Project 14-7042B: Bid Evaluation and Contractor Recommendation

Dear Mr. Jiang:

In accordance with our agreement, AECOM has reviewed the bids presented at the Bid Opening at the City of Hollywood on February 23, 2017. All bids were tabulated and reviewed for irregularities and price. No irregularities were found.

- The Bid Tabulation form (attached) was certified in acknowledgement of this review. There are no apparent discrepancies between reported bid amounts and our tabulation.
- All bids were also reviewed for required documentation submittals. All bids appear to have the required forms.

The three lowest base bids were evaluated with the following criteria, including but not limited to, in no particular order:

1. Bid price
2. Individual bid item consistency with other bidders
3. References where available
 - a. Performance (timeliness, quality of work)
 - b. Litigation
 - c. Financial (billing, change orders, etc.)
4. Experience with similar projects
5. Local, Broward County, and City of Hollywood experience

From the criteria, Southeastern Engineering Contractors, Inc. is recommended for bid award on the referenced project by AECOM.

Please contact me with any questions or comments.

Sincerely,
