## **CONE OF SILENCE**

The City of Hollywood City Commission adopted Ordinance No. O-2007-05, which created Section 30.15(F) imposing a Cone of Silence for certain City purchases of goods and Services.

The Cone of Silence refers to limits on communications held between vendors and vendor's representatives and City elected officials, management and staff during the period in which a Formal Solicitation is open.

The Ordinance does allow potential vendors or vendor's representatives to communicate with designated employees for the limited purpose of seeking clarification or additional information. The names and contact information of those employees that may be contacted for clarification or additional information are included in the solicitation.

The Cone of Silence does not prohibit a vendor or vendor's representative from communicating verbally, or in writing with the City Manager, the City Manager's designee, the City Attorney or the City Attorney's designee on those procurement items to be considered by the City Commission.

The Cone of Silence does not prohibit a vendor or vendor's representative from making public presentations at a duly noticed pre-bid conference or duly noticed evaluation committee meeting or from communicating with the City Commission during a duly noticed public meeting.

The Cone of Silence shall be imposed when a formal competitive solicitation has been issued and shall remain in effect until an award is made, a contract is approved, or the City Commission takes any other action which ends the solicitation.

To view the Cone of Silence, Ordinance No. O-2007-05, go to the City of Hollywood's Official website at <http://www.hollywoodfl.org/ConeOfSilence>

All communications regarding this bid should be sent in writing to the Procurement Services Division as identified in this bid.

## 1.0 GENERAL TERMS AND CONDITIONS

### 1.1 INTENT

It is the policy of the City to encourage full and open competition among all available qualified vendors. All vendors regularly engaged in the type of Work specified in the Bid Solicitation are encouraged to submit bids. To receive notification and to be eligible to bid vendor should be registered with BidSync. Vendors may register with the BidSync (registration is free) to be included on a mailing list for selected categories of goods and Services. In order to be processed for payment, any awarded vendor must register with the City by completing and returning a Vendor Application and all supporting documents. For information and to apply as a vendor, please visit our website at [hollywoodfl.org](http://hollywoodfl.org) to download an application and submit it to Procurement Services Division.

It is the intent of the City of Hollywood, FL ("the City"), through this request for proposals and the contract conditions contained herein, to establish to the greatest possible extent complete clarity regarding the requirements of both parties to the agreement resulting from this request for proposals.

Before submitting a proposal, the Vendor shall be thoroughly familiarized with all contract conditions referred to in this document and any addenda issued before the proposal submission date. Such addenda shall form a part of the RFP and shall be made a part of the contract. It shall be the Vendor's responsibility to ascertain that the proposal includes all addenda issued prior to the proposal submission date. Addenda will be posted on the City's internet site along with the RFP.

The terms of the RFP and the selected Vendor's proposal and any additional documentation (e.g. questions and answers) provided by the Vendor during the solicitation process will be integrated into the final contract for services entered into between the City and the selected Vendor. The Vendor shall determine, by personal examination and by such other means as may be preferred, the conditions and requirements under which the agreement must be performed.

### 1.2 PROPOSER'S RESPONSIBILITIES

Proposers are required to submit their proposals upon the following express conditions:

- A. Proposers shall thoroughly examine the drawings, specifications, schedules, instructions and all other contract documents.
- B. Proposers shall make all investigations necessary to thoroughly inform themselves regarding delivery of material, equipment or services as required by the RFP conditions. No plea of ignorance, by the proposer, of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the proposer to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the contract documents, will be accepted as a basis for varying the requirements of the City or the compensation due the proposer.
- C. Proposers are advised that all City contracts are subject to all legal requirements provided for in the City of Hollywood Charter, Code of Ordinances and applicable County Ordinances, State Statutes and Federal Statutes.

### 1.3 PREPARATION OF PROPOSALS

Proposals will be prepared in accordance with the following:

- A. The City's enclosed Proposal Forms, in their entirety, are to be used in submitting your proposal. NO OTHER FORM WILL BE ACCEPTED.
- B. All information required by the proposal form shall be furnished. The proposer shall sign each continuation sheet (where indicated) on which an entry is made.
- C. Prices shall be shown and where there is an error in extension of prices, the unit price shall govern.

The City of Hollywood is exempt from payment to its vendors of State of Florida sales tax and, therefore, such taxes should not be figured into the RFP. However, this exemption does not apply to suppliers to the City in their (supplier) purchases of goods or services, used in work or goods supplied to the City. Proposers are responsible for any taxes, sales or otherwise, levied on their purchases, subcontracts, employment, etc. An exemption certificate will be signed where applicable, upon request. The City will pay no sales tax.

#### **1.4 DESCRIPTION OF SUPPLIES**

Any manufacturer's names, trade names, brand names, or catalog numbers used in these applications are for the purpose of describing and establishing minimum requirements or level of quality, standards of performance, and design required, and are in no way intended to prohibit the bidding of other manufacturers' items of equal material, unless specifications state "NO SUBSTITUTIONS."

Proposers must indicate any variances to the specifications, terms, and conditions, no matter how slight. If variations are not stated in the proposal, it shall be construed that the proposal fully complies with the Specifications, Terms and Conditions.

Proposers are required to state exactly what they intend to furnish; otherwise they shall be required to furnish the items as specified.

Proposers will submit, with their proposal, necessary data (factory information sheets, specifications, brochures, etc.) to evaluate and determine the quality of the item(s) they are proposing.

The City shall be the sole judge of equality and its decision shall be final.

#### **1.5 ADDENDA**

The Procurement Services Division may issue an addendum in response to any inquiry received, prior to proposal opening, which changes, adds to or clarifies the terms, provisions or requirements of the solicitation. The Proposer should not rely on any representation, statement or explanation, whether written or verbal, other than those made in this RFP solicitation document or in any addenda issued. Where there appears to be a conflict between this RFP solicitation and any addendum, the last addendum issued shall prevail. It is the proposer's responsibility to ensure receipt of all addenda and any accompanying documents. Proposer(s) shall acknowledge receipt of any formal Addenda by signing the addendum and including it with their proposal. Failure to include signed formal addenda in its proposal shall cause the City to deem the proposal non-responsive provided, however, that the City may waive this requirement in its best interest.

#### **1.6 REJECTION OF PROPOSALS**

The City may reject a proposal if:

- A. The Proposer fails to acknowledge receipt of an addendum, or if
- B. The Proposer misstates or conceals any material fact in the proposal, or if
- C. The proposal does not strictly conform to the law or requirements of the RFP, or if
- D. The City is under a pre- lawsuit claim or current litigation with the proposer.

The City may reject all Proposals whenever it is deemed in the best interest of the City to do so, and may reject any part of a proposal unless the proposal has been qualified as provided in herein.

#### **1.7 WITHDRAWAL OF PROPOSALS**

- A. Proposals may not be withdrawn and shall be deemed enforceable for a period of 180 days after the time set for the RFP opening.
- B. Proposals may be withdrawn prior to the time set for the RFP opening. Such request must be in writing.
- C. The City will permanently retain as liquidated damages the bid deposit furnished by any proposer who requests to withdraw a proposal after the RFP opening.

### **1.8 PROPOSALS TO REMAIN OPEN**

All Proposals shall remain open for 180 calendar days after the day of the Proposal opening, but the City may, at its sole discretion, release any Proposal and return the Proposal Security prior to that date.

Extensions of time when Proposals shall remain open beyond the 180 day period may be made only by mutual written agreement between the City, the successful Proposer and the surety, if any, for the successful Proposer.

### **1.9 LATE PROPOSALS OR MODIFICATIONS**

Only proposals received as of the opening date and time will be considered timely. Proposals and modifications received after the time set for the opening will be returned un-opened to the sender and rejected as late.

### **1.10 CONFLICTS WITHIN THE SOLICITATION**

Where there appears to be a conflict between the General Terms and Conditions, Special Conditions, the Technical Specifications, the RFP Submittal Section, or any addendum issued, the order of precedence shall be the last addendum issued, the RFP Submittal Section, the Technical Specifications, the Special Conditions, and then the General Terms and Conditions.

### **1.11 CLARIFICATION OR OBJECTION TO PROPOSAL SPECIFICATIONS**

If any person contemplating submitting a proposal for this contract is in doubt as to the true meaning of the specifications or other RFP documents or any part thereof, they may submit requests for clarification to the Procurement Services Division on or before the date specified for a request for clarification. All such requests for clarification shall be made in writing and the person submitting the request will be responsible for its prompt delivery. Any interpretation of the RFP, if made, will be made only by Addendum duly issued. A copy of such Addendum will be made available to each person receiving a Request for Proposals. The City will not be responsible for any other explanation or interpretation of the RFP given prior to the award of the contract. Any objection to the specifications and requirements as set forth in this RFP must be filed in writing with the Director of Procurement Services on or before the date specified for a request for clarification.

### **1.12 COMPETENCY OF PROPOSERS**

Pre-award inspection of the Proposer's facility may be made prior to the award of a contract. Proposals will be considered only from firms which are regularly engaged in the business of providing the goods and/or services as described in this RFP(s); have a record of performance for a reasonable period of time; and have sufficient financial support, equipment and organization to ensure that they can satisfactorily deliver the material and/or services if awarded a Contract under the terms and conditions herein stated. The terms "equipment and organization" as used herein shall be construed to mean a fully equipped and well established company in line with the best business practices in the industry and as determined by the proper authorities of the City.

The City may consider any evidence available to it of the financial, technical and other qualifications and abilities of a proposer, including past performance (experience) in making the award in the best interest of the City. In all cases the City of Hollywood shall have no liability to any proposer for any costs or expense incurred in connection with this RFP or otherwise.

### **1.13 QUALIFICATIONS OF PROPOSERS**

No Proposal will be accepted from, nor will any contract be awarded to any person who is in arrears to the City upon any debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to City, or who is deemed responsible or unreliable by the City.

As part of the Proposal evaluation process, City may conduct a background investigation including a record check by the Hollywood Police Department. Proposer's submission of a Proposal constitutes acknowledgment of the process and consent to such investigation. City shall be the sole judge in determining a Proposer's qualifications.

#### **1.14 CONSIDERATION OF PROPOSALS**

In cases where an item requested is identified by a manufacturer's name, trade name, catalog number, or reference, it is understood that the Vendor proposes to furnish the item so identified and does not propose to furnish an "equal" unless the proposed "equal" is pre-approved by the City.

References to any of the above are intended to be descriptive but not restrictive and only indicate articles that will be satisfactory. A proposal of an "equal" will be considered, provided that the Vendor states in his proposal exactly what he proposes to furnish, including sample, illustration, or other descriptive matter which will clearly indicate the character of the article covered by such proposal. The designated City representative hereby reserves the right to approve as an "equal", or to reject as not being an "equal", any article proposed which contains major or minor variations from specifications requirements.

#### **1.15 AWARD OF CONTRACT**

If the Contract is to be awarded, it will be awarded, after evaluation by the City, to the responsible and responsive Proposer whom the City determines will be in the best interests of the City and not necessarily to the lowest cost Proposer. Proposers may be invited to an oral interview before the committee. A short list of finalists will be determined and presented to either the City Manager or his/her designee or to the City Commission, in accordance with the applicable City of Hollywood Code of Ordinances, and will make the final ranking for the purposes of negotiating a contract with the top ranked firm. The successful Proposer shall be required to sign a negotiated contract; the refusal or failure of a successful Proposer to execute a contract which contains the mandatory material terms and conditions contained in the RFP, shall be grounds for deeming the Proposer and/or the Proposer's Proposal non-responsive.

If applicable, the Proposer to whom award is made shall execute a written contract prior to award by the City Commission. If the Proposer to whom the first award is made fails to enter into a contract as herein provided, the Contract may be let to the next highest ranked Proposer who is responsible and responsive in the opinion of the City.

#### **1.16 BASIS FOR AWARD, EVALUATION CRITERIA AND QUESTIONS**

The qualification of proposal responders on this project will be considered in making the award. The City is not obligated to accept any proposal if deemed not in the best interest of the City to do so. The City shall make award to a qualified proposer based on fees submitted and responses to this RFP.

Failure to include in the proposal all information outlined herein may be cause for rejection of the proposal.

The City reserves the right to accept or reject any and all proposals, in whole or in part, as determined to be in the best interest of the City in its sole discretion.

The City reserves the right to waive any informalities or irregularities in proposals.

The City reserves the right to negotiate separately the terms and conditions or all or any part of the proposals as deemed to be in the City's best interest in its sole discretion.

Information and/or factors gathered during interviews, negotiations and any reference checks, and any other information or factors deemed relevant by the City, shall be utilized in the final award. The final award of a contract is subject to approval by the City Commission.

#### **1.17 AGREEMENT**

An agreement shall be sent to the awarded proposer to be signed, witnessed, and returned to the City for execution. The City will provide a copy of the fully executed agreement to the awarded proposer.

#### **1.18 NOTICE TO PROCEED**

A signed purchase order, blanket purchase order or fully executed agreement will be the Proposer's authorization to proceed and may substitute for a "Notice to Proceed" form.

### **1.19 BID PROTESTS**

The City shall provide notice of its intent to award or reject to all Proposers by posting such notice on the City's website.

After a notice of intent to award a contract is posted, any actual or prospective proposer who is aggrieved in connection with the pending award of the contract or any element of the process leading to the award of the contract may protest to the Director of Procurement Services. A protest must be filed within five business days after posting or any right to protest is forfeited. The protest must be in writing, must identify the name and address of the protester, and must include a factual summary of, and the basis for, the protest. Filing shall be considered complete when the protest, including a deposit, is received by the Procurement Services Division. . Failure to file a protest within the time-frame specified herein shall constitute a full waiver of all rights to protest the City's decision regarding the award.

The written protest shall state in detail the specific facts and law or ordinance upon which the protest of the proposed award is based, and shall include all pertinent documents.

A written protest may not challenge the relative weight of evaluation criteria or a formula for assigning points.

Upon receipt of a formal written protest, the City shall stop award proceedings until resolution of the protest; unless it has been determined that the award of the contract without delay is necessary to protect substantial interests of the City.

Any and all costs incurred by a protesting party in connection with a bid protest shall be the sole responsibility of the protesting party.

Upon receipt of a protest of the pending award of a contract, a copy of the protest shall promptly be forwarded to the City Attorney. The City Attorney shall thereupon review the charge to determine its sufficiency, including whether the protest was timely filed. If upon review the City Attorney determines that the charge is insufficient, the City Attorney may issue a summary dismissal of the protest. If upon review the City Attorney determines that the charge is sufficient, a hearing of the protest committee shall be scheduled.

A protest committee shall have the authority to review, settle and resolve the protest. The committee shall consist of three members appointed by the City Manager. The committee's review shall be informal.

If the protest committee determines that the pending award of a contract or any element of the process leading to the award involved a significant violation of law or applicable rule or regulation, all steps necessary and proper to correct the violation shall be taken. If the committee determines that the protest is without merit,

The Director shall promptly issue a decision in writing stating the reason for the decision and furnish a copy to the protester and any other interested party, and the process leading to the award shall proceed.

### **1.20 PREPARATION OF PROPOSALS**

Proposals shall be prepared in accordance with the proposal response format. Proposals not complying with this format may be considered non-responsive and may be removed from consideration on this basis.

#### **Requirements for Signing Proposal**

- A. Each proposer, by making a proposal, represents that this document has been read and is fully understood.
- B. The proposal must be signed in ink by an individual authorized to legally bind the person, partnership, company, or corporation submitting the proposal.
- C. All manual signatures must have the name typed directly under the line of the signature.
- D. The above requirements apply to all RFP addenda.

### **1.21 EXAMINATION OF PROPOSAL DOCUMENTS**

Before submitting a Proposal, each Proposer must: examine the Proposal Documents thoroughly; consider federal, state and local laws, ordinances, rules and regulations that may in any manner affect cost, progress, performance, or provision of the commodities and/or services; study and carefully correlate Proposer's observations with the Proposal Documents, and notify the City's agent of all conflicts, errors and discrepancies in the Proposal Documents.

The submission of a Proposal will constitute an incontrovertible representation by the Proposer, that the Proposer has complied with every requirement of this RFP, that without exception, the Proposal is premised upon performing the services and/or furnishing the commodities and materials in accordance with such means, methods, techniques, sequences or procedures as may be indicated in or required by the Proposal Documents, and that the Proposal Documents are sufficient in scope and detail to indicate and convey understanding of all terms and conditions of performance and furnishing of the goods and/or services.

## 1.22 PUBLIC RECORDS LAW

If applicable, for each public agency contract for services, the Proposer is required to comply with F.S. 119.0701, which includes the following:

- A. Keep and maintain public records that ordinarily and necessarily would be required by the public agency in order to perform the service.
- B. Provide the public with access to public records on the same terms and conditions that the public agency would provide the records and at a cost that does not exceed the cost provided in F.S. Chapter 119 or as otherwise provided by law.
- C. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.
- D. Meet all requirements for retaining public records and transfer, at no cost, to the public agency, all public records in possession of the proposer upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the public agency in a format that is compatible with the information technology systems of the public agency.

Public records may be inspected and examined by anyone desiring to do so, at a reasonable time, under reasonable conditions, and under supervision by the custodian of the public record. Sealed Proposals become subject to the public records disclosure requirements of F.S. Chapter 119, notwithstanding a proposer's request to the contrary, at the time the City provides notice of a decision or intended decision, or 30 days after the proposal opening, whichever is earlier.

Financial statements submitted in response to a request by the City may be confidential and exempt from disclosure. Data processing software obtained under a licensing agreement which prohibits its disclosure may also exempt.

Proposers are hereby notified and agree that all information submitted as part of, or in support of RFP submittals will be available for public inspection after opening of RFP in compliance with Chapter 119 of the Florida Statutes. The proposer shall not, unless required as part of this RFP, submit any information in response to this invitation which the proposer considers to be a trade secret, proprietary or confidential. The submission, not required as part of this RFP, of any information to the City in connection with this invitation shall be deemed conclusively to be a waiver of any trade secret or other protection, which would otherwise be available to the proposer.

## 1.23 INFORMATION

Further information, if desired, may be obtained from the Procurement Services Division, 2600 Hollywood, Boulevard, Room 303, Hollywood, Florida 33020, **telephone (954)921-3552.**

Questions or requests for clarification of the specifications shall be in writing and received by the Procurement Services Division by the date specified for a request for clarification. They may be mailed or faxed to (954) 921-3086 or emailed to [isuperville@hollywoodfl.org](mailto:isuperville@hollywoodfl.org).

#### **1.24 PROPOSALS**

The Proposal must be signed by one duly authorized to do so and in cases where the Proposal is signed by a deputy or subordinate, the principal's proper written grant of authority to such deputy or subordinate must accompany the Proposal.

Proposals by corporations must be executed in the corporate name by the President or other corporate officers accompanied by evidence of authority to sign. The corporate address and state of incorporation must be shown below the signature.

Proposals by partnerships must be executed in the partnership name and signed by a general partner whose title must appear under the signature and the official address of the partnership must be shown below the signature.

#### **1.25 MODIFICATION AND WITHDRAWAL OF PROPOSALS**

Proposals must be modified or withdrawn by an appropriate document duly executed in the manner that a Proposal must be executed and delivered to the place where Proposals are to be submitted at any time prior to the deadline for submitting Proposals. A request for withdrawal or a modification must be in writing and signed by a person duly authorized to do so and, in a case where signed by a deputy or subordinate, the principal's proper written grant of authority to such deputy or subordinate must accompany the request for withdrawal or modification. Withdrawal of a Proposal will not prejudice the rights of a Proposer to submit a new Proposal prior to the Proposal date and time. Except where provided in the following paragraph no Proposal may be withdrawn or modified after expiration of the period for receiving Proposals.

If, within twenty-four (24) hours after Proposals are opened, any Proposer files a duly signed written notice with the City and within five (5) calendar days thereafter demonstrates to the reasonable satisfaction of the City by clear and convincing evidence that there was a material and substantial mistake in the preparation of its Proposal, or that the mistake is clearly evident on the face of the Proposal but the intended correct Proposal is not similarly evident, then the Proposer may withdraw its Proposal and the Proposal Security will be returned.

#### **1.26 REJECTION OF PROPOSALS**

To the extent permitted by applicable state and federal laws and regulations, the City reserves the right to reject any and all Proposals, to waive any and all informalities, irregularities and technicalities not involving price, time or changes in the commodities and/or services, and the right to disregard all nonconforming, non-responsive, unbalanced or conditional Proposals. Proposals will be considered irregular and may be rejected if they show serious omissions, alterations in form, additions not called for, conditions or unauthorized alterations or irregularities of any kind.

The City also reserves the right to waive minor technical defects in a Proposal. The City reserves the right to determine, in its sole discretion, whether any aspect of a Proposal satisfies the criteria established in this Request for Proposals.

The City reserves the right to reject the Proposal of any Proposer if the City believes that it would not be in the best interest of the City to make an award to that Proposer, whether because the Proposal is not responsive or the Proposer is unqualified or of doubtful financial ability or fails to meet any other pertinent standard or criterion established by City.

The foregoing reasons for rejection of Proposals are not intended to be exhaustive.

#### **1.27 OPEN END CONTRACT**

No guarantee is expressed or implied as to the total quantity of commodities/services to be purchased under any open end contract. Estimated quantities will be used for Proposal comparison purposes only. The City reserves the right to issue purchase orders as and when required, or a blanket purchase order and release partial quantities as and when required or any combination of the preceding.

ORDERING: The CITY reserves the right to purchase commodities/services specified herein through Contracts established by other governmental agencies or through separate procurement actions due to unique or special needs. If an urgent delivery is required within a period shorter than the delivery time specified in the contract, and if the seller is unable to comply therewith, the City reserves the right to obtain such delivery from others without penalty or prejudice to the City or to the Proposer.

**1.28 AUDIT RIGHTS**

The City reserves the right to audit the records of the successful Proposer for the commodities and/or services provided under the Contract at any time during the performance and term of the Contract and for a period of three (3) years after completion and acceptance by the City. If required by the City, the successful Proposer agrees to submit to an audit by an independent certified public accountant selected by the City. The successful Proposer shall allow the City to inspect, examine and review the records of the successful Proposer in relation to this contract at any and all times during normal business hours during the term of the Contract.

**1.29 LOCAL, STATE AND FEDERAL COMPLIANCE REQUIREMENTS**

The Proposer shall comply with all local, state and federal directives, orders and laws as applicable to this RFP and subsequent contract(s) including, but not limited to:

- A. Equal Employment Opportunity (EEO), in compliance with Executive Order 11246 as amended and applicable to this contract.
- B. All manufactured items and fabricated assemblies shall comply with applicable requirements of the Occupation Safety and Health Act of 1970 as amended, and be in compliance with Chapter 442, Florida Statutes. Any toxic substance listed in Section 38F-41.03 of the Florida Administrative Code delivered as a result of this order must be accompanied by a completed Material Safety Data Sheet (MSDS).
- C. The Immigration and Nationality Act prohibits (i) the employment of an unauthorized alien when the employer knows the individual is an unauthorized alien and (ii) the employment of an individual without complying with the requirements of the federal employment verification system. If a proposer commits either of these violations, such violation shall be cause for unilateral cancellation of the contract.
- D. This Section applies only to any contract for goods or services of \$1 million or more: The Proposer certifies that it is not on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List and that it does not have business operations in Cuba or Syria as provided in section 287.135, Florida Statutes (2011), as may be amended or revised. The City may terminate this Contract at the City's option if the Proposer is found to have submitted a false certification as provided under subsection (5) of section 287.135, Florida Statutes (2011), as may be amended or revised, or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List or has engaged in business operations in Cuba or Syria, as defined in Section 287.135, Florida Statutes (2011), as may be amended or revised.

**1.30 FRAUD AND MISREPRESENTATION**

Any individual, corporation or other entity that attempts to meet its contractual obligations with the City through fraud, misrepresentation or material misstatement, may be debarred from doing business with the City. The City as further sanction may terminate or cancel any other contracts with such individual, corporation or entity. Such individual or entity shall be responsible for all direct or indirect costs associated with termination or cancellation, including attorney's fees.

**1.31 DEBARRED OR SUSPENDED BIDDERS OR PROPOSERS**

The proposer certifies, by submission of a response to this solicitation, that neither it nor its principals and subproposers are presently debarred or suspended by any Federal department or agency.

**1.32 COLLUSION**

More than one Proposal received for the same work from an individual, firm, partnership, corporation or association under the same or different names will not be considered. Reasonable grounds for believing that any Proposer is interested in more than one Proposal for the same work will cause the rejection of such Proposals in which the Proposer is interested. If there are reasonable grounds for believing that collusion exists among the Proposers, the Proposals of participants in such collusion will not be considered.

**1.33 COPELAND "ANTI-KICKBACK"**

The Proposer and all subproposers will comply with the Copeland Anti-Kickback Act (18 U.S.C. 874) as supplemented in

Department of Labor regulations (29 CFR Part 3).

#### **1.34 FORCE MAJEURE**

The Proposer shall be bound by all determinations or orders and shall promptly obey and follow every order of the Project Manager, including the withdrawal or modification of any previous order and regardless of whether the Proposer agrees with the Project Manager's determination or order. Where orders are given orally, they will be issued in writing by the Project Manager as soon thereafter as is practicable.

The Proposer must, in the final instance, seek to resolve every difference concerning the Agreement with the Project Manager. In the event that the Project Manager and the Proposer are unable to resolve their difference, the Proposer may initiate a dispute in accordance with the procedures set forth in the section below. Exhaustion of these procedures shall be a condition precedent to any lawsuit permitted hereunder.

In the event of such dispute, the parties to this Agreement authorize the City Manager or designee, who may not be the Project Manager or anyone associated with this Project, acting personally, to decide all questions arising out of, under, or in connection with, or in any way related to or on account of the Agreement (including but not limited to claims in the nature of breach of contract, fraud or misrepresentation arising either before or subsequent to execution hereof) and the decision of each with respect to matters within the City Manager's purview as set forth above shall be conclusive, final and binding on the parties. Any such dispute shall be brought, if at all, before the City Manager within 10 days of the occurrence, event or act out of which the dispute arises.

The effect of any decision shall not be impaired or waived by any negotiations or settlements or offers made in connection with the dispute, whether or not the City Manager participated therein, or by any prior decision of others, which prior decision shall be deemed subject to review, or by any termination or cancellation of the Agreement. In those situations where this Agreement imposes an indemnity or defense obligation on the Proposer, the City may, at its expense, elect to participate in the defense if the City should so choose. Furthermore, the City may at its own expense defend or settle any such claims if the Proposer fails to diligently defend such claims, and thereafter seek indemnity for costs and attorney's fees from the Proposer.

The City shall have the right to withdraw its consent to a subcontract if it appears to the City that the subcontract will delay, prevent, or otherwise impair the performance of the Proposer's obligations under this Agreement. All subproposers are required to protect the confidentiality of the City and City's proprietary and confidential information. The Proposer shall furnish to the City copies of all subcontracts between the Proposer and subproposers and suppliers hereunder. Within each such subcontract, there shall be a clause for the benefit of the City permitting the City to request completion of performance by the subproposer of its obligations under the subcontract, in the event the City finds the Proposer in breach of its obligations, and the option to pay the subproposer directly for the performance by such subproposer. If the proposer receives less than full payment, then the proposer shall be required to disburse only the funds received on a pro rata basis to the subproposers and materials Suppliers, each receiving a prorated portion based on the amount due on the payment. If the proposer without reasonable cause fails to make payments required by this section to subproposers and material suppliers within fifteen (15) working days after the receipt by the proposer of full or partial payment, the proposer shall pay to the subproposers and material suppliers a penalty in the amount of one percent (1%) of the amount due, per month, from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed. Retainage is also subject to the prompt payment requirement and must be returned to the subproposer or material supplier whose work has been completed, even if the prime

Until the City receives such assurances the City may request an adjustment to the compensation received by the Proposer for portions of the services which the Proposer has not performed. In the event that the Proposer fails to provide to the City the requested assurances within the prescribed time frame, the City may:

1. Treat such failure as a repudiation of this Agreement;

**REQUEST FOR PROPOSALS  
CITY OF HOLLYWOOD, FLORIDA**

**“AN EQUAL OPPORTUNITY AND SERVICE PROVIDER AGENCY”**

**INTENT**

The City of Hollywood, FL (“City”) invites proposals from qualified firms, partnerships and/or individuals, hereinafter referred to as “Proposers”, to enter into a lease or management/lease hybrid agreement for the Hollywood Beach Golf and Country Club located at 1650 Johnson Street and Eco Grande Golf Club located at 1451 Taft Street, hereinafter referred to as “Courses”.

The Courses constitute major recreational and open space venues within the City and are prized by local residents and visitors. The Courses have not yet realized their full potential impact. The City would benefit from working with the successful Proposer’s expertise and entrepreneurial mindset to take full advantage of the assets. The City is seeking a partner who can bring out the best in each course, hotel and restaurant offerings, to further enhance the City’s attractiveness, provide a beneficial recreational experience to residents and visitors, increase tourism, respect its historic role in the formation of the City, preserve the tranquility of the surrounding neighborhood and enhance the tax base. By partnering with the selected Proposer, the City believes it can ensure that the entire community benefits from the enhanced experience that will be provided.

As the City Commission’s desire is to move forward as expeditiously and appropriately as possible, the Commission has authorized the City Manager to utilize a Request for Proposal (RFP) process. The goal of this competitive RFP process is to select and negotiate an agreement to operate the Courses in a high quality and successful manner while implementing needed capital improvements.

Management and operational expertise in the following areas are required:

- A golf course in the state of Florida,
- Hotel / lodging property,
- Restaurant with banquet facilities,
- Capital improvement planning and execution,
- Community /neighborhood outreach and engagement.

The successful Proposers must demonstrate the financial capability and backing to render services identified in this document.

The City reserves the right to accept any proposal deemed to be in the best interest of the City including the waiver of any irregularities within the proposal, cancelation of this RFP, rejection of any /all proposals and to re-advertise for new proposals. Submitted proposals deemed by the City as not meeting the basic criteria of the RFP shall be rejected prior to the evaluation process.

This RFP envisions the City engaging with a Proposer that will establish a long term, sustainable golf operation with capital improvements at the Courses for the City of Hollywood. The City intends to award the bid prior to May 31, 2015.

NOTE: It is the responsibility of each Proposer to redact all information (i.e., social security numbers and bank account numbers) that is not specifically required to be submitted and is not exempt from the mandatory disclosure requirements of the Public Records Law.

This document contains detailed and specific information regarding the properties being offered for operation and maintenance, the City's goals with respect to the subject properties, and the defined process for Proposer selection.

## **LEASE/MANAGEMENT OPTIONS**

The City of Hollywood is soliciting proposals from qualified Proposers to provide one of the following operational options at the Courses:

**Option 1: Lease Contract** – Proposer will be responsible for management and the full-service operation of all aspects of the courses including but not limited to pro shop, resort, restaurant, golf course and grounds maintenance and administrative functions (daily play on courses, tee time reservations, lessons, and all subsequent golf, restaurant and resort operations) in accordance with a new lease agreement entered into by the City and the selected Proposer. It is assumed that the new lease agreement will provide favorable terms to the Proposer in exchange for undertaking needed capital improvements.

**Option 2: Hybrid Agreement** – Proposer provides complete management and operations of: pro shop, resort, restaurant, golf course and grounds maintenance, administrative functions (daily play on courses, tee time reservations, lessons, and all subsequent golf, restaurant and resort operations), and completes needed capital upgrades. The City and Proposer will create a unique agreement for the courses that

combine elements of a lease and management contract, so as to provide operational support and capital upgrades for the properties.

Note: The City is open to any and all creative ideas in addition to the aforementioned options to fund needed capital upgrades, within the structure of continued operation/management of the facilities as golf courses.

## **AGREEMENT TERM**

The proposed term must be justified by the Proposer on the basis of capital investment in the Courses and in promoting the property and services to the general public. A minimum term of ten (10) years will be considered however longer terms may be available depending on the cost and magnitude of the capital improvement program.

## **BACKGROUND AND HISTORY**

The Courses comprise two of the City's three (3) municipal golf courses; the Hollywood Beach Golf and Country Club and the Eco Grande Golf Club. These two (2) properties are located within one mile of each other on the eastern side of U.S. Highway One in the Lakes area of the City of Hollywood. The City also operates a third golf facility, the 36-hole Orangebrook Golf and Country Club on property just west of Interstate 95 in Hollywood that is operated separately and is not part of this RFP. The three city golf properties are deeded for use as golf courses in perpetuity.

**Hollywood Beach Golf and Country Club**

The Hollywood Beach Golf and Country Club 18-hole championship golf course was originally designed by Donald Ross and dates back to the 1920s. The course has undergone only one major renovation, in 1955. The Hollywood Beach Golf and Country Club also promotes a 30-room resort facility located on the property. The Hollywood Beach Golf and Country Club is marketed as a high-quality public-access golf course that serves year-round and seasonal residents of Hollywood, as well as a large number of tourists and visitors to the area.

The property has a basic rectangular configuration that is approximately 4/10 of a mile square, or a total of 101 acres. The site is fixed within its boundaries and any expansion or significant renovation/alteration of the property will be challenging. The site is bounded by a property fence on all sides to provide separation from surrounding elements, which are almost entirely residential. The fence has been viewed as an eyesore to residents so the City is open to alternative enclosures. The 30-room resort, golf clubhouse, restaurant, and parking area are located in the center of the property, toward the north and proximate to the Johnson Street entrance. The property has approximately 100 parking spaces for both the resort and golf course. The Hollywood Beach Golf and Country Club includes the following elements:

- 18-hole golf course on 101 acres
- 6,500 square foot golf clubhouse/pro shop
- 6,800 square foot restaurant and locker room facility
- 30-room resort hotel

- Swimming pool
- "Snack shop" kiosk

The above mix of elements offers appeal to all segments of golfers from beginners to seasoned players. Recent operational performance shows rounds per year in the range of 40,000 to 44,000 between 2006 to 2011; falling to 38,000 in 2012, an average of \$36.84 per round from all sources. The breakdown of rounds played is public, unaffiliated play (61%), Gold members (16%), Golf Hollywood (10%), CANAM discount (8%), EZ Links program (3%) and employee and complimentary (2%). Golf course operations revenue were approximately \$1.9 million in 2012. The revenue breakdown was \$1.4 million derived from golf fees (memberships, greens, carts), \$350,000 resort rooms, \$85,000 merchandise and \$65,000 other sources (including sub-lease for food and beverage).

### **Eco Grande Golf Club**

Eco Grande Golf Club is located near the intersection of Taft Street and 14<sup>th</sup> Avenue, situated approximately 2/3 of a mile from Hollywood Beach Golf and Country Club amidst the dense residential area of east Hollywood. Taft Street is a secondary east-west city corridor with a nearby connection to Interstate 95 from Hollywood Boulevard to the south or Sheridan Street to the north.

Eco Grande Golf Club has a unique configuration with a total of approximately 45 acres in six separate and connected parcels all surrounding the Hollywood Wastewater Treatment Plant. Eco Grande Golf Club includes a 9-hole, 2,163-yard par-32 golf course on 45 acres with a 4,000 square foot golf clubhouse/pro shop and snack bar.

Eco Grande Golf Club offers a very appealing value-fee golf experience on nine short golf holes, but has had little capital investment throughout the last 15 years. Recent operational performance shows a total of 40,000 to 46,000 rounds each year from 2006 to 2010, falling to 34,000 rounds in 2012. Operators reported approximately \$425,000 in total revenue in 2012, averaging \$12.50 per round in revenue from all sources.

#### **SCOPE OF SERVICES**

1. Operate and manage both Courses including but not limited to, pro shop, resort, restaurant, golf cart inventory, golf course and grounds maintenance, administrative functions (daily play on Courses, tee time reservations, lessons, and all subsequent golf, hotel and restaurant operations).
2. Invest in a substantial capital improvement program for both Courses to make them more desirable.

#### **IDENTIFIED CAPITAL IMPROVEMENT NEEDS**

All costs associated with the renovation, operation and maintenance of the Courses will be paid for by the Proposer to increase interest in the facilities, ensure residential tranquility, strengthen the community aesthetic and raise the quality and caliber of the golfing experience. The City makes no guarantee that existing utilities are adequate for the intended use of the facilities. City anticipates substantial improvements will be needed for the Hollywood Beach Golf and Country Club and Eco Grande Golf Club upgrades should be considered in a subsequent phase of the contract period. All structural improvements are required to move through the existing site plan review process. City encourages the use of environmentally friendly products for all repairs and capital improvements where feasible.

City encourages capital projects be scheduled and completed in timeframes that create a minimum amount of interference to continued operations of the Courses but will entertain all capital work schedules. Scheduled projects and improvements should be completed within the first three (3) years of contract commencement.

City estimates a capital improvement program with total investments to exceed \$4.0 million. The Successful Proposer will be required to make all necessary repairs at their sole cost and expense. Pre-construction inspection for asbestos must be conducted and abatement completed in accordance with City, State and Federal regulations, prior to beginning capital improvement projects.

Identified improvements proposed will include, not limited to the following:

Hollywood Beach Golf and Country Club:

- Reconstruction of greens,
- Replacement of the irrigation system,
- Completion of a full “wall to wall” concrete cart path system,
- Renovation or demolition and rebuild of the hotel, including: bringing the clubhouse main floor into compliance with the Americans with Disabilities Act (ADA) and upgrades to interior resort units (e.g. paint, carpets, furnishings, treatments),
- Removal and replacement of fencing to buffer the facility from the surrounding neighborhood without detracting from the physical beauty.

Eco Grande Golf Club:

- Reconstruction of greens,
- Upgrade of irrigation system,
- Resurfacing of cart paths,
- Upgrade/remodel of restaurant building.

City makes no representations regarding the adequacy of site utilities currently in place at Courses. Proposer will be required to connect to and /or upgrade any existing utility service or create a new utility system, as may be required, obtaining all appropriate and necessary permits and approvals. Proposer will be required to pay for any and all utility costs connected with the operation of the Courses during contract term.

City will weigh capital investment and design in its evaluation process. Therefore, describe all intended capital work, provide cost estimates for specified capital work and include a detailed timetable clearly outlining proposed improvements, anticipated commencement and completion dates for improvements (e.g. expected duration of each

improvement) in proposal submission. All capital improvement projects and equipment remain possessions of Courses at contractual term end date.

Proposer is responsible for obtaining all necessary permits, licenses and approvals for construction and operation of the facilities from all City, State and Federal agencies having jurisdiction. Necessary permits may include but are not limited to obtaining, amending and /or compliance with Certificates of Occupancy, sign-offs, public assembly permits, health department permits, and safety inspections /certificates from Fire Rescue Department.

### **BONDING REQUIRED**

Due to the need for start-up capital to perform services being requested, the successful Proposer will be required to secure a performance bond in an amount that covers all operation and maintenance expenses at both Courses equal to the first years contract amount. A final award by the City will require that within fifteen (15) business days following written notice of award, the contractor shall furnish to the City of Hollywood a performance bond(s) equal to the first years contract amount. The vendor will be held responsible for renewal of the bond for each successive year of the Agreement. The bond(s) must be executed by a surety company of recognized standing, authorized to do business in the State of Florida and having a resident agent. The bond shall be signed by a Florida Licensed Resident Agent who holds a current Power of Attorney from the surety company issuing the bond. The surety company shall have a minimum Best's policy holder rating of "A" and required financial rating of VIII from Best's key rating guide. Subject bond(s) will cover the entire contract amount. Proposer must submit proof of bondability when submitting proposal. If at any time the successful Proposer fails in performance of its duties, the City will re-establish its position of owner-operator of Hollywood Beach Golf and Country Club and Eco Grande Golf Club.

IDENTICAL TIE BIDS - Preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids which are equal with respect to price, quality, and service are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. ### **SOLICITATION, GIVING, AND ACCEPTANCE OF GIFTS POLICY**

Florida Statute 112.313 prohibits the solicitation or acceptance of Gifts. - "No Public officer, employee of an agency, local government attorney, or candidate for nomination or election shall solicit or accept anything of value to the recipient, including a gift, loan, reward, promise of future employment, favor, or service, based upon any understanding that the vote, official action, or judgment of the public officer, employee, local government attorney, or candidate would be influenced thereby." The term "public officer" includes "any person elected or appointed to hold office in any agency, including any person serving on an advisory body."

- A preferential rate or terms on a debt, loan, goods, or services,
- Forgiveness of indebtedness,
- Transportation, lodging, or parking,
- Food or beverage,
- Membership dues,
- Entrance fees, admission fees, or tickets to events, performances, or facilities,
- Plants, flowers or floral arrangements
- Services provided by persons pursuant to a professional license or certificate.

**General Instructions**

Section references are to the Internal Revenue Code unless otherwise noted.

**Future developments.** The IRS has created a page on IRS.gov for information about Form W-9, at [www.irs.gov/w9](http://www.irs.gov/w9). Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

**Purpose of Form**

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the

withholding tax on foreign partners' share of effectively connected income, and

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

**Note.** If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity,
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust, and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

**Foreign person.** If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

**Nonresident alien who becomes a resident alien.** Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

**Example.** Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

**What is backup withholding?** Persons making certain payments to you must under certain conditions withhold and pay to the IRS a percentage of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

### Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* on page 1.

**What is FATCA reporting?** The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

## Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

## Penalties

**Failure to furnish TIN.** If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

**Civil penalty for false information with respect to withholding.** If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

**Criminal penalty for falsifying information.** Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

**Misuse of TINs.** If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

## Specific Instructions

### Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

**Sole proprietor.** Enter your individual name as shown on your income tax return on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name/disregarded entity name" line.

**Partnership, C Corporation, or S Corporation.** Enter the entity's name on the "Name" line and any business, trade, or "doing business as (DBA)" name on the "Business name/disregarded entity name" line.

**Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulation section 301.7701-2(c)(2)(iii). Enter the owner's name on the "Name" line. The name of the entity entered on the "Name" line should never be a disregarded entity. The name on the "Name" line must be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on the "Name" line. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on the "Business name/disregarded entity name" line. If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

**Note.** Check the appropriate box for the U.S. federal tax classification of the person whose name is entered on the "Name" line (Individual/sole proprietor, Partnership, C Corporation, S Corporation, Trust/estate).

**Limited Liability Company (LLC).** If the person identified on the "Name" line is an LLC, check the "Limited liability company" box only and enter the appropriate code for the U.S. federal tax classification in the space provided. If you are an LLC that is treated as a partnership for U.S. federal tax purposes, enter "P" for partnership. If you are an LLC that has filed a Form 8832 or a Form 2553 to be taxed as a corporation, enter "C" for C corporation or "S" for S corporation, as appropriate. If you are an LLC that is disregarded as an entity separate from its owner under Regulation section 301.7701-3 (except for employment and excise tax), do not check the LLC box unless the owner of the LLC (required to be identified on the "Name" line) is another LLC that is not disregarded for U.S. federal tax purposes. If the LLC is disregarded as an entity separate from its owner, enter the appropriate tax classification of the owner identified on the "Name" line.

**Other entities.** Enter your business name as shown on required U.S. federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name/disregarded entity name" line.

## Part I. Taxpayer Identification Number (TIN)

**Enter your TIN in the appropriate box.** If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

**Note.** See the chart on page 4 for further clarification of name and TIN combinations.

**How to get a TIN.** If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at [www.ssa.gov](http://www.ssa.gov). You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at [www.irs.gov/businesses](http://www.irs.gov/businesses) and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting [IRS.gov](http://IRS.gov) or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

**Note.** Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

**Caution:** A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

## Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on the "Name" line must sign. Exempt payees, see *Exempt payee code* earlier.

**Signature requirements.** Complete the certification as indicated in items 1 through 5 below.

**1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.** You must give your correct TIN, but you do not have to sign the certification.

**2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.** You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

**3. Real estate transactions.** You must sign the certification. You may cross out item 2 of the certification.

**4. Other payments.** You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

**5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions.** You must give your correct TIN, but you do not have to sign the certification.

**Secure Your Tax Records from Identity Theft**

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

**Protect yourself from suspicious emails or phishing schemes.** Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to [phishing@irs.gov](mailto:phishing@irs.gov). You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: [spam@uce.gov](mailto:spam@uce.gov) or contact them at [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft) or 1-877-IDTHEFT (1-877-438-4338).

Visit [IRS.gov](http://IRS.gov) to learn more about identity theft and how to reduce your risk.

**Privacy Act Notice**

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.
