Dear Chris,

The Hartford is pleased to support the City of Hollywood Fire Rescue. In this capacity, The Hartford has committed \$5,000 to support your city's fire safety education efforts and programming.

We ask that the funds from this grant be leveraged within one calendar year from the date the grant is received and to provide a formal report within this grant timeframe as to how the funds were leveraged. The parameters of this grant can be customized to your individual needs, and may include, but are not limited to, investments such as smoke detectors (and/or batteries) or events such as open houses.

We ask that our company be referred to as **The Hartford** in any materials you publish regarding this commitment and to have the opportunity to review prior to publication.

We look forward to our continued partnership. On behalf of The Hartford and its Junior Fire Marshal program, thank you for your commitment to keeping the community fire safe.

Sincerely,
