City of Hollywood  
Injection Well No. 2 Repair  
Recommendation for Award  
City Project No. 23-9727

Dear Mr. Bezerra:

We have reviewed the bid proposal documents opened on December 13, 2023 for the subject project and summarized them in the attached Bid Tabulation. The bid proposal and supporting information were evaluated for the proposed contractor's overall technical ability to perform the work proposed by our design documents. Our review did not include a determination of bidder responsiveness. Based on our review of the proposal documents, we recommend award of the Injection Well IW-2 Repair contract to the apparent low bidder, Florida Design Drilling, LLC.

We appreciate the opportunity to assist the City with this important project. Should you have any questions or require further information, please do not hesitate to contact our office.

Very truly yours,

**HAZEN AND SAWYER,**

J. Philip Cooke, P.E.  
Senior Associate
