Specifications

If any person contemplating submitting a proposal for this contract is in doubt as to the true meaning of the specifications or other RFQ documents or any part thereof, they may submit requests for clarification to the Procurement Services Division on or before the date specified for a request for clarification. All such requests for clarification shall be made in writing, and the person submitting the request will be responsible for its prompt delivery. Any interpretation of the RFQ, if made, will be made only by Addendum duly issued. A copy of such Addendum will be made available to each person receiving a Request for Proposals. The City will not be responsible for any other explanation or interpretation of the RFQ given prior to the award of the contract. Any objection to the specifications and requirements as set forth in this RFQ must be filed in writing with the Director of Procurement Services on or before the date specified for a request for clarification.

1.12 Competency of Proposers

Pre-award inspection of the proposer's facility may be made prior to the award of a contract. Proposals will be considered only from firms that are regularly engaged in the business of providing the goods and/or services as described in this RFQ(s); have a record of performance for a reasonable period of time; and have sufficient financial support, equipment and organization to ensure that they can satisfactorily deliver the material and/or services if awarded a Contract under the terms and conditions herein stated. The terms "equipment and organization" as used herein shall be construed to mean a fully equipped and well established company in line with the best business practices in the industry and as determined by the proper authorities of the City.

The City may consider any evidence available to it of the financial, technical and other qualifications and abilities of a proposer, including past performance (experience) in making the award in the best interest of the City. In all cases, the City shall have no liability to any proposer for any costs or expenses incurred in connection with this RFQ or otherwise.

1.13 Qualifications of Proposers

No proposal will be accepted from, nor will any contract be awarded to any person who is in arrears to the City upon any debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City, or who is deemed irresponsible or unreliable by the City.

As part of the proposal evaluation process, the City may conduct a background investigation including a record check by the Hollywood Police Department. Proposer's submission of a proposal constitutes acknowledgment of the process and consent to such investigation. City shall be the sole judge in determining a proposer's qualifications.

1.14 Award of Contract

If the contract is to be awarded, it will be awarded, after evaluation by the City, to the responsible and responsive proposer whom the City determines will be in the best interest of the City and not necessarily to the lowest cost proposer. Proposers may be invited to an oral interview before the committee. A short list of finalists will be determined and presented to either the City Manager or his/her designee or to the City Commission, in accordance with the applicable City of Hollywood Code of Ordinances, and will make the final ranking for the purposes of negotiating a contract with the top ranked firm. The successful proposer shall be required to sign a negotiated contract; the refusal or failure of a successful proposer to execute a contract which contains the mandatory material terms and conditions contained in the RFQ shall be grounds for deeming the proposer and/or the proposer's proposal non-responsive.

If applicable, the proposer to whom award is made shall execute a written contract prior to award by the City Commission. If the proposer to whom the first award is made fails to enter into a contract, the contract may be let to the next highest ranked proposer who is responsible and responsive in the opinion of the City.

1.15 Basis for Award, Evaluation Criteria and Questions

The qualification of proposal responders on this project will be considered in making the award. The City is not obligated to accept any proposal if deemed not in the best interest of the City to do so. The City shall make award to a qualified proposer based on fees submitted and responses to this RFQ.

Failure to include in the proposal all requested information may be cause for rejection of the proposal.

The City reserves the right to accept or reject any and all proposals, in whole or in part, as determined to be in the best interest of the City **in its sole discretion**.

The City reserves the right to waive any informalities or irregularities in proposals.

The City reserves the right to negotiate separately the terms and conditions or all or any part of the proposals as deemed to be in the City's best interest **in its sole discretion**.

Information and/or factors gathered during interviews, negotiations and any reference checks, and any other information or factors deemed relevant by the City, shall be utilized in the final award. The final award of a contract is subject to approval by the City Commission.

1.16 Agreement

An agreement shall be sent to the awarded proposer to be signed, witnessed, and returned to the City for execution. The City will provide a copy of the fully executed agreement to the awarded proposer.

1.17 Notice to Proceed

A signed purchase order, blanket purchase order or fully executed agreement will be the proposer's authorization to proceed and may substitute for a "Notice to Proceed" form.

1.18 Bid Protests

The City shall provide notice of its intent to award or reject to all proposers by posting such notice on the City's website.

After a notice of intent to award a contract is posted, any actual or prospective proposer who is aggrieved in connection with the pending award of the contract or any element of the process leading to the award of the contract may protest to the Director of Procurement Services. A protest must be filed within five business days after posting or any right to protest is forfeited. The protest must be in writing, must identify the name and address of the protester, and must include a factual summary of, and the basis for, the protest. Filing shall be considered complete when the protest, including a deposit, is received by the Procurement Services Division. Failure to timely file a protest shall constitute a full waiver of all rights to protest the City's decision regarding the award.

The written protest shall state in detail the specific facts and law or ordinance upon which the protest of the proposed award is based, and shall include all pertinent documents.

A written protest may not challenge the relative weight of evaluation criteria or a formula for assigning points.

Upon receipt of a formal written protest, the City shall stop award proceedings until resolution of the protest, unless it has been determined that the award of the contract without delay is necessary to protect substantial interests of the City.

Any and all costs incurred by a protesting party in connection with a bid protest shall be the sole responsibility of the protesting party.

Upon receipt of a protest of the pending award of a contract, a copy of the protest shall promptly be forwarded to the City Attorney. The City Attorney shall review the charge to determine its sufficiency, including whether the protest was timely filed. If upon review the City Attorney determines that the charge is insufficient, the City Attorney may issue a summary dismissal of the protest. If upon review the City Attorney determines that the charge is sufficient, a hearing of the protest committee shall be scheduled.

A protest committee shall have the authority to review, settle and resolve the protest. The committee shall consist of three members appointed by the City Manager, and the City Attorney or designee shall advise the City. The committee's review shall be informal.

If the protest committee determines that the pending award of a contract or any element of the process leading to the award involved a significant violation of law or applicable rule or regulation, all steps necessary and proper to correct the violation shall be taken. If the committee determines that the protest is without merit, the Director shall promptly issue a decision in writing stating the reason for the decision and furnish a copy to the protester and any other interested party, and the process leading to the award shall proceed.

1.19 Preparation of Proposals

Proposals shall be prepared in accordance with the proposal response format. Proposals not complying with this format may be considered non-responsive and may be removed from consideration on this basis.

Requirements for Signing Proposal:

- A. Each proposer, by making a proposal, represents that this document has been read and is fully understood.
- B. The proposal must be signed in ink by an individual authorized to legally bind the person, partnership, company, or corporation submitting the proposal.
- C. All manual signatures must have the name typed directly under the line of the signature.
- D. The above requirements apply to all RFQ addenda.

1.20 Examination of Proposal Documents

Before submitting a proposal, each proposer must: examine the Proposal Documents thoroughly; consider federal, state and local laws, ordinances, rules and regulations that may in any manner affect cost, progress, performance, or provision of the commodities and/or services; study and carefully correlate proposer's observations with the Proposal Documents, and notify the City's agent of all conflicts, errors and discrepancies in the Proposal Documents.

The submission of a proposal will constitute an incontrovertible representation by the proposer that the proposer has complied with every requirement of this RFQ, that without exception, the proposal is premised upon performing the services and/or furnishing the commodities and materials in accordance with such means, methods, techniques, sequences or procedures as may be indicated in or required by the Proposal Documents, and that the Proposal Documents are sufficient in scope and detail to indicate and convey understanding of all terms and conditions of performance and furnishing of the goods and/or services.

1.21 Public Records Law

If applicable, for each public agency contract for services, the Proposer is required to comply with F.S. 119.0701, which includes the following:

- A. Keep and maintain public records that ordinarily and necessarily would be required by the public agency in order to perform the service.
- B. Provide the public with access to public records on the same terms and conditions that the public agency would provide the records and at a cost that does not exceed the cost provided in F.S. Chapter 119 or as otherwise provided by law.
- C. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.
- D. Meet all requirements for retaining public records and transfer, at no cost to the public agency, all public records in possession of the proposer upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the public agency in a format that is compatible with the information technology systems of the public agency.

Public records may be inspected and examined by anyone desiring to do so, at a reasonable time, under reasonable conditions, and under supervision by the custodian of the public record. Sealed proposals become subject to the public records disclosure requirements of F.S. Chapter 119, notwithstanding a proposer's request to the contrary, at the time the City provides notice of a decision or intended decision, or 30 days after the proposal/response opening, whichever is earlier.

Financial statements submitted in response to a request by the City may be confidential and exempt from disclosure. Data processing software obtained under a licensing agreement which prohibits its disclosure may also be exempt.

Proposers are notified and agree that all information submitted as part of, or in support of RFQ submittals will be available for public inspection after opening of RFQ in compliance with Chapter 119 of the Florida Statutes. The proposer shall not, unless required as part of this RFQ, submit any information in response to this invitation which the proposer considers to be a trade secret, proprietary or confidential. The submission,

not required as part of this this RFQ, of any information to the City in connection with this invitation shall be deemed conclusively to be a waiver of any trade secret or other protection that would otherwise be available to the proposer.

1.22 Information

Questions or requests for clarification of the specifications shall be submitted through OpenGov and received by the Procurement Services Division by the date specified for a request for clarification.

Further information, if desired, may be obtained from the Procurement Services Division, 2600 Hollywood Boulevard, Room 303, Hollywood, Florida 33020, telephone (954) 921-3223.

1.23 Proposals

The proposal must be signed by one duly authorized to do so and in cases where the proposal is signed by a deputy or subordinate, the principal's proper written grant of authority to such deputy or subordinate must accompany the proposal.

Proposals by corporations must be executed in the corporate name by the President or other corporate officers accompanied by evidence of authority to sign. The corporate address and state of incorporation must be shown below the signature.

Proposals by partnerships must be executed in the partnership name and signed by a general partner whose title must appear under the signature and the official address of the partnership must be shown below the signature.

1.24 Modification and Withdrawal of Proposals

Proposals must be modified or withdrawn by an appropriate document duly executed in the manner that a proposal must be executed and delivered to the place where proposals are to be submitted at any time prior to the deadline for submitting proposals. A request for withdrawal or a modification must be in writing and signed by a person duly authorized to do so and, in a case where signed by a deputy or subordinate, the principal's proper written grant of authority to such deputy or subordinate must accompany the request for withdrawal or modification. Withdrawal of a proposal will not prejudice the rights of a proposer to submit a new proposal prior to the proposal date and time. Except where provided in the following paragraph, no proposal may be withdrawn or modified after expiration of the period for receiving proposals.

If, within 24 hours after proposals are opened, any proposer files a duly signed written notice with the City and within five calendar days thereafter demonstrates to the reasonable satisfaction of the City by clear and convincing evidence that there was a material and substantial mistake in the preparation of its proposal, or that the mistake is clearly evident on the face of the proposal but the intended correct proposal is not similarly evident, then the proposer may withdraw its proposal and the Proposal Security will be returned.

1.25 Rejection Of Proposals

To the extent permitted by applicable state and federal laws and regulations, the City reserves the right to reject any and all proposals, to waive any and all informalities, irregularities and technicalities not involving price, time or changes in the commodities and/or services, and the right to disregard all nonconforming, non-responsive, unbalanced or conditional proposals. Proposals will be considered irregular and may be rejected if they show serious omissions, alterations in form, additions not called for, conditions or unauthorized alterations or irregularities of any kind.

The City also reserves the right to waive minor technical defects in a proposal. The City reserves the right to determine, in its sole discretion, whether any aspect of a proposal satisfies the criteria established in this Request for Proposals.

The City reserves the right to reject the proposal of any proposer if the City believes that it would not be in the best interest of the City to make an award to that proposer, whether because the proposal is not responsive or the proposer is unqualified or of doubtful financial ability or fails to meet any other pertinent standard or criterion established by the City.

The foregoing reasons for rejection of proposals are illustrative only and are not intended to be exhaustive.

ORDERING: The CITY reserves the right to purchase commodities/services specified herein through contracts established by other governmental agencies or through separate procurement actions due to unique or special needs. If an urgent delivery is required within a period shorter than the delivery time specified in the contract, and if the seller is unable to comply therewith, the City reserves the right to obtain such delivery from others without penalty or prejudice to the City or to the proposer.

1.26 Audit Rights

The City of Hollywood, state and federal entities reserve the right to audit the records of the successful proposer for the commodities and/or services provided under the contract at any time during the performance and term of the contract and for a period of five years after completion and acceptance by the City. If required by the City, the successful proposer agrees to submit to an audit by an independent certified public accountant selected by the City. The successful proposer shall allow the City to inspect, examine and review the records of the successful proposer in relation to this contract at any and all times during normal business hours during the term of the contract.

The Recipient shall maintain an accounting system or separate accounts to ensure funds and projects are tracked separately. Records of costs incurred under the terms of this Agreement shall be maintained and made available upon request to the Department at all times during the period of this Agreement and for five years after final payment is made. Copies of these documents and records shall be furnished to the Department upon request. Records of costs incurred include the Recipient's general accounting records and the project records, together with supporting documents and records, of the contractor and all subcontractors performing work on the project, and all other records of the Contractor and subcontractors considered necessary by the Department for a proper audit of costs. All documents related to this project must be retained for a minimum of 5 years after final payment is issued.

- B. - C. The Immigration and Nationality Act prohibits (i) the employment of an unauthorized alien when the employer knows the individual is an unauthorized alien and (ii) the employment of an individual without complying with the requirements of the federal employment verification system. If a proposer commits either of these violations, such violation shall be cause for unilateral cancellation of the contract.
- D. This Section applies only to any contract for goods or services of \$1 million or more: The proposer certifies that it is not on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List and that it does not have business operations in Cuba or Syria as provided in Section 287.135, Florida Statutes (2019), as may be amended or revised. 1.28 Fraud and Misrepresentation

Any individual, corporation or other entity that attempts to meet its contractual obligations with the City through fraud, misrepresentation or material misstatement may be debarred from doing business with the City. As an additional sanction, the City may terminate or cancel any other contracts with such individual, corporation or entity. Such individual or entity shall be responsible for all direct or indirect costs associated with termination or cancellation, including attorney's fees.

1.29 Debarred or Suspended Bidders or Proposers

The proposer certifies, by submission of a response to this solicitation, that neither it nor its principals and subproposers are presently debarred or suspended by any federal department or state agency.

This project is federally funded with assistance from the Florida Department of Transportation and the Federal Highway Administration. By submitting a Letter of Response (or Statement of Qualifications), the consultant certifies that no principal (which includes officers, directors, or executives) is presently suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation on this transaction by any Federal Department or state Agency.

1.30 Collusion

More than one proposal received for the same work from an individual, firm, partnership, corporation or association under the same or different names will not be considered. Reasonable grounds for believing that any proposer is interested in more than one proposal for the same work will cause the rejection of such proposals in which the proposer is interested. If there are reasonable grounds for believing that collusion exists among the proposers, the proposals of participants in such collusion will not be considered.

1.31 Copeland "Anti-Kickback"

The proposer and all subproposers will comply with the Copeland Anti-Kickback Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR Part 3).

1.32 Force Majeure

The Agreement that is awarded to the successful proposer may provide that the performance of any act by the City or proposer may be delayed or suspended at any time while, but only so long as, either party is hindered in or prevented from performance by acts of God, the elements, war, rebellion, strikes, lockouts or any cause beyond the reasonable control of such party, provided however that the City shall have the right to provide substitute service from third parties or City forces and in such event the City shall withhold payment due the proposer for such period of time. If the condition of force majeure exceeds a period of 14 days, the City may, at its option and discretion, cancel or renegotiate this Agreement.

1.33 Public Entity Crimes

A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a proposer, supplier, subproposer, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Florida Statutes, Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

1.34 Solicitation, Giving, and Acceptance Of Gifts Policy

Proposers by signing and submitting a proposal, understand and agree to compliance with the City's and state's policies prohibiting solicitation and acceptance of gifts by public officers, employees and candidates. Failure to agree by reference or inference will result in your proposal being declared non-responsive; provided, however, that a responsible proposer whose proposal would be responsive but for the failure to submit the signed form in its proposal may be given the opportunity to submit the form to the City within five calendar days after notification by the City, if this is determined to be in the best interest of the City.

1.35 Conflict of Interest

The proposer represents that:

No officer, director, employee, agent, or other consultant of the City or a member of the immediate family or household of the aforesaid has directly or indirectly received or been promised any form of benefit, payment or compensation, whether tangible or intangible, in connection with the grant of this Agreement.

There are no undisclosed persons or entities interested with the proposer in this Agreement. This Agreement is entered into by the proposer without any connection with any other entity or person making a proposal for the same purpose, and without collusion, fraud or conflict of interest. No elected or appointed officer or official, director, employee, agent or other consultant of the City, or of the State of Florida (including elected and appointed members of the legislative and executive branches of government), or member of the immediate family or household of any of the aforesaid:

1. Is interested on behalf of or through the proposer directly or indirectly in any manner whatsoever in the execution or the performance of this Agreement, or in the services, supplies or work to which this Agreement relates or in any portion of the revenues; or
2. Is an employee, agent, advisor, or consultant to the proposer or to the best of the proposer's knowledge, any subproposer or supplier to the proposer.

Neither the proposer nor any officer, director, employee, agent, parent, subsidiary, or affiliate of the proposer shall have an interest that is in conflict with the proposer's faithful performance of its obligations under this Agreement, provided that the City, in its sole discretion, may consent in writing to such a relationship, and provided the proposer provides the City with a written notice, in advance, which identifies all the individuals and entities involved and sets forth in detail the nature of the relationship and why it is in the City's best interest to consent to such relationship.

The provisions of this Article are supplemental to, not in lieu of, all applicable laws with respect to conflict of interest. In the event there is a difference between the standards applicable under this Agreement and those provided by statute, the stricter standard shall apply.

In the event the proposer has no prior knowledge of a conflict of interest as set forth above and acquires information which may indicate that there may be an actual or apparent violation of any of the above, the proposer shall promptly bring such information to the attention of the City's Project Manager. The proposer shall thereafter cooperate with the City's review and investigation of such information, and comply with the instructions the proposer receives from the Project Manager in regard to remedying the situation.

1.36 Discrimination

Any entity or affiliate who has been placed on the discriminatory vendor list may not submit a proposal on a contract to provide goods or services to a public entity, may not submit a proposal on a contract with a public entity for construction or repair of a public building or public work, may not submit proposals on leases of real property to a public entity, may not award or perform work as a proposer, supplier, subproposer, or consultant under contract with any public entity, and may not transact business with any public entity.

1.37 Advice of Omission or Misstatement

In the event it is evident to a proposer responding to this RFQ that the City has omitted or misstated a material requirement to this RFQ and/or the services required by this RFQ, the responding proposer shall submit it via OpenGov .

1.38 Confidential Information

Information contained in the proposers' proposal that is company confidential must be clearly identified in the proposal itself. The City will be free to use all information in the proposer's proposal for the City's purposes, in accordance with state law. Proposals shall remain confidential for 30 days or until a notice of intent to award is posted, which is sooner. The proposer understands that any material supplied to the City may be subject to public disclosure under the Public Records Law.

1.39 Governing Law

This contract, including appendices, and all matters relating to this contract (whether in contract, statute, tort (such as negligence), or otherwise) shall be governed by and construed in accordance with the laws of the State of Florida. This shall apply notwithstanding such factors that include but are not limited to the place where the contract is entered into, the place where the accident occurs and notwithstanding application of conflicts of law principles.

1.40 Litigation Venue

The parties waive the privilege of venue and agree that all litigation between them in the state courts shall take place in Broward County, Florida, and that all litigation between them in the federal courts shall take place in the Southern District of Florida.

1.41 Sovereign Immunity

Nothing in this agreement shall be interpreted or construed to mean that the City waives its common law sovereign immunity or the limits of liability set forth in Section 768.28, Florida Statute.

1.42 Survival

The parties acknowledge that any of the obligations in this Agreement will survive the term, termination and cancellation hereof. Accordingly, the respective obligations of the proposer and the City under this Agreement, which by nature would continue beyond the termination, cancellation or expiration thereof, shall survive termination, cancellation or expiration hereof.

1.43 Indemnification and Hold Harmless Agreement

The proposer shall indemnify and hold harmless the City and its officers, employees, agents and instrumentalities from any and all liability, losses or damages. In addition, the City shall be entitled to attorney's fees and costs of defense that the City or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this project by the awarded proposer or its employees, agents, servants, partners, principals, subproposers or subcontractors. Furthermore, the awarded proposer shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind of nature in the name of the City of Hollywood, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon. The awarded proposer expressly understands and agrees that any insurance protection and

endorsements required by the resulting agreement or otherwise provided by the awarded proposer shall cover the City of Hollywood, its officers, employees, agents and instrumentalities and shall include claims for damages resulting from and/or caused by the negligence, recklessness or intentional wrongful misconduct of the proposer and persons employed by or utilized by the proposer in the performance of the contract.

To the extent provided by law, CONSULTANT shall indemnify, defend, and hold harmless the CITY and the State of Florida, Department of Transportation, including the Department's officers, agents, and employees, against any actions, claims, or damages arising out of, relating to, or resulting from negligent or wrongful act(s) of CONSULTANT, or any of its officers, agents, or employees, acting within the scope of their office or employment, in connection with the rights granted to or exercised by CONSULTANT hereunder, to the extent and within the limitations of Section 768.28, Florida Statutes.

The foregoing indemnification shall not constitute a waiver of sovereign immunity beyond the limits set forth in Florida Statutes, Section 768.28. Nor shall the same be construed to constitute agreement by CONSULTANT to indemnify CITY for the negligent acts or omissions of CITY, its officers, agents, or employees, or third parties. Nor shall the same be construed to constitute agreement by CONSULTANT to indemnify the Department for the negligent acts or omissions of the Department, its officers, agents, or employees, or third parties. This indemnification shall survive the termination of this Agreement."

1.44 Patent and Copyright Indemnification

The proposer warrants that all deliverables furnished hereunder, including but not limited to: services, equipment programs, documentation, software, analyses, applications, methods, ways, processes, and the like, do not infringe upon or violate any patent, copyrights, service marks, trade secret, or any other third party proprietary rights.

The proposer shall be liable and responsible for any and all claims made against the City for infringement of patents, copyrights, service marks, trade secrets or any other third party proprietary rights, by the use or supplying of any programs, documentation, software, analyses, applications, methods, ways, processes, and the like, in the course of performance or completion of, or in any way connected with, the work or the City's continued use of the deliverables furnished hereunder. Accordingly, the proposer, at its own expense, including the payment of attorney's fees, shall indemnify and hold harmless the City and defend any action brought against the City with respect to any claim, demand, and cause of action, debt, or liability.

In the event any deliverable or anything provided to the City hereunder, or a portion thereof, is held to constitute an infringement and its use is or may be enjoined, the proposer shall have the obligation, at the City's option, to (i) modify, or require that the applicable subproposer or supplier modify the alleged infringing item(s) at the proposer's expense, without impairing in any respect the functionality or performance of the item(s), or (ii) procure for the City, at the proposer's expense, the rights provided under this Agreement to use the item(s).

The proposer shall be solely responsible for determining and informing the City whether a prospective supplier or subproposer is a party to any litigation involving patent or copyright infringement, service mark, trademark, violation, or proprietary rights claims or is subject to any injunction which may prohibit it from providing any deliverable hereunder. The proposer shall enter into agreements with all suppliers and subproposers at the proposer's own risk. The City may reject any deliverable that it believes to be the subject of any such litigation or injunction, or if, in the City's judgment, use thereof would delay the work or be unlawful.

The proposer shall not infringe any copyright, trademark, service mark, trade secrets, patent rights, or other intellectual property rights in the performance of the work.

1.45 Advertising

Proposer shall not advertise or publish the fact that the City has placed this order without prior written consent from the City, except as may be necessary to comply with a proper request for information from an authorized representative of a governmental unit or agency.

1.46 Disclaimer

The City may, in its sole discretion, accept or reject, in whole or in part, for any reason whatsoever any or all proposals; re-advertise this RFQ, postpone or cancel at any time this RFQ process; or waive any formalities of or irregularities in the proposal process. Proposals that are not submitted on time and/or do not conform to the City's requirements will not be considered. After all proposals are analyzed, organization(s) submitting proposal(s) that appear, solely in the opinion of the City to be the most competitive, shall be submitted to the City of Hollywood's City Commission, and the final selection will be made shortly thereafter with a timetable set solely by the City. The selection by the City shall be based on the proposal, which is, in the sole opinion of the City Commission of the City of Hollywood, in the best interest of the City. The issuance of this RFQ constitutes only an invitation to make a proposal to the City. The City reserves the right to determine, in its sole discretion, whether any aspect of the proposal satisfies the criteria established by the City. In all cases, the City shall have no liability to any proposer for any costs or expense incurred in connection with this proposal or otherwise.

1.47 Trademarks

The City warrants that all trademarks the City requests the proposer to affix to articles purchased are those owned by the City and it is understood that the proposer shall not acquire or claim any rights, title, or interest therein, or use any of such trademarks on any articles produced for itself or anyone other than the City.

1.48 Right TO Request Additional Information

The City reserves the right to request any additional information that might be deemed necessary during the evaluation process.

1.49 Proposal Preparation Costs

The proposer is responsible for any and all costs incurred by the proposer or his/her subproposers in responding to this Request for Proposals.

1.50 Additional Charges

No additional charges, other than those listed on the price breakdown sheets, shall be made. Prices quoted will include verification/coordination of order, all costs for shipping, delivery to all sites, unpacking, setup, installation, operation, testing, cleanup, training and proposer travel charges.

1.51 Rights to Pertinent Materials

All responses, inquires, and correspondence relating to this RFQ and all reports, charts, displays, schedules, exhibits and other documentation produced by the proposer that are submitted as part of the proposal shall become the property of the City upon receipt, a part of a public record upon opening, and will not be returned.

1.52 Insurance Requirements

Upon the City's notification, the proposer shall furnish to the Procurement Services Division Certificates of Insurance and required endorsements that indicate that insurance coverage has been obtained that satisfies the requirements outlined in section 2.14 of this RFQ.

1.53 Nature Of The Agreement

The Agreement incorporates and includes all negotiations, correspondence, conversations, agreements and understandings applicable to the matters contained in the Agreement. The parties agree that there are no commitments, agreements, or understandings concerning the subject matter of the Agreement that are not contained in the Agreement, and that the Agreement contains the entire agreement between the parties as to all matters contained herein. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written. It is further agreed that any oral representations or modifications concerning this Agreement shall be of no force or effect, and that the Agreement may be modified, altered or amended only by a written amendment duly executed by both parties or their authorized representatives.

The proposer shall provide the services set forth in the Scope of Services, and render full and prompt cooperation with the City in all aspects of the services performed hereunder.

The proposer acknowledges that the Agreement requires the performance of all things necessary for or incidental to the effective and complete performance of all work and services under this contract. All things not expressly mentioned in the Agreement but necessary to carrying out its intent are required by the Agreement, and the proposer shall perform the same as though they were specifically mentioned, described and delineated.

The proposer shall furnish all labor, materials, tools, supplies, and other items required to perform the work and services that are necessary for the completion of this contract. All work and services shall be accomplished at the direction of and to the satisfaction of the City's Project Manager.

The proposer acknowledges that the City shall be responsible for making all policy decisions regarding the Scope of Services. The proposer agrees to provide input on policy issues in the form of recommendations.

The proposer agrees to implement any and all changes in providing services as a result of a policy change implemented by the City. The Proposer agrees to act in an expeditious and fiscally sound manner in providing the City with input regarding the time and cost to implement such changes and in executing the activities required to implement such changes.

1.54 Authority of the City's Project Manager

The proposer acknowledges that the City's Project Manager will determine in the first instance all questions of any nature whatsoever arising out of, under, or in connection with, or in any way related to or on account of this Agreement, including without limitation: questions as to the value, acceptability and fitness of the services; questions as to either party's fulfillment of its obligations under the contract; negligence, fraud or misrepresentation before or subsequent to acceptance of the proposal; questions as to the interpretation of the Scope of Services; and claims for damages, compensation and losses.

The proposer shall be bound by all determinations or orders and shall promptly obey and follow every order of the Project Manager, including the withdrawal or modification of any previous order and regardless of whether the proposer agrees with the Project Manager's determination or order. Where orders are given orally, they will be issued in writing by the Project Manager as soon thereafter as is practicable.

The proposer must, in the final instance, seek to resolve every difference concerning the Agreement with the Project Manager. In the event that the Project Manager and the proposer are unable to resolve their differences, the proposer may initiate a dispute in accordance with the procedures set forth in the section below. Exhaustion of these procedures shall be a condition precedent to any lawsuit by proposer.

In the event of such dispute, the parties to this Agreement authorize the City Manager or designee, who may not be the Project Manager or anyone associated with this Project, acting personally, to decide all questions arising out of, under, or in connection with, or in any way related to or on account of the Agreement (including but not limited to claims in the nature of breach of contract, fraud or misrepresentation arising either before or subsequent to execution of a contract) and the decision of each with respect to matters within the City Manager's purview shall be conclusive, final and binding on the parties. Any such dispute shall be brought, if at all, before the City Manager within 10 days of the occurrence, event or act out of which the dispute arises.

The City Manager may base this decision on such assistance as may be desirable, including advice of experts, but in any event shall base the decision on an independent and objective determination of whether the proposer's performance or any deliverable meets the requirements of this Agreement and any specifications. The effect of any decision shall not be impaired or waived by any negotiations or settlements or offers made in connection with the dispute, whether or not the City Manager participated therein, or by any prior decision of others, which prior decision shall be deemed subject to review, or by any termination or cancellation of the Agreement. All such disputes shall be submitted in writing by the proposer to the City Manager for a decision, together with all pertinent information in regard to such questions, in order that a fair and impartial decision may be made. The parties agree that whenever the City Manager is entitled to exercise discretion or judgment or to make a determination or form an opinion pursuant to the provisions of this Article, such action shall be deemed fair and impartial when exercised or taken. The City Manager shall render a decision in writing and deliver a copy of the same to the proposer. Except as such remedies may be limited or waived elsewhere in the Agreement, the proposer reserves the right to pursue any remedies available under law after exhausting the provisions of this Article.

1.55 Mutual Obligations

This Agreement, including attachments and appendices to the Agreement, shall constitute the entire Agreement between the parties and supersedes all previous communications and representations or agreements, whether written or oral, with respect to the subject matter hereof unless acknowledged in writing by the duly authorized representatives of both parties.

Nothing in this Agreement shall be construed for the benefit, intended or otherwise, of any third party that is not a parent or subsidiary of a party or otherwise related (by virtue of ownership control or statutory control) to a party.

In those situations where this Agreement imposes an indemnity or defense obligation on the proposer, the City may, at its expense, elect to participate in the defense if the City should so choose. Furthermore, the City may at its own expense defend or settle any such claims if the proposer fails to diligently defend such claims, and thereafter seek indemnity for costs and attorney's fees from the proposer.

1.56 Subcontractual Relations

If the proposer will cause any part of this Agreement to be performed by a subproposer, the provisions of this contract will apply to such subproposer and its officers, agents and employees in all respects as if it and they were employees of the proposer, and the proposer will not be in any manner discharged from its obligations and liabilities hereunder, but will be liable for all acts and negligence of the subproposer, its officers, agents, and employees, as if they were employees of the proposer. The services performed by the subproposer will be subject to the provisions of this Agreement as if performed directly by the proposer.

The proposer, before making any subcontract for any portion of the services, will state in writing to the City the name of the proposed subproposer, the portion of the services that the subproposer is to perform, the place of business of such subproposer, and such other information as the City may require. The City will have the right to require the proposer not to award any subcontract to a person, firm or corporation disapproved by the City in the City's sole and absolute discretion.

Before entering into any subcontract, the proposer will inform the subproposer fully and completely of all provisions and requirements of this Agreement relating either directly or indirectly to the services to be performed. Such services performed by such subproposer will strictly comply with the requirements of this contract.

In order to qualify as a subproposer satisfactory to the City, in addition to the other requirements established herein, the subproposer must be prepared to prove to the satisfaction of the City that it has the necessary facilities, skill and experience, and ample financial resources to perform the services in a satisfactory manner. To be considered skilled and experienced, the subproposer must show to the satisfaction of the City that it has satisfactorily performed services of the same general type that are required to be performed under this Agreement.

The City shall have the right to withdraw its consent to a subcontract if it appears to the City that the subcontract will delay, prevent, or otherwise impair the performance of the proposer's obligations under this Agreement. All subproposers are required to protect the confidentiality of the City and City's proprietary and confidential information. The proposer shall furnish to the City copies of all subcontracts between the proposer and subproposers and suppliers. Within each subcontract, there shall be a clause for the benefit of the City permitting the City to request completion of performance by the subproposer of its obligations under the subcontract in the event the City finds the proposer in breach of its obligations, and the option to pay the subproposer directly for the performance by such subproposer. The foregoing shall neither convey nor imply any obligation or liability on the part of the City to any subproposer as set forth herein.

1.57 Prompt Payment: Late Payments by Proposer to Subproposer and Material Suppliers; Penalty:

When a proposer receives from the City any payment for contractual services, commodities, materials, supplies, or construction contracts, the proposer shall pay such moneys received to each subproposer and material supplier in proportion to the percentage of work completed by each subproposer and material supplier at the time of receipt. If the proposer receives less than full payment, then the proposer shall be required to disburse only the funds received on a pro rata basis to the subproposers and materials suppliers, each receiving a prorated portion based on the amount due on the payment. If the proposer without reasonable cause fails to make payments required by this section to subproposers and material suppliers within 15 working days after the receipt by the proposer of full or partial payment, the proposer shall pay to the subproposers and material suppliers a late charge in the amount of one percent (1%) of the amount due, per month, from the expiration of the period allowed herein for payment. Such charge

shall be in addition to actual payments owed. Retainage is also subject to the prompt payment requirement and must be returned to the subproposer or material supplier whose work has been completed, even if the prime contract has not been completed. The proposer shall include the above obligation in each subcontract it signs with a subproposer or material supplier.

1.58 Termination for Convenience *and* Suspension of Work

The City may terminate this Agreement if an individual or corporation or other entity attempts to meet its contractual obligation with the City through fraud, misrepresentation or material misstatement.

The City may, as a further sanction, terminate or cancel any other contract(s) that such individual or corporation or other entity has with the City. Such individual, corporation or other entity shall be responsible for all direct and indirect costs associated with such termination or cancellation, including attorney's fees.

The foregoing notwithstanding, any individual, corporation or other entity which attempts to meet its contractual obligations with the City through fraud, misrepresentation or material misstatement may be debarred from City contracting in accordance with the City debarment procedures. The proposer may be subject to debarment for failure to perform and any other reasons related to the proposer's breach or failure of satisfactory performance.

In addition to cancellation or termination as otherwise provided in this Agreement, the City may at any time, in its sole discretion, with or without cause, terminate this Agreement by written notice to the proposer and in such event:

The proposer shall, upon receipt of such notice, unless otherwise directed by the City:

1. Stop work on the date specified in the notice (the "Effective Termination Date");
2. Take such action as may be necessary for the protection and preservation of the City's materials and property;
3. Cancel orders;
4. Assign to the City and deliver to any location designated by the City any non-cancelable orders for deliverables that are not capable of use except in the performance of this Agreement and which have been specifically developed for the sole purpose of this Agreement and not incorporated in the services; and Take no action that will increase the amounts payable by the City under this Agreement.

In the event that the City exercises its right to terminate this Agreement pursuant to this Article, the proposer will be compensated as stated in the payment articles for the:

1. Portion of the services completed in accordance with the Agreement up to the Effective Termination Date; and
2. Non-cancelable deliverables that are not capable of use except in the performance of this Agreement and which have been specifically developed for the sole purpose of this Agreement but not incorporated in the services.

All compensation pursuant to this Article is subject to audit.

1.59 Event of Default

An Event of Default shall mean a breach of this Agreement by the proposer. Without limiting the generality of the foregoing and in addition to those instances referred to as a breach, an Event of Default shall include the following:

1. The proposer has not delivered deliverables on a timely basis;
2. The proposer has refused or failed, except in any case for which an extension of time is provided, to supply enough properly skilled staff personnel;
3. The proposer has failed to make prompt payment to subproposers or suppliers for any supplies or services;
4. The proposer has become insolvent (other than as interdicted by the bankruptcy laws), or has assigned the proceeds received for the benefit of the proposer's creditors, or the proposer has taken advantage of any insolvency statute or debtor/creditor law or if the proposer's affairs have been put in the hands of a receiver;
5. The proposer has failed to obtain the approval of the City where required by this Agreement;
6. The proposer has failed to provide "adequate assurances" as required under subsection "B" below; and
7. The proposer has failed in the representation of any warranties stated herein.

When, in the opinion of the City, reasonable grounds for uncertainty exist with respect to the proposer's ability to perform the services or any portion thereof, the City may request that the proposer, within the time frame set forth in the City's request, provide adequate assurances to the City, in writing, of the proposer's ability to perform in accordance with the terms of this Agreement. Until the City receives such assurances, the City may request an adjustment to the compensation received by the proposer for portions of the services which the proposer has not performed. In the event that the proposer fails to provide to the City the requested assurances within the prescribed time frame, the City may:

1. Treat such failure as a repudiation of this Agreement;
2. Resort to any remedy for breach provided herein or at law, including but not limited to taking over the performance of the services or any part thereof either by itself or through others.

In the event the City shall terminate this Agreement for default, the City or its designated representatives may immediately take possession of all applicable equipment, materials, products, documentation, reports and data.

1.60 Remedies in The Event of Default

If an Event of Default occurs, the proposer shall be liable for all damages resulting from the default, including but not limited to:

- A. Lost revenues;
- B. The difference between the cost associated with procuring services hereunder and the amount actually expended by the City for procurement of services, including procurement and administrative costs; and
- C. Such other damages that the City may suffer.

The proposer shall also remain liable for any liabilities and claims related to the proposer's default. The City may also bring any suit or proceeding for specific performance or for an injunction.

1.61 Bankruptcy

The City reserves the right to terminate this contract if, during the term of any contract the proposer has with the City, the proposer becomes involved as a debtor in a bankruptcy proceeding, or becomes involved in a reorganization, dissolution, or liquidation proceeding, or if a trustee or receiver is appointed over all or a substantial portion of the property of the proposer under federal bankruptcy law or any state insolvency law.

1.62 Cancellation for Unappropriated Funds

The obligation of the City for payment to a proposer is limited to the availability of funds appropriated in a current fiscal period, and continuation of the contract into a subsequent fiscal period is subject to appropriation of funds, unless otherwise authorized by law.

1.63 Verbal Instructions Procedure

No negotiations, decisions, or actions shall be initiated or executed by the proposer as a result of any discussions with any City employee. Only those communications which are in writing from an authorized City representative may be considered. Only written communications from proposers, which are signed by a person designated as authorized to bind the proposer, will be recognized by the City as duly authorized expressions on behalf of the proposer.

1.64 E-Verify

Proposer acknowledges that the City may be utilizing the proposer's services for a project that is funded in whole or in part by state funds pursuant to a contract between the City and a state agency. The proposer shall be responsible for complying with the E-Verify requirements in the contract and using the U.S. Department of Homeland Security's E-Verify system to verify the employment of all new employees hired by the proposer during the Agreement term who will be working on this Project. The proposer is also responsible for e-verifying its subproposers, if any, pursuant to any agreement between the City and a state agency, and reporting to the City any required information. The proposer acknowledges that the terms of this paragraph are material terms, the breach of any of which shall constitute a default under this Agreement.

1.65 Budgetary Constraints

In the event the City is required to reduce contract costs due to budgetary constraints, all services specified in this document may be subject to a permanent or temporary reduction in budget. In such an event, the total cost for the affected service shall be reduced as required. The proposer shall also be provided with a minimum 30-day notice prior to any such reduction in budget.

Instructions for Certification

Instructions for Certification - Lower Tier Participants:

(Applicable to all subcontracts, purchase orders and other lower tier transactions requiring prior FHWA approval or estimated to cost \$25,000 or more - 2 CFR Parts 180 and 1200)

a. By signing and submitting this proposal, the prospective lower tier is providing the certification set out below.

b. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department, or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

c. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous by reason of changed circumstances.

d. The terms "covered transaction," "debarred," "suspended," "ineligible," "participant," "person," "principal," and "voluntarily excluded," as used in this clause, are defined in 2 CFR Parts 180 and 1200. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations. "First Tier Covered Transactions" refers to any covered transaction between a grantee or subgrantee of Federal funds and a participant (such as the prime or general contractor). "Lower Tier Covered Transactions" refers to any covered transaction under a First Tier Covered Transaction (such as subcontracts). "First Tier Participant" refers to the participant who has entered into a covered transaction with a grantee or subgrantee of Federal funds (such as the prime or general contractor). "Lower Tier Participant" refers any participant who has entered into a covered transaction with a First Tier Participant or other Lower Tier Participants (such as subcontractors and suppliers).

e. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

f. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions exceeding the \$25,000 threshold.

g. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any lower tier prospective participants, each participant may, but is not required to, check the Excluded Parties List System website (<https://www.epls.gov/>), which is compiled by the General Services Administration.

h. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

i. Except for transactions authorized under paragraph e of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Consultants may also be evaluated on minor types of work if that work is considered significant by the PM. Contracts which do not exceed Category Two thresholds, as established by **Section 287.017, F.S.**, are exempt and do not require evaluation.

SCOPE:

This procedure will apply to all professional services contracts and Design-Build contracts.

Principal users of this procedure will be project managers.

DEFINITIONS:

City Hall: The City's headquarters offices, located in Tallahassee.

Project Manager (PM): A City employee whose duties include managing professional service contracts between consultants and the City.

Technical Reviewer: A designated technical expert for a specific type of work who has reviewed the consultant's work product.

Type of Work: The City has categorized the types of professional services it generally requires into a Type of Work listing in **Rule 14-75.003, F.A.C.** These types of work are

the basis for qualification of consultants.

1. ALL PERFORMANCE EVALUATIONS

1.1 Processing of Evaluation

For each major type of work advertised, evaluations on contracts shall be entered by the PM into CE. Upon completion of all prescribed City approvals, CE automatically emails evaluations to recipients designated in CE.

To assure all parties' understanding, the City's PM shall discuss the evaluation rating criteria with consultant PM before the consultant begins work.

The City's PM is responsible for completing interim and final performance evaluations. The PM shall discuss the evaluations with consultant before entry into CE to provide an opportunity for communication and feedback on the level of performance.

1.2 Evaluation Scale

The consultant evaluation rating scale shall be as follows:

- 5 = Outstanding performance
- 4 = Above Satisfactory performance
- 3 = Satisfactory performance
- 2 = Below Satisfactory performance
- 1 = Unacceptable performance

Comments are encouraged for every assigned rating, but must be entered in the comment section for a rating of 5 or 1.

2. PERFORMANCE EVALUATIONS FOR CEI CONSULTANTS

2.1 The evaluation of a CEI consultant shall be performed by the CPM, and shall be provided on the following schedule:

1st Quarter: January – March

2nd Quarter: April – June

3rd Quarter: July – September

4th Quarter: October – December

(1) Interim performance evaluations shall be completed within 30 days after the end of the quarter.

(2) The final evaluation shall cover the period from the previous evaluation to the end of the contract.

(3) The evaluation of the overall performance for the entire contract period shall be the average of all evaluations (interim and final) for the contract, and is automatically calculated in CE.

(B) The CPM shall distribute the evaluation and any follow up correspondence as follows:

(1) Evaluation is 3.0 or greater: Consultant and Director of the Design and Construction Management Department receive a copy for information.

(2) Evaluation is less than 3.0:

ESSM: Receives a copy for disposition. The ESSM may direct that the evaluation be changed to 3.0 or greater, upon which step (1) above shall apply. The ESSM may agree with the evaluation, upon which the following shall apply:

- 2.2** CEI consultant evaluations shall be completed using either the project-specific CEI evaluation criteria or the CEI Hybrid criteria, applicable.
- 2.3** If a particular performance test item does not apply to a project, it should not be used in the calculation of the weighted average for the performance test area.
- 2.4** The consultant CEI performance evaluation is a summary record of the CPM's in-depth reports of the CEI Consultant, the Quality Assurance Reviews prepared by the Specialty Engineer from the Office of Construction, and the Federal Highway Administration (FHWA) Monthly Field Reports. These source documents should be used as the basis for preparation of this performance evaluation and shall serve as the in-depth, back-up data needed to substantiate the numerical evaluation given.
- 2.5** The City's PM may offer the consultant CEI the opportunity to request a meeting to discuss a grade with the ESSM **within ten calendar days of receipt of the evaluation**. The ESSM shall consider any information submitted by the consultant and decide whether the performance evaluation will be revised. The ESSM's decision is final.

3. PERFORMANCE EVALUATIONS FOR NON-CEI TYPES OF WORK

- Schedule
- Management
- Quality
- Constructability (for contracts that produce construction plans)

For all professional services contracts resulting in construction plans, the CPM shall prepare an evaluation of the constructability of the design consultant's plans and a management evaluation on the performance of post design services. In preparing

these evaluations, the CPM shall solicit input from the construction contractor and the consultant's project administrator. After review of the comments received from the construction contractor, appropriate comments shall be entered on the evaluation by the CPM. The evaluation shall be reviewed by the DPM for concurrence prior to entry into CE and prior to distribution to the design consultant. Specific criteria for the **Constructability Evaluation** and the **Post-Design Services Management Evaluation** can be found in CE.

- (2) **Construction:** A composite evaluation calculated during the construction phase of the project shall be calculated as follows:

Schedule (S): Average of all schedule evaluations. This average shall be 25% of the composite evaluation calculated during the construction phase.

Management (M): A weighted average of all the management evaluations completed during the design and construction phase. The management evaluations made during design shall be 70% of the weighted average, while the management evaluations completed during construction shall be 30% of the weighted average. This weighted average shall be 25% of the composite evaluation calculated during the construction phase.

$M = 0.70 \times (\text{average of management evaluations during design}) + 0.30 \times (\text{average of management evaluations during construction}).$

Quality (Q): Average of all quality evaluations. This average shall be 25% of the composite evaluation calculated during the construction phase.

Constructability (C): The Constructability evaluation shall be conducted once at completion of construction. This average shall be 25% of the composite evaluation calculated during the construction phase.

End of Construction Composite Evaluation shall be calculated as follows:

$\text{Composite Evaluation} = (0.25 \times S) + (0.25 \times M) + (0.25 \times Q) + (0.25 \times C)$

(B) All other Contracts:

Schedule (S) = Average of all schedule evaluations. This average shall be 25% of the composite evaluation.

Management (M) = Average of all management evaluations. This average shall be 25% of the composite evaluation.

Quality (Q) = Average of all quality evaluations. This average shall be 50% of the composite evaluation.

At the option of the PM, the design consultant may receive a quality evaluation in the same types of work performed by the sub-consultant.

- (B) **Constructability (C):** The constructability evaluation reflects the design consultant's ability to develop constructible (practical, accurate, and complete) construction plans.
