Marine Advisory Board - Questions*

1. My involvement with the city's waterways has been for conservation and recreation reasons. I partake in beach clean-ups, turtle conservation while also enjoying water activities in the local areas.

2. My personal knowledge through reading and researching topics of concern will be shared to help guide this board to effectively help the marine environment.

3. I am available to attend all monthly meetings with the exception of an early January meeting since my family travels over the new year holiday.

4. I am a full time student so I am not involved in the marine industry as of now. However, I am in the process of spearheading a clothing line for boaters with eco-friendly materials.

5. It is my hope to educate people how to take care of our waterways. I would like to monitor water quality while advocating for sustainable practices. I would like to see more community clean-up events, and collaborating with authorities to implement conservation measures. With all of these measures in place, everyone will have cleaner waterways here in Hollywood.

Please answer these five questions above. 1. What is your involvement with the City of Hollywood's Waterways? 2. What will guide your decisions on this board? 3. Are you able to dedicate 2-3 hours a month to attend the meetings? Attendance is paramount to this Board being able to get things done. 4. Police Officer's Pension Board - Questions*

Please answer these five questions above. 1. What is a fiduciary? And what is your responsibility to the police pension plan as a fiduciary? 2. What is the Sunshine Law? 3. What is Asset Allocation & Diversification? 4. Explain the history of Chapter 99-1 and Chapter 185? 5. Define the role of the Actuary and the Auditor?

Sustainability Advisory Committee - Questions*

1. Continuing to serve on the Sustainability Advisory Committee allows me to contribute to environmental initiatives, and share my concerns and opinions on current and future sustainable practices. I would like to be part of the decision-making policies hoping for a more eco-friendly community. It will provide me a platform to actively support and shape sustainable practices.

2. As a current student volunteer delegate, I have attended the monthly meetings for the past year.

3. As a participant in my school's Marine Biology Club and Environment Club, I hope to bridge the gap between what is hoped for in meetings to practice. If the city wants something done, I hope to meet those wants and needs by finding the individuals to get the job done. For example, if there is an additional beach clean up added to the calendar, I will present it to my current club members and recruit a team of volunteers to get the job done.

4. For the past year, I have been a student volunteer for both the Marine Advisory Board and Sustainability Board. At school, I belong the Marine Biology Club, the Aviation Club, and the Environmental Club.

5. I am available to attend all monthly meetings. If I am asked to attend a sub-committee meeting, I would be happy to attend.

5. Although I am happy to see the city no longer allow plastic stares on the beach, I would like to see recycling bins throughout the city. I have recently visited 3 city parks, none of which had a recycling bin. I am interested in promoting renewable energy options for our residents. I would like for the committee to find ways to educate others about eco-friendly practices.

Please answer these five questions above. 1. Why do you want to join the committee? 2. Have you attended any committee meetings? If so, how many? 3. What knowledge, skills, and abilities would you bring to the committee if appointed? 4. What other organizations, clubs, or associations are you involved in? 5. Are you available to attend regular committee and subcommittee meetings? Regular meetings are held monthly with subcommittee meetings held as needed. 6. What types of projects would you like to see the committee work on?
