Contract Amendment to Heavy Equipment

FSA20-EQU18.0

The Terms and Conditions of this Contract allow for modification via addenda as provided for in Section 1.24. FSA is proposing the following modifications: remove Sections 3.04-3.06 and replace with new language.

Additionally, the FSA is adding language in Section 2.12 to confirm compliance with E-Verify requirements pursuant to Section 448.095, Florida Statutes. In addition to this contract language, FSA is requesting vendors to submit the attached digital affidavit acknowledging compliance with the Florida law.

FSA requests vendors submit the digitally signed contract amendment no later than Friday, June 17, at 5:00PM EST. The contract amendment will be effective immediately upon FSA's receipt of these documents.

To complete contract amendment requirements, click the "Sign the Contract Amendment" tab included in this email, which allows for electronic signature and attestation of compliance with Florida Statutes Section 448.095, E-Verify requirements.

Section 2.12 is amended to include the following language:

2.12 QUALIFICATION

Prospective bidders are required to complete the qualification forms by the date listed on the Bid Calendar. A bidder becomes a qualified bidder if they comply with this section and Section 2.10, Mandatory Pre-Bid Meeting.

Qualification forms include:

- Drug-Free Workplace Form,
- Insurance Checklist,
- Manufacturer Authorization Form for each manufacturer bid for Contract FSA20-VEH18.0 and FSA 20-EQU18.0; Manufacturer Authorization Forms are **not** required for Contract FSA20-VEL28.0;
- Emergency Vehicle Technician (EVT) Certification, if bidder is offering emergency lighting and sirens, and
- Qualified Bidder documentation as required in Section 2.01
- Completion of a digital affidavit confirming compliance with E-Verify requirements pursuant to Section 448.095, Florida Statutes.

Sections 3.04, Section 3.05 and Section 3.06 are deleted and replaced with the following new language:

3.04 ADDITIONS OR DELETIONS

The FSA reserves the right to add or delete any items from this bid or resulting contract when deemed to be in the best interest of FSA and the participating purchasers.

FSA reserves the right to remove, discontinue or suspend the sale or offering of any product within the Invitation to Bid document or existing contract, at its discretion.

This decision to take action may be based upon and not limited to:

- Few or no sales;
- Product recalls and other safety issues;
- Vendor/Manufacturer performance; or
- Lack of relevance of products.

3.05 CONTRACT EXTENSION

Contract Extension

The contract may be extended by mutual agreement, initiated at the discretion of the FSA, for up to two (2) additional years, on a year-to-year basis.

The vendor may request price adjustments for contract extensions as provided for in the price adjustment section. If no request is received from the vendor, the FSA will assume that the vendor has agreed that the optional term may be exercised without pricing adjustment. Any adjustment request received after the commencement of a new option period may not be considered unless otherwise provided for in this contract.

The FSA reserves the right to in its sole discretion, elect to implement an optional term or to allow the contract to fully or partially terminate and readvertise for bids, whichever is in the best interest of the FSA.

Month-to-Month Continuation

In the event that a new contract is not active at the time of this contract's expiration, this contract's terms and conditions shall extend on a month-to-month basis and shall not constitute an implied extension of the contract. Such a month-to-month continuation shall be upon the compensation and payment provided herein.

3.06 PRICE ADJUSTMENTS

This contract provides the following options for price adjustments:

- Annual Price Adjustments
- Changes to Production or Design
- Manufacturer Certified Adjustments
- Surcharges
- Equitable Adjustments

Price adjustment requests must clearly substantiate a need to increase or decrease the price and must be submitted as a percentage change. If a dollar amount is provided, FSA will calculate to the nearest percentage, which the vendor accepts is reasonable.

Annual Price Adjustment

The FSA may consider annual or quarterly price adjustments due to:

- Changes in the Producer Price Index (PPI) as published by the U.S. Department of Labor, Bureau of Labor Statistics (BLS); or
- As a result of any changes to national or state standards that require substantial price adjustments.

Changes resulting from PPI will be verified by the FSA, after the vendor requests a price adjustment under this provision and identifies the commodity code for each item as designated by the BLS.

In the event of changes to national or state standards, the vendor must present verifiable changes from the manufacturer in price to FSA. FSA may consider other documentation related to the change to national or state standards but is not obligated to grant price changes without literature from the manufacturer. The FSA will consider the request and will make a final determination on the change in price.

For any price adjustment to commence annually or on the first day of the contract extension, the vendor's request for price adjustment should be submitted 60 (sixty) days prior to the annual execution of the contract or to the expiration of the contract extension.

Changes to Production or Design

Significant changes by the manufacturer to the production and specification design may also initiate a price adjustment request. FSA will consider order dates, production cutoffs, conditions as provided for in Section 3.08, as well as replacement or complete redesign of items when considering significant changes to manufacturer production or design.

Manufacturer Certified Adjustments

Vendors must provide documentation from the manufacturer to FSA that shows a legitimate need for price adjustments.

Surcharges

Surcharges are increased costs that are imposed on awarded vendors for items sold on this contract. Surcharges can be related to the cost of raw materials, cost of transportation or shipping, or fees imposed by the governing entities. Since surcharges are imposed on awarded vendors, in order to request a price change, the vendor must document the origin of the surcharge.

The vendor must provide manufacturer or supplier certification documentation that identify the reason or cause for the surcharge to FSA in advance of imposing surcharges to a purchaser.

Surcharge After a Purchaser Order is Issued

When a purchase order has been issued, the vendor may present a surcharge with all required documentation to the purchaser for consideration. The purchaser may accept or negotiate a reduction in the surcharge or reject the surcharge at their discretion.

Equitable Adjustments

The FSA may make an equitable adjustment to the contract terms or pricing at its discretion.
