Dear Jose Cortes,

The Florida Department of Transportation (FDOT) District Four formally authorizes the City of Hollywood as an applicant for the 2023-24 State Highway Beautification Grant Program for the proposed landscape beautification project within the limits of State Road 5 (US 1) from State Road 824 (Pembroke Road) (M.P. 1.531) to (Young Circle) (M.P. 2.461).

Please review the FDOT Beautification Grant website for application requirements and links to forms and examples: <https://www.fdot.gov/designsupport/HighwayBeautification/Grants.shtm>. Among the application requirements is the signed resolution authorizing the City to apply for the grant and approving signature authority for both the Landscape Maintenance Memorandum of Agreement (LMMOA) and Joint Participation Agreement (JPA).

**It is imperative that you begin the process for a resolution immediately to ensure it is on the City Commission agenda.** You cannot apply for this grant without the fully signed resolution stipulating the information found in the Grant application directions.
