SECTION 3
SCOPE OF WORK/SERVICES

Clarifications

1. Skylights:

1.09, A, 2. & 3., Extended warranties are not available for this project as it is considered a wet space application.

2.02, A, 1, g. Solar Heat Gain Coefficient for .53 U-factor, 23% Visible Light Transmission is .26

2.2, 4, a. It is not recommended that Kalwall's thermally broken panels are used for installation in South Florida for the following reason:

Thermally Broken panels are only for cold environments to help reduce condensation forming on the interior side of the face sheet. The Condensation Resistance Factor test (AAMA 1503) that TB panels rely on is performed with a 0-degree temperature on the outside and 70-degree temperature on the inside. This would be a typical winter day in northern parts of the United States, not South Florida. The reverse could occur in South Florida; therefore, we recommend Kalwall's standard aluminum grid for this project.

2. Channel Cleaning:

We assume the gates are self-sealing. If they cannot seal and work is required to seal them, the Owner Contingency will be used to cover the extra costs.

We assume all the material in the channels can be cleaned using a vac truck. If material is encountered that cannot be removed with a vac truck, the Owner Contingency will be used to cover the extra costs.

3. Roof:

1. TLC is only responsible for any roofing repairs caused by our work. Any preexisting repairs are excluded.

2. Per the site visit, we assume the skylights have already been removed.

4. Gantry Crane:

1. Please see attached cut sheet on what is being provided. Only one supplier was willing to quote this project.

2. 10-ton gantry crane as described in the attached drawings - Gantry crane is manual operation

3. 10-ton wire rope hoist as described in the attached - Pendant controlled suspended from hoist

The City of Hollywood/Hollywood CRA policy prohibits all public officers, elected or appointed, all employees, and their families from accepting any gifts of any value, either directly or indirectly, from any contractor, vendor, consultant, or business with whom the City/CRA does business.

The State of Florida definition of "gifts" includes the following:

- Forgiveness of indebtedness,
- Transportation, lodging, or parking,

Any contractor, vendor, consultant, or business found to have given a gift to a public officer or employee, or his/her family, will be subject to dismissal or revocation of contract.
