1. SUMMARY

1.1. [Summary](#)

The purpose of this Request for Proposal (RFP) is to select a qualified consultant to provide comprehensive services—including planning, legal editing, and related expertise—to assist the City in reviewing, restructuring, and rewriting Hollywood’s Zoning and Land Development Regulations (ZLDRs) (weblink: [City of Hollywood FL Zoning Code Ordinance | Gridics](#)), as well as portions of the Code of Ordinances (weblink: [CITY OF HOLLYWOOD, FLORIDA CODE OF ORDINANCES](#)) related to the development and use of private and public land.

A key objective is to ensure that the updated regulations align with the development goals of the Hollywood 2050 Comprehensive Plan, as well as the design principles outlined in the City’s Urban Design Guidelines. The current structure of the ZLDRs and Code of Ordinances is outdated, non-conforming with Florida Statutes in many areas, and inconsistent with City and County policies and Interlocal Agreements. Additionally, the existing code lacks coherence and is difficult to administer.

The selected consultant or consulting team will be responsible for thoroughly reviewing the ZLDRs, Code of Ordinances, and relevant legislation and documents to produce revised zoning regulations that integrate consistent language, structure, and format—enhancing accessibility for residents, visitors, and investors alike.

Adequate design and branding expertise to deliver well-designed, clearly formatted, and visually coherent documents that support long-term implementation, usability, and public communication. This includes developing a visual identity and branded layout that enhances understanding and reinforces the professional quality and consistency of the City’s planning materials.

1.2. [Background](#)

Hollywood is a city located in Broward County, Florida, United States. It is situated on the Atlantic coast between Fort Lauderdale to the north and Miami to the south, making it a part of the larger megalopolis area of Southeast Florida. The city covers an area of approximately 30 square miles (78 square kilometers), including land and water.

Hollywood has experienced steady population growth over the years. According to the United States Census Bureau, the estimated population of Hollywood in 2020 was around 155,000 people. Since the year 2000, the population has grown by approximately 13%. As a built-out, coastal city located in the highly urbanized region of Southeast Florida, there has been ongoing development and redevelopment primarily in the form of residential intensification.

The city is focused on improving transportation infrastructure, including public transit, non-vehicular mobility, and walkability, to accommodate the growing population. At the same time, it is promoting sustainable urban development by proactively addressing sea level rise and flooding through coordinated efforts outlined in the Hollywood 2050 Comprehensive Plan and the Stormwater Master Plan.

3. SCOPE OF SERVICE

3.1. Qualifications

The City of Hollywood is seeking qualified consultants or consortiums with experience in preparing Zoning Code and Land Use Legislation and assessing current conditions with a strong understanding of Federal, State, and County laws that impact the regulation of land within a local municipality in Florida. The City will define the scope of work for the project, which will include specific tasks and deliverables necessary to update Hollywood's Zoning and Land Development Regulations and associated chapters of the Hollywood Code of Ordinances that ensure alignment with relevant governmental legislation. Consultants are encouraged to submit a proposal outlining their approach to completing the defined scope of work, including key deliverables and a timeline based on the information provided in this RFP and industry best practices.

Consultants are expected to possess the expertise required to provide updates to the City's Interactive Zoning Map and create mapping layers and overlays aligned with the Hollywood 2050 Comprehensive Plan including the City Structure and Future Land Use Elements, Activity Centers, Historic Districts, Urban Design Guidelines, and other urban forms and classifications as needed. The ideal consultant will possess at a minimum 5 years of experience aiding municipalities with zoning code rewrites and adoption, and must demonstrate a proven ability to use innovative and inclusive community engagement practices to gather meaningful input. Vendors should submit proof of minimum experience qualifications and provide the City a reference sheet and a list of projects, including project details, as part of their submission package. Vendors are encouraged to assemble a diverse and multi-disciplinary team, to address all areas of zoning and land development, and the team should include an Attorney well versed in planning law, and case law in the State of Florida.

3.2. Project Overview

The City of Hollywood seeks a comprehensive rewrite of the Zoning and Land Development Regulations (ZLDRs), as well as portions of the Code of Ordinances related to land development and usage. This update presents a significant opportunity to align zoning regulations with the City's vision for sustainability, equity, and quality of life.

Consultants must be able to simplify complex regulations and present them in transparent, plain language accessible to all stakeholders. Demonstrated expertise in spatial analysis and mapping is essential to evaluate zoning districts and identify key areas for redevelopment.

Strong knowledge of sustainability is critical, especially for integrating climate adaptation strategies, green zoning practices, and social equity principles into the ZLDRs. The updated code must also support economic prosperity.

The selected consultant must possess expertise in federal, state, and county land use regulations and ensure that all recommendations conform to applicable laws and case law. This includes understanding land use compatibility, incentives for mixed-use and affordable housing, and strategic growth locations that align with federal, state, and county designations.

The consultant must also evaluate how land use patterns intersect with infrastructure, transportation, housing, economic development, and environmental concerns—and recommend zoning changes that support inclusive and sustainable development.

A robust public engagement process is essential. The selected consultant must propose a comprehensive strategy that incorporates diverse community voices and reflects their values in the new zoning regulations. This includes providing a detailed plan for the number and format of public meetings and clarifying roles between the City and consultant in facilitating engagement.

The consultant should ensure that all outreach materials and events are accessible, including for non-English-speaking residents. The project must culminate in an actionable implementation strategy, with mechanisms to monitor progress and outcomes. The final product should support sustainable growth, foster inclusive development, and preserve community values while encouraging long-term investment.

Centers and Corridors Approach

As part of the zoning modernization effort, the consultant must apply a targeted, place-based strategy to refine zoning within the City's designated Centers and Corridors as identified in the Hollywood 2050 Comprehensive Plan, Activity Centers, and other priority nodes for growth and redevelopment.

While existing zoning frameworks are largely in place for these areas, refinements are required to ensure they promote and sustain high-quality urban development. These refinements must prioritize:

- **Vertically integrated mixed-use development** that supports transit ridership and pedestrian activity, with clearly defined requirements for economically viable ground-floor commercial in key corridors and intersections.
- **Active ground-level frontages** and minimum frontage transparency to avoid blank walls, reduce dead space, and ensure buildings contribute positively to the public realm.
- **Preservation and enhancement of design quality**, including articulation of building massing, human-scaled design elements, and contextual transitions to adjacent neighborhoods.
- **Market-responsive zoning standards (Height and density)** that encourage feasible development while avoiding unbuildable lot conditions or impractical bulk and setback combinations.
- **Public realm contributions**, such as plazas, parklets, or mid-block connections, especially where incentives like height or density bonuses are granted.
- **Minimum commercial and mixed-use requirements** in strategic areas to ensure critical mass and economic viability of non-residential uses, while maintaining flexibility for phasing and market adaptability.
- **Calibration of incentives and regulations** (e.g., bonuses for affordable housing or public open space) to ensure alignment with the City's goals for housing diversity, climate adaptation, and equitable access to amenities.

The consultant must ensure that zoning standards in these areas support a complete, walkable urban environment and reflect the design and policy intent of the Hollywood 2050 Comprehensive

Plan and Urban Design Guidelines. The outcome should be a clear, implementable code that encourages investment and reinforces the role of Centers and Corridors as anchors of economic activity and community life.

3.3. Phase 1: Initial Zoning Review and Alignment with the Comprehensive Plan

During the first year, while the Comprehensive Plan is being finalized, the consultant will initiate a comprehensive evaluation and inventory of the City's municipal variance records, escalation cases, Interlocal Agreements, pertaining to Zoning, and other relevant zoning data to identify patterns and recurring challenges that indicate necessary code amendments. The goal of **Phase 1** is to identify and address immediate opportunities while laying a foundation for broader zoning improvements in subsequent phases. Following this assessment, the consultant will perform a market analysis to evaluate the economic viability of existing zoning designations. This will include identifying underperforming zones, assessing market demand, and determining where zoning modifications could enhance land productivity and economic feasibility.

The consultant will be responsible for developing and monitoring a master schedule to ensure key milestones, including reviews, approvals, and required actions, are completed on time.

Key responsibilities include:

- A. **Zoning Records Review & Documentation:** review historical variances and zoning approvals to determine patterns, conflicts, and challenges within the ZLDR.
 1. Analyze past variances, exceptions, and deviations approved over the last 5-10 years to identify:
 - a. Patterns or trends that indicate shortcomings or gaps in the current ZLDRs.
 - b. Opportunities to reduce the need for variances through clear, predictable standards.
 2. Recommend adjustments to the ZLDRs to address common issues and streamline the development review process.
- B. **Review of PDs/PUDs:** The consultant shall review previously approved Planned Development (PD) and Planned Unit Development (PUD) entitlements to ensure these site-specific regulations are properly incorporated into the City's Zoning and Land Development Regulations. These regulations should no longer remain as non-public or paper-based documents administered informally by the Planning Division, but must be transparently integrated into the codified zoning framework. The consultant should assess the City of Miami's Special Area Plan process when evaluating how to streamline the City of Hollywood's PD/PUD process.
- C. **SWOT Analysis:** Conduct a Strengths, Weaknesses, Opportunities, and Threats analysis of the City's Zoning and Land Development Regulations.

1. Perform a comprehensive SWOT Analysis (Strengths, Weaknesses, Opportunities, Threats) of the current ZLDRs to identify areas for improvement and alignment with the City's goals.
 2. Conduct a detailed review of relevant Federal, State, County, and City plans, rules, laws, ILAs, and other regulations, ensuring alignment and compliance.
 3. Reference applicable case law and recent legal precedents to ensure that proposed changes are both legally defensible and innovative.
- D. Zoning Market Feasibility Analysis:** Evaluate the economic viability of existing zoning designations and zoning standards. This will include:
1. Identifying underperforming zones, assessing market demand, and determining where zoning modifications could enhance land productivity and economic feasibility.
 2. Identify key roadblocks to zoning optimization for underperforming zones and challenge areas of the code.
 3. Identifying zoning tools and strategies that can increase land productivity from a zoning perspective.
- E. Legal and Best Practices Discussion Papers:** Provide discussion papers on legal foundations, national best practices, and innovative zoning tools, based on bucketed thematic areas.
1. Prepare a series of discussion papers that:
 - a. Address regulations in a thematic way (parking; stormwater; land use, etc.)
 - b. Address the foundational legal requirements that the ZLDRs must comply with.
 - c. Highlight national and regional best practices for zoning reform, including innovative tools, processes, and standards that could be applied locally within the various thematic areas.
 - d. Address to the feasibility of: Transfer of Development Rights, Privately Owned Public Spaces, etc.
 2. Provide recommendations on balancing regulatory compliance with progressive, forward-thinking zoning solutions.
- F. Code Structure Review and Reorganization:** Conduct a thorough review of the current Zoning and Land Development Regulations (ZLDRs) and the Code of Ordinances to assess its structure, clarity, and usability. The goal is to ensure that any use of land, whether it be public or private land, is clearly articulated and structured in a logical manner.

1. Specific Areas to Review: **At a minimum**, the consultant will review and assess the Zoning and Land Development Regulations (ZLDRs) and the following chapters of the Code of Ordinances, identifying areas for intervention and improvement:
 - a. Articles 1 through 11 of the ZLDRs
 - i. Focus on reorganizing the articles and content to improve clarity and logical flow
 - ii. Propose new Urban Design Article and content that achieves the vision of the Urban Design Element of the Comprehensive Plan and the City's Urban Design Guidelines
 - iii. Propose new Accessory Dwelling Unit section within the Single-Family Zoning District Article to achieve the intent of the Housing Element of the Comprehensive Plan.

 - h. Business Regulations
 - i. Chapter 113: Alcoholic Beverages
 - j. Chapter 115: Certificate of Use
 - k. Chapter 119: Vacation Rental License Program
 - l. Chapter 124: Restaurants, Sidewalk Cafes
 - m. Chapter 150: Beach and Shore Protection; Retaining Walls; Tidal Flood Protection

- n. Chapter 155: Basic Land Improvement Code
 - i. Focus on the nexus between Section 155.12 of the Code of Ordinances and Section 4.23 of the ZLDRs with regards to restrictive double frontage lot regulations.
 - o. Conflicting Regulations: Prepare a **Conflicting Regulations Report** that identifies conflicting practices and proposes text amendments to resolve those conflicts.
- G. **Internal Stakeholder Engagement:** Facilitate engagement with City staff and departments, beyond Planning to identify administrative challenges with implementing innovative change.

The consultant's work in **Phase 1** will inform and prepare the City for future phases of zoning reform, ensuring well-organized, legally sound, and user-friendly Zoning and Land Development Regulations that align with the Comprehensive Plan and meet the City's development goals.

3.4. [Phase 2: Zoning Code Modernization and Policy Development](#)

Building on the findings from Phase 1, the consultant will develop a modernized framework that addresses both the Zoning and Land Development Regulation and Code of Ordinances and refines existing zoning districts and updates regulations to implement the City's Comprehensive Plan. A key priority is enhancing zoning tools in key growth areas to promote equitable, transit-supportive, mixed-use development that is feasible, well-designed, and responsive to evolving market and environmental conditions.

Additionally, the consultant will calibrate and refine the City's current zoning standards, particularly in designated Centers and Corridors as identified in the Hollywood 2050 Comprehensive Plan, Activity Centers, and other priority nodes for growth and redevelopment. This work will focus on:

- Introducing and strengthening standards for vertically integrated mixed-use buildings;
- Establishing minimum commercial and active frontage requirements;
- Clarifying and modernizing development incentives such as height or density bonuses tied to public realm enhancements or affordable housing contributions;
- Ensuring development feasibility through analysis of lot sizes, bulk regulations, and phasing flexibility
- Enhancing urban design expectations to reflect the City's ongoing Urban Design Guidelines and climate adaptation strategies.

The consultant will test zoning refinements using real-world development scenarios to ensure outcomes are implementable and do not result in fragmented or unbuildable lots. Updated regulations must be written in plain, user-friendly language.

Deliverables for Phase 2 include:

- Modernized Draft Zoning Code
- Development Standards and Design Guidelines Matrix
- Incentive Calibration Strategy
- Scenario Testing Report
- Updated Interactive Zoning Map

The consultant will support the City in the development of tools to aid the tracking of key metrics and regular evaluation of the ZLRDs.

Key responsibilities include:

1. **Performance Monitoring and Metrics Development:** Establish performance metrics and benchmarks to assess the success of the new code.
 1. Establish key performance indicators (KPIs) to measure the success of updates to the ZLDRs and associated chapters of the Code of Ordinances, including:
 1. Development review timelines and approval rates.
 2. Reduction in variance requests and exceptions.
 3. Compliance with sustainability and resilience goals.
 4. Economic development outcomes, such as increased investment and job creation.
 2. Establish a system to collect baseline data and set benchmarks for ongoing evaluation.
2. **Annual Code Evaluation:** Prepare a template for yearly reports to evaluate the effectiveness of regulations.
 1. Develop an annual evaluation process to:
 1. Assess the effectiveness of new zoning regulations in achieving the City's goals.
 2. Identify unintended consequences, regulatory gaps, or emerging trends.
 3. Engage stakeholders to gather feedback on the code's performance.
 4. Prepare a template for an Annual Zoning Code Evaluation Report summarizing findings, outcomes, and recommendations for refinement.
 5. Ensure the continued compliance with higher levels of government and interlocal agreements.
3. **Ongoing Stakeholder Engagement:** Create a framework for conducting periodic meetings to gather feedback.
 1. Establish standards for periodic workshops, surveys, and meetings with key stakeholders, including developers, residents, and City staff.
 2. Use stakeholder input to identify areas for further improvement and adjustments.
4. **Adaptive Code Updates:** Propose a system that streamlines amendments to the ZLDRs based on identified issues and emerging trends.
 1. The system must develop an amendment process to address:
 1. Changing market conditions, community priorities, and development trends.

By completing **Phase 3**, the City will ensure the zoning code remains a living document, capable of evolving alongside community needs, economic conditions, and best practices in urban planning. This continuous improvement process will solidify the code's role in fostering sustainable growth, economic vitality, and a high quality of life for all residents.

3.6. Engagement and Deliverable Expectations

A. Community Engagement

An essential component of the Zoning and Land Development Regulations (ZLDRs) and associated chapters of the Code of Ordinances rewrite is the incorporation of community values to ensure that all revised zoning regulations reflect the diverse needs of the City. The engagement plan needs to be rooted in community input that can be transformed into actionable zoning regulations that address a broad range of issues, including housing affordability, land use, mobility, environmental sustainability, economic development, and the creation of vibrant public spaces. By aligning the ZLDRs and associated chapters of the Code of Ordinances with the priorities identified through public engagement, updated zoning regulations will guide the City's growth in sustainable ways that are responsive to the evolving needs of all residents, visitors, and investors alike.

Inclusive engagement practices will be the cornerstone of the community engagement process. To ensure that zoning regulations are accessible and understandable, the selected consultant will actively reach out to underrepresented groups and diverse communities, including non-English speaking residents, seniors, youth, and others who may have historically been excluded from planning processes. They will exercise critical judgment when crafting zoning-related materials that are clear, plain, and tailored to specific audiences. This will involve simplifying complex zoning concepts, avoiding jargon and technical terminology, and adjusting the format and tone to ensure the information is accessible and engaging for all residents. Additionally, visual aids such as diagrams, maps, and infographics will help illustrate key zoning regulations, making complex information accessible to the greatest amount of people.

A timeline for community engagement will be created and monitored by the selected consultant to ensure that meaningful participation occurs. The timeline should include the initial outreach period where residents are informed about the City's intent to update the ZLDRs and associated chapters of the Code of Ordinances, and provide engagement opportunities such as public meetings, charettes, and focus groups with accessible materials and held across different locations and times. Following this, a period will be dedicated to gathering feedback on key issues identified during the initial period of outreach that influence land use, housing, mobility, sustainability, and other planning areas. The selected consultant will ensure inclusivity by incorporating feedback from diverse groups, including non-English speaking residents. Once feedback is analyzed, a formal public review should be utilized to aid the drafting of zoning regulations, allowing at least two (2) months for comments and additional public meetings to discuss the proposed changes. This will allow the selected consultant the ability to revise zoning regulations based on community input before presenting them to the Planning and Development Board, the City Manager's Office and City Commission, the County Planning Commission Council, the Public, and other agencies as required. While the timeline should explicitly set date and time deadlines for community engagement events, it should also possess flexibility to address any gaps in engagement to ensure that all residents of Hollywood have ample opportunity to participate and have their voices heard in shaping rewrites to the ZLDRs and associated chapters of the Code of Ordinances.

B. Deliverables

All deliverables related to rewriting of Hollywood's Zoning and Land Development Regulations (ZLDRs) and associated chapters of the Code of Ordinances should be submitted electronically in editable word and PDF format. Paper copies will only be required for distribution to external agencies or for public availability when necessary. All electronic deliverables should be compatible across devices, ensuring they can be easily viewed on desktops, smartphones, and

tablets without technical issues as requested. The City requires that the ZLDRs and associated chapters of the Code of Ordinances update to be delivered in an interactive, digital format, allowing for users to navigate zoning regulations by clicking on items in the table of contents, maps, and key sections for seamless access to detailed information in English and Spanish.

The selected consultant will provide the City with all necessary maps, graphics, visuals, data, research documents, and other information uncovered and produced during the project as requested. Key deliverables are summarized below and will include but are not limited to:

- **Proposed Zoning Code Structure:** An outline of the updated Zoning Code's organization and structure.
- **Conflicting Regulations Report:** A comprehensive analysis that identifies inconsistencies, contradictions, or ambiguities within the Zoning and Land Development Regulations and associated chapters of the Code of Ordinances. The report evaluates areas where regulatory language may create confusion, hinder efficient decision-making, or result in conflicting interpretations. The report must provide clear, actionable recommendations for text amendments to resolve the conflicts.

Proposers will submit, with their bid/proposal, necessary data (factory information sheets, specifications, brochures, etc.) to evaluate and determine the quality of the item(s) they are proposing.

The City shall be the sole judge of equality and its decision shall be final.

8.5. ADDENDA

The Procurement Services Division may issue an addendum in response to any inquiry received, prior to bid/proposal opening, which changes, adds to or clarifies the terms, provisions or requirements of the solicitation. The Proposer should not rely on any representation, statement or explanation, whether written or verbal, other than those made in this solicitation document or in any addenda issued. Where there appears to be a conflict between this solicitation and any addendum, the last addendum issued shall prevail. It is the proposer's responsibility to ensure receipt of all addenda and any accompanying documents. Proposer(s) shall acknowledge receipt of any formal Addenda by signing the addendum and including it with their bid/proposal. Failure to include signed formal addenda in its bid/proposal shall cause the City to deem the bid/proposal non-responsive provided, however, that the City may waive this requirement in its best interest.

8.6. REJECTION OF BIDS/PROPOSALS

The City may reject a bid/proposal if:

- A. The Proposer fails to acknowledge receipt of an addendum, or if
- B. The Proposer misstates or conceals any material fact in the bid/proposal, or if
- C. The bid/proposal does not strictly conform to the law or requirements of the SOLICITATION, or if
- D. The City is under a pre-lawsuit claim or current litigation with the proposer.

The City may reject all bids/proposals whenever it is deemed in the best interest of the City to do so, and may reject any part of a bid/proposal unless the bid/proposal has been qualified as provided in herein.

8.7. WITHDRAWAL OF BIDS/PROPOSALS

- A. May not be withdrawn and shall be deemed enforceable for a period of 180 days after the time set for the SOLICITATION opening.
- B. Bids/proposals may be withdrawn prior to the time set for the SOLICITATION opening via the Portal.
- C. The City will permanently retain as liquidated damages the bid deposit furnished by any proposer who requests to withdraw a bid/proposal after the SOLICITATION opening.

8.8. BIDS/PROPOSALS TO REMAIN OPEN

All bids/proposals shall remain open for 180 calendar days after the day of the bid/proposal opening, but the City may, at its sole discretion, release any bid/proposal and return the bid/proposal Security prior to that date.

Extensions of time when bids/proposals shall remain open beyond the 180 day period may be made only by mutual written agreement between the City, the successful Proposer and the surety, if any, for the successful Proposer.

8.9. LATE BIDS/PROPOSALS OR MODIFICATIONS

Only bids/proposals received as of the opening date and time will be considered timely. Bids/proposals and modifications received after the time set for the opening will be returned unopened to the sender and rejected as late.

8.10. CONFLICTS WITHIN THE SOLICITATION

Where there appears to be a conflict between the General Terms and Conditions, Special Conditions, the Technical Specifications, the SOLICITATION Submittal Section, or any addendum issued, the order of precedence shall be the last addendum issued, the SOLICITATION Submittal Section, the Technical Specifications, the Special Conditions, and then the General Terms and Conditions.

8.11. CLARIFICATION OR OBJECTION TO BID/PROPOSAL SPECIFICATIONS

If any person contemplating submitting a bid/proposal for this contract is in doubt as to the true meaning of the specifications or other SOLICITATION documents or any part thereof, they may submit requests for clarification to the Procurement Services Division on or before the date specified for a request for clarification. All such requests for clarification shall be made in writing and the person submitting the request will be responsible for its prompt delivery. Any interpretation of the SOLICITATION, if made, will be made only by Addendum duly issued. A copy of such Addendum will be made available to each person receiving a Solicitation. The City will not be responsible for any other explanation or interpretation of the SOLICITATION given prior to the award of the contract. Any objection to the specifications and requirements as set forth in this SOLICITATION must be filed in writing with the Chief Procurement Officer on or before the date specified for a request for clarification.

8.12. COMPETENCY OF PROPOSERS

Pre-award inspection of the Proposer's facility may be made prior to the award of a contract. Bids/proposals will be considered only from firms which are regularly engaged in the business of providing the goods and/or services as described in this SOLICITATION(s); have a record of performance for a reasonable period of time; and have sufficient financial support, equipment and organization to ensure that they can satisfactorily deliver the material and/or services if awarded a Contract under the terms and conditions herein stated. The terms "equipment and organization" as used herein shall be construed to mean a fully equipped and well established company in line with the best business practices in the industry and as determined by the proper authorities of the City.

The City may consider any evidence available to it of the financial, technical and other qualifications and abilities of a proposer, including past performance (experience) in making the award in the best interest of the City. In all cases the City of Hollywood shall have no liability to any proposer for any costs or expense incurred in connection with this SOLICITATION or otherwise.

8.13. QUALIFICATIONS OF PROPOSERS

No Bid/proposal will be accepted from, nor will any contract be awarded to any person who is in arrears to the City upon any debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to City, or who is deemed responsible or unreliable by the City.

As part of the bid/proposal evaluation process, City may conduct a background investigation including a record check by the Hollywood Police Department. Proposer's submission of a bid/proposal constitutes acknowledgment of the process and consent to such investigation. City shall be the sole judge in determining a Proposer's qualifications.

8.14. CONSIDERATION OF BIDS/PROPOSALS

In cases where an item requested is identified by a manufacturer's name, trade name, catalog number, or reference, it is understood that the Vendor proposes to furnish the item so identified and does not propose to furnish an "equal" unless the proposed "equal" is pre-approved by the City.

References to any of the above are intended to be descriptive but not restrictive and only indicate articles that will be satisfactory. A bid/proposal of an "equal" will be considered, provided that the Vendor states in his bid/proposal exactly what he proposes to furnish, including sample, illustration, or other descriptive matter which will clearly indicate the character of the article covered by such bid/proposal. The designated City representative hereby reserves the right to approve as an "equal", or to reject as not being an "equal", any article proposed which contains major or minor variations from specifications requirements.

8.15. AWARD OF CONTRACT

If the Contract is to be awarded, it will be awarded, after evaluation by the City, to the responsible and responsive Proposer whom the City determines will be in the best interests of the City and not necessarily to the lowest cost Proposer. Proposers may be invited to an oral interview before the committee. A short list of finalists will be determined and presented to either the City Manager or his/her designee or to the City Commission, in accordance with the applicable City of Hollywood Code of Ordinances, and will make the final ranking for the purposes of negotiating a contract with the top ranked firm. The successful Proposer shall be required to sign a negotiated contract; the refusal or failure of a successful Proposer to execute a contract which contains the mandatory material terms and conditions contained in the SOLICITATION, shall be grounds for deeming the Proposer and/or the Proposer's bid/proposal non-responsive.

If applicable, the Proposer to whom award is made shall execute a written contract prior to award by the City Commission. If the Proposer to whom the first award is made fails to enter into a contract as herein provided, the Contract may be let to the next highest ranked Proposer who is responsible and responsive in the opinion of the City.

8.16. BASIS FOR AWARD, EVALUATION CRITERIA AND QUESTIONS

The qualification of bid/proposal responders on this project will be considered in making the award. The City is not obligated to accept any bid/proposal if deemed not in the best interest of the City to do so. The City shall make award to a qualified proposer based on fees submitted and responses to this SOLICITATION.

Failure to include in the bid/proposal all information outlined herein may be cause for rejection of the bid/proposal.

The City reserves the right to accept or reject any and all bids/proposals, in whole or in part, as determined to be in the best interest of the City in its sole discretion.

The City reserves the right to waive any informalities or irregularities in bids/proposals.

The City reserves the right to negotiate separately the terms and conditions or all or any part of the bids/proposals as deemed to be in the City's best interest in its sole discretion.

Information and/or factors gathered during interviews, negotiations and any reference checks, and any other information or factors deemed relevant by the City, shall be utilized in the final award. The final award of a contract is subject to approval by the City Commission.

8.17. AGREEMENT

An agreement shall be sent to the awarded proposer to be signed, witnessed, and returned to the City for execution. The City will provide a copy of the fully executed agreement to the awarded proposer.

8.18. NOTICE TO PROCEED

A signed purchase order, blanket purchase order or fully executed agreement will be the Proposer's authorization to proceed and may substitute for a "Notice to Proceed" form.

8.19. BID PROTESTS

The City shall provide notice of its intent to award or reject to all proposers by posting such notice on the City's website.

After a notice of intent to award a contract is posted, any actual or prospective proposer who is aggrieved in connection with the pending award of the contract or any element of the process leading to the award of the contract may protest to the Director of Procurement Services. A protest must be filed within five business days after posting or any right to protest is forfeited. The protest must be in writing, must identify the name and address of the protester, and must include a factual summary of, and the basis for, the protest. Filing shall be considered complete when the protest, including a deposit, is received by the Procurement Services Division. Failure to file a protest within the time-frame specified herein shall constitute a full waiver of all rights to protest the City's decision regarding the award.

The written protest shall state in detail the specific facts and law or ordinance upon which the protest of the proposed award is based, and shall include all pertinent documents.

A written protest may not challenge the relative weight of evaluation criteria or a formula for assigning points.

Upon receipt of a formal written protest, the City shall stop award proceedings until resolution of the protest; unless it has been determined that the award of the contract without delay is necessary to protect substantial interests of the City.

Any and all costs incurred by a protesting party in connection with a bid protest shall be the sole responsibility of the protesting party.

Upon receipt of a protest of the pending award of a contract, a copy of the protest shall promptly be forwarded to the City Attorney. The City Attorney shall thereupon review the charge to determine its sufficiency, including whether the protest was timely filed. If upon review the City Attorney determines that the charge is insufficient, the City Attorney may issue a summary dismissal of the protest. If upon review the City Attorney determines that the charge is sufficient, a hearing of the protest committee shall be scheduled.

A protest committee shall have the authority to review, settle and resolve the protest. The committee shall consist of three members appointed by the City Manager. The committee's review shall be informal.

If the protest committee determines that the pending award of a contract or any element of the process leading to the award involved a significant violation of law or applicable rule or regulation, all steps necessary and proper to correct the violation shall be taken. If the committee determines that the protest is without merit,

The Director shall promptly issue a decision in writing stating the reason for the decision and furnish a copy to the protester and any other interested party, and the process leading to the award shall proceed.

8.20. EXAMINATION OF BID/PROPOSAL DOCUMENTS

Before submitting a bid/proposal, each Proposer must: examine the bid/proposal Documents thoroughly; consider federal, state and local laws, ordinances, rules and regulations that may in any manner affect cost, progress, performance, or provision of the commodities and/or services; study and carefully correlate Proposer's observations with the bid/proposal Documents, and notify the City's agent of all conflicts, errors and discrepancies in the bid/proposal Documents.

The submission of a bid/proposal will constitute an incontrovertible representation by the Proposer, that the Proposer has complied with every requirement of this SOLICITATION, that without exception, the bid/proposal is premised upon performing the services and/or furnishing the commodities and materials in accordance with such means, methods, techniques, sequences or procedures as may be indicated in or required by the bid/proposal Documents, and that the bid/proposal Documents are sufficient in scope and detail to indicate and convey understanding of all terms and conditions of performance and furnishing of the goods and/or services.

8.21. PUBLIC RECORDS LAW

If applicable, for each public agency contract for services, the Proposer is required to comply with F.S. 119.0701, which includes the following:

- A. Keep and maintain public records that ordinarily and necessarily would be required by the public agency in order to perform the service.
- B. Provide the public with access to public records on the same terms and conditions that the public agency would provide the records and at a cost that does not exceed the cost provided in F.S. Chapter 119 or as otherwise provided by law.
- C. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.
- D. Meet all requirements for retaining public records and transfer, at no cost, to the public agency, all public records in possession of the proposer upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the public agency in a format that is compatible with the information technology systems of the public agency.

Public records may be inspected and examined by anyone desiring to do so, at a reasonable time, under reasonable conditions, and under supervision by the custodian of the public record. Sealed Bids/proposals become subject to the public records disclosure requirements of F.S. Chapter 119, notwithstanding a proposers' request to the contrary, at the time the City provides notice of a decision or intended decision, or 30 days after the bid/proposal opening, whichever is earlier.

Financial statements submitted in response to a request by the City may be confidential and exempt from disclosure.

Data processing software obtained under a licensing agreement which prohibits its disclosure may also exempt.

Proposers are hereby notified and agree that all information submitted as part of, or in support of SOLICITATION submittals will be available for public inspection after opening of SOLICITATION in compliance with Chapter 119 of the Florida Statutes. The proposer shall not, unless required as part of this SOLICITATION, submit any information in response to this invitation which the proposer considers to be a trade secret, proprietary or confidential. The submission, not required as part of this this SOLICITATION, of any information to the City in connection with this invitation shall be deemed conclusively to be a waiver of any trade secret or other protection, which would otherwise be available to the proposer.

8.22. INFORMATION

For information concerning procedure for responding to this Solicitation (SOLICITATION), contact the Point of Contact in the [#INTRODUCTION](#) section. Such contact shall be for clarification purposes only. **It is preferred that all other questions be submitted in writing via the Portal at least 10 calendar days prior to the bid/proposal due/opening date.**

8.23. BIDS/PROPOSALS

The bid/proposal must be signed by one duly authorized to do so and in cases where the bid/proposal is signed by a deputy or subordinate, the principal's proper written grant of authority to such deputy or subordinate must accompany the bid/proposal.

Bids/proposals by corporations must be executed in the corporate name by the President or other corporate officers accompanied by evidence of authority to sign. The corporate address and state of incorporation must be shown below the signature.

Bids/proposals by partnerships must be executed in the partnership name and signed by a general partner whose title must appear under the signature and the official address of the partnership must be shown below the signature.

8.24. MODIFICATION AND WITHDRAWAL OF BIDS/PROPOSALS

Bids/proposals must be modified or withdrawn electronically via the Portal. A request for withdrawal or a modification must be via the Portal by a person duly authorized to do so. Withdrawal of a bid/proposal will not prejudice the rights of a Proposer to submit a new bid/proposal prior to the bid/proposal date and time. Except where provided in the following paragraph no bid/proposal may be withdrawn or modified after expiration of the period for receiving bids/proposals.

If, within twenty-four (24) hours after bids/proposals are opened, any Proposer files a duly signed written notice with the City and within five (5) calendar days thereafter demonstrates to the reasonable satisfaction of the City by clear and convincing evidence that there was a material and substantial mistake in the preparation of its bid/proposal, or that the mistake is clearly evident on the face of the bid/proposal but the intended correct bid/proposal is not similarly evident, then the Proposer may withdraw its bid/proposal and the bid/proposal Security will be returned.

8.25. REJECTION OF BIDS/PROPOSALS

To the extent permitted by applicable state and federal laws and regulations, the City reserves the right to reject any and all bids/proposals, to waive any and all informalities, irregularities and technicalities not involving price, time or changes in the commodities and/or services, and the right to disregard all nonconforming, non-responsive, unbalanced or conditional bids/proposals. Bids/proposals will be considered irregular and may be rejected if they show serious omissions, alterations in form, additions not called for, conditions or unauthorized alterations or irregularities of any kind.

The City also reserves the right to waive minor technical defects in a bid/proposal. The City reserves the right to determine, in its sole discretion, whether any aspect of a bid/proposal satisfies the criteria established in this Solicitation.

The City reserves the right to reject the bid/proposal of any Proposer if the City believes that it would not be in the best interest of the City to make an award to that Proposer, whether because the bid/proposal is not responsive or the Proposer is unqualified or of doubtful financial ability or fails to meet any other pertinent standard or criterion established by City.

The foregoing reasons for rejection of bids/proposals are not intended to be exhaustive.

8.26. OPEN END CONTRACT

No guarantee is expressed or implied as to the total quantity of commodities/services to be purchased under any open end contract. Estimated quantities will be used for bid/proposal comparison purposes only. The City reserves the right to issue purchase orders as and when required, or a blanket purchase order and release partial quantities as and when required or any combination of the preceding.

ORDERING: The CITY reserves the right to purchase commodities/services specified herein through Contracts established by other governmental agencies or through separate procurement actions due to unique or special needs. If an urgent delivery is required within a period shorter than the delivery time specified in the contract, and if the seller is unable to comply therewith, the City reserves the right to obtain such delivery from others without penalty or prejudice to the City or to the Proposer.

8.27. AUDIT RIGHTS

The City reserves the right to audit the records of the successful Proposer for the commodities and/or services provided under the Contract at any time during the performance and term of the Contract and for a period of three (3) years after completion and acceptance by the City. If required by the City, the successful Proposer agrees to submit to an audit by an independent certified public accountant selected by the City. The successful Proposer shall allow the City to inspect, examine and review the records of the successful Proposer in relation to this contract at any and all times during normal business hours during the term of the Contract.

8.28. LOCAL, STATE AND FEDERAL COMPLIANCE REQUIREMENTS

The Proposer shall comply with all local, state and federal directives, orders and laws as applicable to this SOLICITATION and subsequent contract(s) including, but not limited to:

- A. Equal Employment Opportunity (EEO), in compliance with Executive Order 11246 as amended and applicable to this contract.
- B. All manufactured items and fabricated assemblies shall comply with applicable requirements of the Occupation Safety and Health Act of 1970 as amended, and be in compliance with Chapter 442, Florida Statutes. Any toxic substance listed in Section 38F-41.03 of the Florida Administrative Code delivered as a result of this order must be accompanied by a completed Material Safety Data Sheet (MSDS).
- C. The Immigration and Nationality Act prohibits (i) the employment of an unauthorized alien when the employer knows the individual is an unauthorized alien and (ii) the employment of an individual without complying with the requirements of the federal employment verification system. If a proposer commits either of these violations, such violation shall be cause for unilateral cancellation of the contract.
- D. This Section applies only to any contract for goods or services of \$1 million or more: The Proposer certifies that it is not on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List and that it does not have business operations in Cuba or Syria as provided in section

287.135, Florida Statutes (2011), as may be amended or revised. The City may terminate this Contract at the City's option if the Proposer is found to have submitted a false certification as provided under subsection (5) of section 287.135, Florida Statutes (2011), as may be amended or revised, or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List or has engaged in business operations in Cuba or Syria, as defined in Section 287.135, Florida Statutes (2011), as may be amended or revised.

8.29. FRAUD AND MISREPRESENTATION

Any individual, corporation or other entity that attempts to meet its contractual obligations with the City through fraud, misrepresentation or material misstatement, may be debarred from doing business with the City. The City as further sanction may terminate or cancel any other contracts with such individual, corporation or entity. Such individual or entity shall be responsible for all direct or indirect costs associated with termination or cancellation, including attorney's fees.

8.30. DEBARRED OR SUSPENDED BIDDERS OR PROPOSERS

The proposer certifies, by submission of a response to this solicitation, that neither it nor its principals and subproposers are presently debarred or suspended by any Federal department or agency.

8.31. COLLUSION

More than one bid/proposal received for the same work from an individual, firm, partnership, corporation or association under the same or different names will not be considered. Reasonable grounds for believing that any Proposer is interested in more than one bid/proposal for the same work will cause the rejection of such bin which the Proposer is interested. If there are reasonable grounds for believing that collusion exists among the Proposers, the bids/proposals of participants in such collusion will not be considered.

8.32. COPELAND "ANTI-KICKBACK"

The Proposer and all subproposers will comply with the Copeland Anti-Kickback Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR Part 3).

8.33. FORCE MAJEURE

The Agreement which is awarded to the successful proposer may provide that the performance of any act by the City or Proposer hereunder may be delayed or suspended at any time while, but only so long as, either party is hindered in or prevented from performance by acts of God, the elements, war, rebellion, strikes, lockouts or any cause beyond the reasonable control of such party, provided however, the City shall have the right to provide substitute service from third parties or City forces and in such event the City shall withhold payment due the Proposer for such period of time. If the condition of force majeure exceeds a period of 14 days the City may, at its option and discretion, cancel or renegotiate this Agreement.

8.34. PUBLIC ENTITY CRIMES

A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a proposal on a contract to provide any goods or services to a public entity, may not submit a proposal on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a proposer, supplier, subproposer, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Florida Statutes, Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

8.35. DRUG-FREE WORKPLACE PROGRAM

Preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids/proposals which are equal with respect to price, quality, and service are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid/proposal received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie bids/proposals will be followed if none of the tied vendors have a drug-free workplace program.

8.36. SOLICITATION, GIVING, AND ACCEPTANCE OF GIFTS POLICY

Proposer shall sign and submit the attached form indicating understanding and compliance with the City's and State's policies prohibiting solicitation and acceptance of gifts by public officers, employees and candidates. Failure to submit the signed form will result in your bid/proposal being declared non-responsive; provided, however, that a responsible proposer whose bid/proposal would be responsive but for the failure to submit the signed form in its bid/proposal may be given the opportunity to submit the form to the City within five calendar days after notification by the City, if this is determined to be in the best interest of the City.

8.37. CONFLICT OF INTEREST

The Proposer represents that:

No officer, director, employee, agent, or other consultant of the City or a member of the immediate family or household of the aforesaid has directly or indirectly received or been promised any form of benefit, payment or compensation, whether tangible or intangible, in connection with the grant of this Agreement.

There are no undisclosed persons or entities interested with the Proposer in this Agreement. This Agreement is entered into by the Proposer without any connection with any other entity or person making a bid/proposal for the same purpose, and without collusion, fraud or conflict of interest. No elected or appointed officer or official, director, employee, agent or other consultant of the City, or of the State of Florida (including elected and appointed members of the legislative and executive branches of government), or member of the immediate family or household of any of the aforesaid:

- A. Is interested on behalf of or through the Proposer directly or indirectly in any manner whatsoever in the execution or the performance of this Agreement, or in the services, supplies or work, to which this Agreement relates or in any portion of the revenues; or

- B. Is an employee, agent, advisor, or consultant to the Proposer or to the best of the Proposer's knowledge, any subproposer or supplier to the Proposer.

Neither the Proposer nor any officer, director, employee, agent, parent, subsidiary, or affiliate of the Proposer shall have an interest which is in conflict with the Proposer's faithful performance of its obligations under this Agreement; provided that the City, in its sole discretion, may consent in writing to such a relationship, and provided the Proposer provides the City with a written notice, in advance, which identifies all the individuals and entities involved and sets forth in detail the nature of the relationship and why it is in the City's best interest to consent to such relationship.

The provisions of this Article are supplemental to, not in lieu of, all applicable laws with respect to conflict of interest. In the event there is a difference between the standards applicable under this Agreement and those provided by statute, the stricter standard shall apply.

In the event the Proposer has no prior knowledge of a conflict of interest as set forth above and acquires information which may indicate that there may be an actual or apparent violation of any of the above, the Proposer shall promptly bring such information to the attention of the City's Project Manager. The Proposer shall thereafter cooperate with the City's review and investigation of such information, and comply with the instructions the Proposer receives from the Project Manager in regard to remedying the situation.

8.38. DISCRIMINATION

Any entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid/proposal on a contract to provide goods or services to a public entity, may not submit a bid/proposal on a contract with a public entity for construction or repair of a public building or public work, may not submit bids/proposals on leases of real property to a public entity, may not award or perform work as a proposer, supplier, subproposer, or consultant under contract with any public entity, and may not transact business with any public entity.

8.39. ADVICE OF OMISSION OR MISSTATEMENT

In the event it is evident to a Vendor responding to this SOLICITATION that the City has omitted or misstated a material requirement to this SOLICITATION and/or the services required by this SOLICITATION, the responding Vendor shall advise the contact identified in the SOLICITATION Clarifications and Questions section above of such omission or misstatement.

8.40. CONFIDENTIAL INFORMATION

Information contained in the Vendor's bid/proposal that is company confidential must be clearly identified in the bid/proposal itself. The City will be free to use all information in the Vendor's bid/proposal for the City's purposes, in accordance with State Law. Vendor bids/proposals shall remain confidential for 30 days or until a notice of intent to award is posted, which is sooner. The Vendor understands that any material supplied to the City may be subject to public disclosure under the Public Records Law.

8.41. GOVERNING LAW

This Contract, including appendices, and all matters relating to this Contract (whether in contract, statute, tort (such as negligence), or otherwise) shall be governed by, and construed in accordance with, the laws of the State of Florida. This shall apply notwithstanding such factors

which include, but are not limited to, the place where the contract is entered into, the place where the accident occurs and notwithstanding application of conflicts of law principles.

8.42. LITIGATION VENUE

The parties waive the privilege of venue and agree that all litigation between them in the state courts shall take place in Broward County, Florida and that all litigation between them in the federal courts shall take place in the Southern District of Florida.

8.43. SOVEREIGN IMMUNITY

Nothing in this agreement shall be interpreted or construed to mean that the city waives its common law sovereign immunity or the limits of liability set forth in Section 768.28, Florida Statute.

8.44. SURVIVAL

The parties acknowledge that any of the obligations in this Agreement will survive the term, termination and cancellation hereof. Accordingly, the respective obligations of the Proposer and the City under this Agreement, which by nature would continue beyond the termination, cancellation or expiration thereof, shall survive termination, cancellation or expiration hereof.

8.45. INDEMNIFICATION AND HOLD HARMLESS AGREEMENT

The Contractor shall indemnify and hold harmless the City of Hollywood and its officers, employees, agents and instrumentalities from any and all liability, losses or damages. In addition, the City shall be entitled to attorney's fees and costs of defense, which the City of Hollywood, or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this project by the awarded proposer or its employees, agents, servants, partners, principals or subcontractors. Furthermore, the awarded proposer shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind of nature in the name of the City of Hollywood, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon. The awarded proposer expressly understands and agrees that any insurance protection required by the resulting agreement or otherwise provided by the awarded proposer shall cover the City of Hollywood, its officers, employees, agents and instrumentalities and shall include claims for damages resulting from and/or caused by the negligence, recklessness or intentional wrongful misconduct of the Contractor and persons employed by or utilized by the Contractor in the performance of the contract.

8.46. PATENT AND COPYRIGHT INDEMNIFICATION

The Proposer warrants that all deliverables furnished hereunder, including but not limited to: services, equipment programs, documentation, software, analyses, applications, methods, ways, processes, and the like, do not infringe upon or violate any patent, copyrights, service marks, trade secret, or any other third party proprietary rights.

The Proposer shall be liable and responsible for any and all claims made against the City for infringement of patents, copyrights, service marks, trade secrets or any other third party proprietary rights, by the use or supplying of any programs, documentation, software, analyses, applications, methods, ways, processes, and the like, in the course of performance or completion of, or in any way connected with, the work, or the City's continued use of the deliverables furnished hereunder. Accordingly, the Proposer, at its own expense, including the payment of attorney's fees, shall indemnify, and hold harmless the City and defend any action brought against the City with respect to any claim, demand, and cause of action, debt, or liability.

In the event any deliverable or anything provided to the City hereunder, or a portion thereof, is held to constitute an infringement and its use is or may be enjoined, the Proposer shall have the obligation, at the City's option, to (i) modify, or require that the applicable subproposer or supplier modify, the alleged infringing item(s) at the Proposer's expense, without impairing in any respect the functionality or performance of the item(s), or (ii) procure for the City, at the Proposer's expense, the rights provided under this Agreement to use the item(s).

The Proposer shall be solely responsible for determining and informing the City whether a prospective supplier or subproposer is a party to any litigation involving patent or copyright infringement, service mark, trademark, violation, or proprietary rights claims or is subject to any injunction which may prohibit it from providing any deliverable hereunder. The Proposer shall enter into agreements with all suppliers and subproposers at the Proposer's own risk. The City may reject any deliverable that it believes to be the subject of any such litigation or injunction, or if, in the City's judgment, use thereof would delay the work or be unlawful.

The Proposer shall not infringe any copyright, trademark, service mark, trade secrets, patent rights, or other intellectual property rights in the performance of the work.

8.47. ADVERTISING

Vendor shall not advertise or publish the fact that the City has placed this order without prior written consent from the City, except as may be necessary to comply with a proper request for information from an authorized representative of a governmental unit or agency.

8.48. DISCLAIMER

8.56. NATURE OF THE AGREEMENT

The Agreement incorporates and includes all negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained in the Agreement. The parties agree that there are no commitments, agreements, or understandings concerning the subject matter of the Agreement that are not contained in the Agreement, and that the Agreement contains the entire agreement between the parties as to all matters contained herein. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written. It is further agreed that any oral representations or modifications concerning this Agreement shall be of no force or effect, and that the Agreement may be modified, altered or amended only by a written amendment duly executed by both parties hereto or their authorized representatives.

The Proposer shall provide the services set forth in the Scope of Services, and render full and prompt cooperation with the City in all aspects of the services performed hereunder.

The Proposer acknowledges that the Agreement requires the performance of all things necessary for or incidental to the effective and complete performance of all work and services under this Contract. All things not expressly mentioned in the Agreement but necessary to carrying out its intent are required by the Agreement, and the Proposer shall perform the same as though they were specifically mentioned, described and delineated.

The Proposer shall furnish all labor, materials, tools, supplies, and other items required to perform the work and services that are necessary for the completion of this Contract. All work and services shall be accomplished at the direction of and to the satisfaction of the City's Project Manager.

The Proposer acknowledges that the City shall be responsible for making all policy decisions regarding the Scope of Services. The Proposer agrees to provide input on policy issues in the form of recommendations.

The Proposer agrees to implement any and all changes in providing services hereunder as a result of a policy change implemented by the City. The Proposer agrees to act in an expeditious and fiscally sound manner in providing the City with input regarding the time and cost to implement said changes and in executing the activities required to implement said changes.

8.57. AUTHORITY OF THE CITY'S PROJECT MANAGER

The Proposer hereby acknowledges that the City's Project Manager will determine in the first instance all questions of any nature whatsoever arising out of, under, or in connection with, or in any way related to or on account of, this Agreement including without limitations: questions as to the value, acceptability and fitness of the services; questions as to either party's fulfillment of its obligations under the Contract; negligence, fraud or misrepresentation before or subsequent to acceptance of the Bid/proposal; questions as to the interpretation of the Scope of Services; and claims for damages, compensation and losses.

The Proposer shall be bound by all determinations or orders and shall promptly obey and follow every order of the Project Manager, including the withdrawal or modification of any previous order and regardless of whether the Proposer agrees with the Project Manager's determination or order. Where orders are given orally, they will be issued in writing by the Project Manager as soon thereafter as is practicable.

The Proposer must, in the final instance, seek to resolve every difference concerning the Agreement with the Project Manager. In the event that the Project Manager and the Proposer are unable to resolve their difference, the Proposer may initiate a dispute in accordance with the procedures set forth in the section below. Exhaustion of these procedures shall be a condition precedent to any lawsuit permitted hereunder.

In the event of such dispute, the parties to this Agreement authorize the City Manager or designee, who may not be the Project Manager or anyone associated with this Project, acting personally, to decide all questions arising out of, under, or in connection with, or in any way related to or on account of the Agreement (including but not limited to claims in the nature of breach of contract, fraud or misrepresentation arising either before or subsequent to execution hereof) and the decision of each with respect to matters within the City Manager's purview as set forth above shall be conclusive, final and binding on the parties. Any such dispute shall be brought, if at all, before the City Manager within 10 days of the occurrence, event or act out of which the dispute arises.

The City Manager may base this decision on such assistance as may be desirable, including advice of experts, but in any event shall base the decision on an independent and objective determination of whether the Proposer's performance or any deliverable meets the requirements of this Agreement and any specifications with respect thereto set forth herein. The effect of any decision shall not be impaired or waived by any negotiations or settlements or offers made in connection with the dispute, whether or not the City Manager participated therein, or by any prior decision of others, which prior decision shall be deemed subject to review, or by any termination or cancellation of the Agreement. All such disputes shall be submitted in writing by the Proposer to the City Manager for a decision, together with all pertinent information in regard to such questions, in order that a fair and impartial decision may be made. The parties agree that whenever the City Manager is entitled to exercise discretion or judgment or to make a determination or form an opinion pursuant to the provisions of this Article, such action shall be deemed fair and impartial when exercised or taken. The City Manager shall render a decision in writing and deliver a copy of the same to the Proposer. Except as such remedies may be limited or waived elsewhere in the Agreement, the Proposer reserves the right to pursue any remedies available under law after exhausting the provisions of this Article.

8.58. MUTUAL OBLIGATIONS

This Agreement, including attachments and appendices to the Agreement, shall constitute the entire Agreement between the parties with respect hereto and supersedes all previous communications and representations or agreements, whether written or oral, with respect to the subject matter hereof unless acknowledged in writing by the duly authorized representatives of both parties.

Nothing in this Agreement shall be construed for the benefit, intended or otherwise, of any third party that is not a parent or subsidiary of a party or otherwise related (by virtue of ownership control or statutory control) to a party.

In those situations where this Agreement imposes an indemnity or defense obligation on the Proposer, the City may, at its expense, elect to participate in the defense if the City should so choose. Furthermore, the City may at its own expense defend or settle any such claims if the Proposer fails to diligently defend such claims, and thereafter seek indemnity for costs and attorney's fees from the Proposer.

8.59. SUBCONTRACTUAL RELATIONS

If the Proposer will cause any part of this Agreement to be performed by a subproposer, the provisions of this Contract will apply to such subproposer and its officers, agents and employees in all respects as if it and they were employees of the Proposer; and the Proposer will not be in any manner thereby discharged from its obligations and liabilities hereunder, but will be liable hereunder for all acts and negligence of the subproposer, its officers, agents, and employees, as if they were employees of the Proposer. The services performed by the subproposer will be subject to the provisions hereof as if performed directly by the Proposer.

The Proposer, before making any subcontract for any portion of the services, will state in writing to the City the name of the proposed subproposer, the portion of the services which the subproposer is to do, the place of business of such subproposer, and such other information as the City may require. The City will have the right to require the Proposer not to award any subcontract to a person, firm or corporation disapproved by the City.

Before entering into any subcontract hereunder, the Proposer will inform the subproposer fully and completely of all provisions and requirements of this Agreement relating either directly or indirectly to the services to be performed. Such services performed by such subproposer will strictly comply with the requirements of this Contract.

In order to qualify as a subproposer satisfactory to the City, in addition to the other requirements herein provided, the subproposer must be prepared to prove to the satisfaction of the City that it has the necessary facilities, skill and experience, and ample financial resources to perform the services in a satisfactory manner. To be considered skilled and experienced, the subproposer must show to the satisfaction of the City that it has satisfactorily performed services of the same general type which are required to be performed under this Agreement.

The City shall have the right to withdraw its consent to a subcontract if it appears to the City that the subcontract will delay, prevent, or otherwise impair the performance of the Proposer's obligations under this Agreement. All subproposers are required to protect the confidentiality of the City and City's proprietary and confidential information. The Proposer shall furnish to the City copies of all subcontracts between the Proposer and subproposers and suppliers hereunder. Within each such subcontract, there shall be a clause for the benefit of the City permitting the City to request completion of performance by the subproposer of its obligations under the subcontract, in the event the City finds the Proposer in breach of its obligations, and the option to pay the subproposer directly for the performance by such subproposer. The foregoing shall neither convey nor imply any obligation or liability on the part of the City to any subproposer hereunder as more fully described herein.

8.60. PROMPT PAYMENT: LATE PAYMENTS BY PROPOSER TO SUBPROPOSER AND MATERIAL SUPPLIERS; PENALTY:

When a proposer receives from the City of Hollywood any payment for contractual services, commodities, materials, supplies, or construction contracts, the proposer shall pay such moneys received to each subproposer and material supplier in proportion to the percentage of work completed by each subproposer and material supplier at the time of receipt. If the proposer receives less than full payment, then the proposer shall be required to disburse only the funds received on a pro rata basis to the subproposers and materials Suppliers, each receiving a prorated portion based on the amount due on the payment. If the proposer without reasonable

cause fails to make payments required by this section to subproposers and material suppliers within fifteen (15) working days after the receipt by the proposer of full or partial payment, the proposer shall pay to the subproposers and material suppliers a penalty in the amount of one percent (1%) of the amount due, per month, from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed. Retainage is also subject to the prompt payment requirement and must be returned to the subproposer or material supplier whose work has been completed, even if the prime contract has not been completed. The Proposer shall include the above obligation in each subcontract it signs with a subproposer or material supplier.

8.61. PAYMENT METHODS

The City of Hollywood will be making payments to all new vendors through Automated Clearing House (ACH). The (ACH) option allows the City to process payments to vendors electronically and directly to their financial institution of choice. With (ACH) payments, funds are deposited into the vendor's bank account and are available on the date the bank receives them. There will be no more waiting to receive payments in the mail, and no trips to the bank to make deposits.

8.62. TERMINATION FOR CONVENIENCE AND SUSPENSION OF WORK

The City may terminate this Agreement if an individual or corporation or other entity attempts to meet its contractual obligation with the City through fraud, misrepresentation or material misstatement.

The City may, as a further sanction, terminate or cancel any other contract(s) that such individual or corporation or other entity has with the City. Such individual, corporation or other entity shall be responsible for all direct and indirect costs associated with such termination or cancellation, including attorney's fees.

The foregoing notwithstanding, any individual, corporation or other entity which attempts to meet its contractual obligations with the City through fraud, misrepresentation or material misstatement may be debarred from City contracting in accordance with the City debarment procedures. The Proposer may be subject to debarment for failure to perform and any other reasons related to the proposer's breach or failure of satisfactory performance.

In addition to cancellation or termination as otherwise provided in this Agreement, the City may at any time, in its sole discretion, with or without cause, terminate this Agreement by written notice to the Proposer and in such event:

The Proposer shall, upon receipt of such notice, unless otherwise directed by the City:

- A. Stop work on the date specified in the notice ("the Effective Termination Date");
- B. Take such action as may be necessary for the protection and preservation of the City's materials and property;
- C. Cancel orders;
- D. Assign to the City and deliver to any location designated by the City any non-cancelable orders for deliverables that are not capable of use except in the performance of this

Agreement and which have been specifically developed for the sole purpose of this Agreement and not incorporated in the services;

- E. Take no action which will increase the amounts payable by the City under this Agreement.

In the event that the City exercises its right to terminate this Agreement pursuant to this Article, the Proposer will be compensated as stated in the payment articles herein, for the:

- A. Portion of the services completed in accordance with the Agreement up to the Effective Termination Date; and
- B. Non-cancelable deliverables that are not capable of use except in the performance of this Agreement and which have been specifically developed for the sole purpose of this Agreement but not incorporated in the services.

All compensation pursuant to this Article is subject to audit.

8.63. EVENT OF DEFAULT

An Event of Default shall mean a breach of this Agreement by the Proposer. Without limiting the generality of the foregoing and in addition to those instances referred to herein as a breach, an Event of Default, shall include the following:

- A. The Proposer has not delivered deliverables on a timely basis;
- B. The Proposer has refused or failed, except in any case for which an extension of time is provided, to supply enough properly skilled staff personnel;
- C. The Proposer has failed to make prompt payment to subproposers or suppliers for any services;
- D. The Proposer has become insolvent (other than as interdicted by the bankruptcy laws), or has assigned the proceeds received for the benefit of the Proposer's creditors, or the Proposer has taken advantage of any insolvency statute or debtor/creditor law or if the Proposer's affairs have been put in the hands of a receiver;
- E. The Proposer has failed to obtain the approval of the City where required by this Agreement;
- F. The Proposer has failed to provide "adequate assurances" as required under subsection "B" below; and
- G. The Proposer has failed in the representation of any warranties stated herein.

When, in the opinion of the City, reasonable grounds for uncertainty exist with respect to the Proposer's ability to perform the services or any portion thereof, the City may request that the Proposer, within the time frame set forth in the City's request, provide adequate assurances to the City, in writing, of the Proposer's ability to perform in accordance with terms of this Agreement. Until the City receives such assurances the City may request an adjustment to the compensation received by the Proposer for portions of the services which the Proposer has not performed. In

the event that the Proposer fails to provide to the City the requested assurances within the prescribed time frame, the City may:

- A. Treat such failure as a repudiation of this Agreement;
- B. Resort to any remedy for breach provided herein or at law, including but not limited to, taking over the performance of the services or any part thereof either by itself or through others.

In the event the City shall terminate this Agreement for default, the City or its designated representatives may immediately take possession of all applicable equipment, materials, products, documentation, reports and data.

8.64. REMEDIES IN THE EVENT OF DEFAULT

If an Event of Default occurs, the Proposer shall be liable for all damages resulting from the default, including but not limited to:

- A. Lost revenues;
- B. The difference between the cost associated with procuring services hereunder and the amount actually expended by the City for procurement of services, including procurement and administrative costs; and,
- C. Such other damages that the City may suffer.

The Proposer shall also remain liable for any liabilities and claims related to the Proposer's default. The City may also bring any suit or proceeding for specific performance or for an injunction.

8.65. BANKRUPTCY

The City reserves the right to terminate this contract if, during the term of any contract the Proposer has with the City, the Proposer becomes involved as a debtor in a bankruptcy proceeding, or becomes involved in a reorganization, dissolution, or liquidation proceeding, or if a trustee or receiver is appointed over all or a substantial portion of the property of the Proposer under federal bankruptcy law or any state insolvency law.

8.66. CANCELLATION FOR UNAPPROPRIATED FUNDS

The obligation of the City for payment to a Proposer is limited to the availability of funds appropriated in a current fiscal period, and continuation of the contract into a subsequent fiscal period is subject to appropriation of funds, **unless otherwise authorized by law.**

8.67. VERBAL INSTRUCTIONS PROCEDURE

No negotiations, decisions, or actions shall be initiated or executed by the Proposer as a result of any discussions with any City employee. Only those communications which are in writing from an authorized City representative may be considered. Only written communications from Proposers, which are signed by a person designated as authorized to bind the Proposer, will be recognized by the City as duly authorized expressions on behalf of the Proposer.

8.68. E-VERIFY

Proposer acknowledges that the City may be utilizing the Proposer's services for a project that is funded in whole or in part by State funds pursuant to a contract between the City and a State agency. The Proposer shall be responsible for complying with the E-Verify requirements in the contract and using the U.S. Department of Homeland Security's E-Verify system to verify the employment of all new employees hired by the Proposer during the Agreement term. The Proposer is also responsible for e-verifying its subproposers, if any, pursuant to any agreement between the City and a State Agency, and reporting to the City any required information. The Proposer acknowledges that the terms of this paragraph are material terms, the breach of any of which shall constitute a default under this Agreement.

8.69. BUDGETARY CONSTRAINTS

In the event the City is required to reduce contract costs due to budgetary constraints, all services specified in this document may be subject to a permanent or temporary reduction in budget. In such an event, the total cost for the affected service shall be reduced as required. The Proposer shall also be provided with a minimum 30-day notice prior to any such reduction in budget.

8.70. COST ADJUSTMENTS

The cost for all items as quoted herein shall remain firm for the first term of the contract. Costs for subsequent years and any extension term years shall be subject to an adjustment only if increases occur in the industry. However, unless very unusual and significant changes have occurred in the industry, such increases shall not exceed 3% per year or, whichever is less, the latest yearly percentage increase in the All Urban Consumers Price Index (CPU-U) (National) as published by the Bureau of Labor Statistics, U.S. Dept. of Labor. The yearly increase or decrease in the CPI shall be that latest index published and available ninety (90) days prior to the end of the contract year than in effect compared to the index for the same month one year prior. Any requested cost increase shall be fully documented and submitted to the City at least ninety (90) days prior to the contract anniversary date. Any approved cost adjustments shall become effective upon the anniversary date of the contract. In the event the CPI or industry costs decline, the City shall have the right to receive from the Proposer a reduction in costs that reflects such cost changes in the industry. The City may, after examination, refuse to accept the adjusted costs if they are not properly documented, increases are considered to be excessive, or decreases are considered to be insufficient. In the event the City does not wish to accept the adjusted costs and the matter cannot be resolved to the satisfaction of the City, the contract can be cancelled by the City upon giving thirty (30) days written notice to the Proposer.

8.71. OSHA STANDARDS

Proposer acknowledges and agrees that as Contractor for the City of Hollywood, Florida, within the limits of the City of Hollywood, Florida, will have the sole responsibility for compliance with all requirements of the Federal Occupational Safety and Health Act of 1970, and all State and local safety and health regulations, and agrees to defend, indemnify and hold harmless the City of Hollywood, Florida, its officials, employees, service providers, and its agents against any and all legal liability or loss the City of Hollywood, Florida may incur due to the Contractor's failure to comply with such act.

9.3.7. Solicitation, Giving, and Acceptance of Gifts Policy*

Florida Statute 112.313 prohibits the solicitation or acceptance of Gifts. "No Public officer, employee of an agency, local government attorney, or candidate for nomination or election shall solicit or accept anything of value to the recipient, including a gift, loan, reward, promise of future employment, favor, or service, based upon any understanding that the vote, official action, or judgment of the public officer, employee, local government attorney, or candidate would be influenced thereby." The term "public officer" includes "any person elected or appointed to hold office in any agency, including any person serving on an advisory body."

The City of Hollywood/Hollywood CRA policy prohibits all public officers, elected or appointed, all employees, and their families from accepting any gifts of any value, either directly or indirectly, from any contractor, vendor, consultant, or business with whom the City/CRA does business.

The State of Florida definition of "gifts" includes the following:

- Real property or its use,
- Tangible or intangible personal property, or its use,
- A preferential rate or terms on a debt, loan, goods, or services,
- Forgiveness of indebtedness,
- Transportation, lodging, or parking,
- Food or beverage,
- Membership dues,
- Entrance fees, admission fees, or tickets to events, performances, or facilities,
- Plants, flowers or floral arrangements
- Services provided by persons pursuant to a professional license or certificate.

- Other personal services for which a fee is normally charged by the person providing the services.
- Any other similar service or thing having an attributable value not already provided for in this section.

Any contractor, vendor, consultant, or business found to have given a gift to a public officer or employee, or his/her family, will be subject to dismissal or revocation of contract.

As the person authorized to sign the statement, I certify that this firm will comply fully with this policy.
