

RESOLUTION NO.

R-2025-256

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF HOLLYWOOD, FLORIDA, RELATING TO THE PROVISION OF FIRE INSPECTION SERVICES IN THE CITY OF HOLLYWOOD; ESTABLISHING THE ESTIMATED ASSESSMENT RATES FOR FIRE INSPECTION ASSESSMENTS FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2025; DIRECTING THE PREPARATION OF AN ASSESSMENT ROLL; AUTHORIZING A PUBLIC HEARING AND DIRECTING THE PROVISION OF NOTICE THEREOF; PROVIDING FOR CONFLICTS AND SEVERABILITY.

CERTIFICATION

I certify this to be a true and correct copy of the record in my office.

WITNESSETH my hand and official seal of the City of Hollywood, Florida, this the

20

25

day of

July

2025

City Clerk

WHEREAS, in June of 2009, the City implemented a recurring annual fire inspection special assessment program to provide a portion of the funding for the City's fire inspection services with the adoption of Ordinance No. O-2009-19 ("Ordinance"), and imposed Fire Inspection Assessments for Fiscal Year 2009-10 with the adoption of Resolution Nos. R-2009-251 (hereinafter "the Initial Assessment Resolution") and R-2009-286 (hereinafter "the Final Assessment Resolution"); and

WHEREAS, pursuant to Ordinance No. O-2009-19, the reimposition of Fire Inspection Assessments for each successive fiscal year requires certain processes such as the preparation of the Assessment Roll; and

WHEREAS, an annual Preliminary Rate Resolution describing the method of assessing fire inspection costs against assessed property located within the City, directing the preparation of an assessment roll, authorizing a public hearing and directing the provision of notice thereof is required by Ordinance No. O-2009-19 for the reimposition of the Fire Inspection Assessments; and

WHEREAS, City staff recommends that the residential rate for FY 2026 be set at \$17.00, which will result in a total collectible roll of approximately \$2,469,000.00; and

WHEREAS, setting the fire inspection assessment rates at this level funds approximately 97.5% of the total assessable costs of providing fire inspection services based on the rate study updated during FY 2024; and

WHEREAS, the annual Fire Inspection Assessment is to be levied against all residential properties of three or more units, and all non-residential properties in the City that are subject to fire inspections with the exception of government properties with building uses that are exempt from ad valorem taxation under Florida law; and

WHEREAS, the City Commission of the City of Hollywood, Florida, deems it to be in the best interest of the citizens and residents of the City to adopt this Preliminary Rate Resolution to begin the process of reimposing the Fire Inspection Assessments for FY 2026.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF HOLLYWOOD, FLORIDA:

Section 1: That the foregoing "WHEREAS" clauses are ratified and confirmed as being true and correct and are incorporated in this Resolution.

Section 2: AUTHORITY. This Resolution is adopted pursuant to the provisions of the Fire Inspection Assessment Ordinance (Ordinance No. O-2009-19), the Initial Assessment Resolution (Resolution No. R-2009-251), the Final Assessment Resolution (Resolution No. R-2009-286), the Annual Rate Resolution for the Fiscal Year commencing October 1, 2010 (Resolution No. R-2010-272), the Annual Rate Resolution for the Fiscal Year commencing October 1, 2011 (Resolution No. R-2011-231), the Annual Rate Resolution for the Fiscal Year commencing October 1, 2012 (Resolution No. R-2012-276), the Annual Rate Resolution for the Fiscal Year commencing October 1, 2013 (Resolution No. R-2013-256), the Annual Rate Resolution for the Fiscal Year commencing October 1, 2014 (Resolution No. R-2014-256), the Annual Rate Resolution for the Fiscal Year commencing October 1, 2015 (Resolution No. R-2015-277), the Annual Rate Resolution for the Fiscal Year commencing October 1, 2016 (Resolution No. R-2016-271), the Annual Rate Resolution for the Fiscal Year commencing October 1, 2017 (Resolution No. R-2017-268), the Annual Rate Resolution for the Fiscal Year commencing October 1, 2018 (Resolution No. R-2018-280), the Annual Rate Resolution for the Fiscal Year commencing October 1, 2019 (Resolution No. R-2019-261), the Annual Rate Resolution for the Fiscal Year commencing October 1, 2020 (Resolution No. R-2020-207), the Annual Rate Resolution for the Fiscal Year commencing October 1, 2021 (Resolution No. R-2021-220), the Annual Rate Resolution for the Fiscal Year commencing October 1, 2022 (Resolution No. R-2022-261), the Annual Rate Resolution for the Fiscal Year commencing October 1, 2023 (Resolution No. R-2023-286), the Annual Rate Resolution for the Fiscal Year commencing October 1, 2024 (Resolution No. R-2024-293), Florida Constitution, Article VIII, Section 2(b), Sections 166.021, 166.041 and 197.3632, Florida Statutes, the City Charter, and other applicable provisions of law.

Section 3: PURPOSE AND DEFINITIONS. This Resolution constitutes the Preliminary Rate Resolution as defined in the Ordinance which initiates the annual process for updating the Assessment Roll and directs the reimposition of Fire Inspection Assessments for the Fiscal Year beginning October 1, 2025. All capitalized words and terms not otherwise defined herein shall have the meanings set forth in the Ordinance, the Initial Assessment Resolution and the Final Assessment Resolution. Unless the context indicates otherwise, words imparting the singular number, include the plural number, and vice versa. As used in this Resolution, the following terms shall have the following meanings, unless the context otherwise requires:

"Building Area" means the adjusted area of a Building expressed in square feet and reflected on the Tax Roll or, in the event such information is not reflected or determined not to be accurately reflected on the Tax Roll, that area determined by the City.

"DOR Code" means a property use code established in Rule 12D-8.008, Florida Administrative Code, assigned by the Property Appraiser to Tax Parcels within the City.

"Dwelling Unit" means a Building, or a portion thereof, available to be used for residential purposes, consisting of one or more rooms arranged, designed, used, or intended to be used as living quarters for one family only.

"Estimated Fire Inspection Assessment Rate Schedule" means that rate schedule attached as Appendix A, specifying the Fire Inspection Assessed Costs and the estimated Fire Inspection Assessments established in Section 8 of this Preliminary Rate Resolution.

"Improvement Codes" mean the building use codes assigned by the Property Appraiser to Tax Parcels within the City.

"Multi-family Property" means those Tax Parcels with a Building, or portion of a Building, regardless of ownership, that contains three Dwelling Units or more that are subject to fire inspections which may include Dwelling Units under a condominium or cooperative form of ownership.

"Non-Residential Property" means those Tax Parcels with a Building, or portion of a Building, regardless of ownership, that does not contain Dwelling Units, and excludes government properties with building uses that are tax-exempt.

"Property Use Categories" means, collectively, Multi-family, Condominium, Cooperatives and Non-Residential Property.

"Tax Parcel" means a parcel of property located within the City to which the Property Appraiser has assigned a distinct ad valorem property tax identification number.

Section 4: PROVISION AND FUNDING OF FIRE INSPECTION SERVICES.

(A) Upon the imposition of Fire Inspection Assessments for fire inspection services against Assessed Property located within the City and in accordance with the Broward County Local Amendments to the Florida Fire Prevention Code, Paragraph F-3.5 and § 94.172 of the City of Hollywood's Code of Ordinances, the City shall provide annual fire inspection services to such Assessed Property. A portion of the cost to provide fire inspections to each Building of Non-Residential Property and each Dwelling Unit and/or common or public areas as well as all public aisles, corridors, halls, rooms, storage areas, or other nonresidential areas of such buildings of a Multi-family Property shall be funded from proceeds of the Fire Inspection Assessments. The remaining cost, if any, required to provide fire inspection services shall be funded by legally available City revenues other

than the Fire Inspection Assessment.

(B) It is ascertained, determined, and declared that each parcel of Assessed Property located within the City will be benefited by the City's provision of fire inspection services in an amount not less than the Fire Inspection Assessment imposed against such parcel, computed in the manner set forth in this Preliminary Rate Resolution.

Section 5: IMPOSITION AND COMPUTATION OF FIRE INSPECTION ASSESSMENTS. Fire Inspection Assessments shall be imposed against all Tax Parcels within the Property Use Categories, except as set forth in paragraphs (A) and (B) of this Section 5. Fire Inspection Assessments shall be computed in the manner set forth in this Preliminary Rate Resolution.

(A) No Fire Inspection Assessment shall be imposed upon property that is owned and used as a homestead by a person who has a total and permanent disability as a result of an injury or injuries sustained in the line of duty while serving as a first responder in the state of Florida or during an operation in another state or country authorized by the state of Florida or a political subdivision of the state of Florida, provided that the Property Appraiser, based on these facts, has determined that the property is exempt from ad valorem taxation. This exemption carries over to the benefit of the surviving spouse, provided that (i) the surviving spouse holds the legal or beneficial title to the homestead, permanently resides on the homestead, and does not remarry, and (ii) the Property Appraiser, based on these facts, has determined that the property is exempt from ad valorem taxation.

No Fire Inspection Assessment shall be imposed upon property that is owned and used as a homestead by the surviving spouse of a first responder who died in the line of duty while employed by the state of Florida or any political subdivision of the state of Florida, including authorities and special districts, provided that (i) the surviving spouse holds the legal or beneficial title to the homestead, permanently resides on the homestead, and does not remarry, and (ii) the Property Appraiser, based on these facts, has determined that the property is exempt from ad valorem taxation.

(B) No Fire Inspection Assessment shall be imposed upon property that is owned and used as a homestead by a veteran who was honorably discharged with a service-connected total and permanent disability, provided that the Property Appraiser, based on these facts, has determined that the property is exempt from ad valorem taxation. If the totally and permanently disabled veteran predeceases his or her spouse and if, upon the death of the veteran, the spouse holds the legal or beneficial title to the homestead and permanently resides on the homestead, the exemption from assessment carries over to the benefit of the veteran's spouse until such time as the spouse remarries or sells or otherwise disposes of the property, provided that the Property Appraiser, based on these facts, has determined that the exemption from taxation carries over to the benefit of the spouse.

No Fire Inspection Assessment shall be imposed upon property that is owned and used

as a homestead by the surviving spouse of a veteran who died from service-connected causes while on active duty as a member of the United States Armed Forces, provided that (i) the spouse holds the legal or equitable title to the homestead, permanently resides on the homestead, and does not remarry, and (ii) the Property Appraiser, based on these facts, has determined that the property is exempt from ad valorem taxation.

(C) No Fire Rescue Assessment shall be imposed upon property that is used and owned as a homestead by an ex-service member who has been honorably discharged with a service-connected total disability and who requires specially adapted housing and is required to use a wheelchair for his or her transportation, provided that the Property Appraiser, based on these facts, has determined that the property is exempt from ad valorem taxation. If the homestead of the wheelchair veteran was or is held with the veteran's spouse as an estate by the entirety, and if the veteran shall predecease his or her spouse, the exemption from assessment shall carry over to the benefit of the veteran's spouse, provided that the spouse continues to reside on such real estate and uses it as his or her domicile or until such time as he or she remarries or sells or otherwise disposes of the property.

Section 6: LEGISLATIVE DETERMINATIONS OF SPECIAL BENEFIT AND FAIR APPORTIONMENT. It is ascertained and declared that the Fire Inspection Assessed Costs provide a special benefit to the Assessed Property based upon the following legislative determinations.

(A) Upon the adoption of this Preliminary Rate Resolution determining the Fire Inspection Assessed Costs and identifying the Assessed Property to be included in the Assessment Roll, the general legislative determinations and legislative determinations of special benefit ascertained and declared in Sections 1.03 and 1.04 of the Ordinance are ratified and confirmed.

(B) It is fair and reasonable to use the DOR Codes and Improvement Codes for the apportionment of the Fire Inspection Assessed Costs because: (1) the Tax Roll database employing the use of such property use codes is the most comprehensive, accurate, and reliable information readily available to determine the property use and Building Area for improved property within the City, and (2) the Tax Roll database within such property use codes is maintained by the Property Appraiser and is thus consistent with parcel designations on the Tax Roll, which compatibility permits the development of an Assessment Roll in conformity with the requirements of the Uniform Method of Collection.

(C) The data available in the Improvement Codes is more useful and accurate to determine Building Area than the data maintained in the DOR Codes because (1) the data maintained in the Improvement Codes reveals the existence of a Building with a different use from the use described on the DOR Codes, and (2) the Improvement Codes represent records maintained by the Property Appraiser with the most information relative to Building Area regardless of property use.

(D) Apportioning Fire Inspection Assessed Costs among Multi-family Properties and Non-Residential Properties based upon the time necessary to perform the annual fire inspections for such Tax Parcels of Assessed Property, as derived from the City fire prevention division's most recent activity analysis, in relation to the size of the Assessed Properties is fair and reasonable and proportional to the special benefit received.

(E) Of the total time spent on conducting annual inspections, there is a minimum amount of time necessary to inspect each Assessed Property regardless of its size, classification (Multi-family or Non-Residential), or occupancy. The minimum time is determined by analyzing the activities of the fire inspector and the time spent on conducting an annual inspection, as provided in the City fire prevention division's most recent activity analysis. The remainder of the time spent on an annual inspection is related to the size of the building or occupancy to be inspected as measured by Building Area in the case of Non-Residential Properties and number of Dwelling Units in the case of Multi-family Properties.

(F) The City fire prevention division's recent activity analysis is the most reliable data available to determine the minimum time commitment for fire inspection services and the cost burden generated by these activities. There exists sufficient data within the fire prevention division's recent activity analysis documenting the historical demand for fire inspection services from Assessed Property within the Property Use Categories and the cost burden of such fire inspection activities. This historical data is consistent with the fire prevention division's current experience with regards to the required work effort and cost burden.

(G) The Tax Roll database maintained by the Property Appraiser is the most reliable data available to determine the Building area and number of Dwelling Units.

(H) The projected time necessary to perform a fire inspection of Multi-family Property is driven by the existence and number of Dwelling Units. Apportioning the Fire Inspection Assessed Costs for fire inspection services attributable to Multi-family Property on a per Dwelling Unit basis is required to avoid cost inefficiency and unnecessary administration and is a fair and reasonable method of apportionment.

(I) The projected time and associated cost required to perform a fire inspection of Non-Residential Property increases as the Building area increases. Accordingly, it is a fair and reasonable method of apportionment to use ranges of Building Area for Non-Residential Property.

(J) The time required to perform fire inspection services is substantially the same for Non-Residential Property below a certain minimum size and within certain size ranges; therefore, it is fair, reasonable and equitable to provide a lesser assessment burden on improved property containing such Non-residential Property by the creation of specific Building Area classification ranges for such parcels.

(K) The separation of improved Non-Residential Property into Building Area classification ranges is fair and reasonable for the purposes of the apportionment of the Fire Inspection Assessed Costs because: (1) the absence of a need for precise square footage data within the ad valorem tax records maintained by the Property Appraiser undermines the use of actual Building Area within each improved parcel as a basis for apportionment; (2) the administrative expense and complexity to determine by on-site inspection and track the actual Building Area within each improved parcel assessed is impractical; (3) the degree or amount of fire inspection services is not precisely determined or measured by the actual Building Area within benefited parcels; and (4) the classification of parcels within Building Area classification ranges is a fair and reasonable method to classify benefited parcels and to apportion costs among benefited parcels that have a similar requirement for fire inspection services.

(L) There may be additional factors that could increase time demand for fire inspection services and the associated cost burden required for a specific Building; however, the administrative burden of collecting and maintaining such data for every property within the City makes it impractical for the City to utilize these factors and greatly outweighs the benefit that could be realized from a further refinement of the methodology.

Section 7: DETERMINATION OF FIRE INSPECTION ASSESSED COST; APPORTIONMENT METHODOLOGY.

(A) The City is mandated to conduct annual fire inspections under the Broward County Local Amendments to the Florida Fire Prevention Code, Paragraph F-3.5 and Section 94.172 of the City of Hollywood's Code of Ordinances. In accordance with Section 94.172 of the Hollywood City Code, all Non-Residential Property and Multifamily Property must be inspected at least annually by the City to ascertain any conditions which pose fire hazards and threats or otherwise obstruct or interfere with the Fire Department's operations.

(B) Conducting annual fire inspections is a fire prevention activity. The Department of Fire Rescue and Beach Safety has established a separate Fire Prevention Division that performs all related services, including fire inspections. Using the total annual budget for the City's Fire Prevention Division including all salaries, benefits, operating expenses and other applicable components, if any, the Fire Inspection Assessed Cost for performing fire inspections was determined. The Fire Inspection Assessed Cost to be assessed and apportioned among benefited parcels pursuant to the apportionment methodology described herein for the Fiscal Year commencing October 1, 2025, is the amount determined in the Estimated Fire Inspection Assessment Rate Schedule attached as Appendix A.

(C) The apportionment of the Fire Inspection Assessed Cost among the Tax Parcels of Multi-family Property and Non-Residential Property shall be done in accordance with the apportionment methodology provided in that certain report entitled "City of Hollywood, Florida Fire Inspection Fee Memorandum," dated as of June 2024, prepared by Anser Advisory Consulting, LLC, which study is attached as Appendix D in

the Initial Assessment Resolution and incorporated herein by reference. The apportionment methodology contained in this study was approved and adopted and found to be a fair and reasonable method of apportioning the Fire Inspection Assessed Costs among parcels of Assessed Property located within the City.

(D) It is acknowledged that the apportionment methodology described and determined in this Section 7 and referenced in paragraph (C) is to be applied in the calculation of the estimated Fire Inspection Assessment rates established in Section 8 of this Preliminary Rate Resolution.

Section 8: ESTABLISHMENT OF ANNUAL FIRE INSPECTION ASSESSMENTS.

(A) The approval of the Estimated Fire Inspection Assessment Rate Schedule, which is attached as Appendix A, by the adoption of this Preliminary Rate Resolution determines the amount of the Fire Inspection Assessed Costs. The remainder of such Fiscal Year budget for fire inspection services shall be funded from available City revenue other than Fire Inspection Assessment proceeds.

(B) The estimated Fire Inspection Assessments specified in the Estimated Fire Inspection Assessment Rate Schedule are hereby established to fund the specified Fire Inspection Assessed Costs determined to be assessed in the Fiscal Year commencing October 1, 2025. No portion of such Fire Inspection Assessed Costs is attributable to the provision of capital improvements necessitated by new growth or development, nor is any portion of the Fire Inspection Assessed Costs attributable to the provision of emergency medical services. Additionally, no portion of the Fire Inspection Assessed Costs will be recovered through the City's Fire Rescue Assessment program; however, all other costs of the City's Fire Prevention Division not assessable as part of the Fire Inspection Assessed Costs may be funded through the City's Fire Rescue Assessment program.

(C) The estimated Fire Inspection Assessments established in this Preliminary Rate Resolution shall be the estimated assessment rates applied by the City Manager in the preparation of the preliminary Assessment Roll for the Fiscal Year commencing October 1, 2025, as provided in Section 9 of this Preliminary Rate Resolution.

Section 9: ASSESSMENT ROLL.

(A) The City Manager is directed to prepare, or cause to be prepared, a preliminary Assessment Roll for the Fiscal Year commencing October 1, 2025, in the manner provided in the Ordinance. The Assessment Roll shall include all Tax Parcels within the Property Use Categories. The City Manager shall apportion the estimated Fire Inspection Assessed Cost to be recovered through Fire Inspection Assessments in the manner set forth in this Preliminary Rate Resolution. A copy of this Preliminary Rate Resolution, the Ordinance, documentation related to the estimated amount of the Fire Inspection Assessed Cost to be recovered through the imposition of Fire Inspection Assessments, and the preliminary Assessment Roll (once prepared) shall be maintained

on file in the office of the City Clerk and open to public inspection. The foregoing shall not be construed to require that the preliminary Assessment Roll be in printed form if the amount of the Fire Inspection Assessment for each parcel of property can be determined by the use of a computer terminal available to the public.

(B) It is ascertained, determined, and declared that the method of determining the Fire Inspection Assessments for fire inspection services as set forth in this Preliminary Rate Resolution is a fair and reasonable method of apportioning the Fire Inspection Assessed Cost among parcels of Assessed Property located within the City.

Section 10: AUTHORIZATION OF PUBLIC HEARING. There is established a public hearing to be held at 6:00 p.m. on September 15, 2025, in the City Commission Chambers, Room 219, 2600 Hollywood Boulevard, Hollywood, Florida, at which time the City Commission will receive and consider any comments on the Fire Inspection Assessments from the public and affected property owners and consider imposing Fire Inspection Assessments for the Fiscal Year beginning October 1, 2025, and collecting such assessments on the same bill as ad valorem taxes for non-Government Property and pursuant to the alternative method of collection provided in Section 3.02 of the Ordinance for any Government Property assessed.

Section 11: NOTICE BY PUBLICATION. The City Manager shall publish a notice of the public hearing authorized by Section 10 in the manner and time provided in Section 2.04 of the Ordinance. The notice shall be published no later than August 23, 2025, in substantially the form attached as Appendix B.

Section 12: NOTICE BY MAIL.

(A) The City Manager shall also provide, or cause to be provided, notice by first class mail to the Owner of each parcel of Assessed Property, in the event circumstances described in Section 2.08(F) of the Ordinance so require. Such notice shall be in substantially the form attached as Appendix C. Such notices shall be mailed no later than August 23, 2025.

(B) If the City determines that the truth-in-millage ("TRIM") notice that is mailed by the Property Appraiser under Section 200.069, Florida Statutes, also fulfills the requirements of paragraph (A) of this Section 12, then the separate mailing requirement described in paragraph (A) will be deemed to be fulfilled by the TRIM notice.

Section 13: APPLICATION OF ASSESSMENT PROCEEDS. Proceeds derived by the City from the Fire Inspection Assessments will be utilized for the provision of fire inspection services. In the event there is any fund balance from Fire Inspection Assessments remaining at the end of the Fiscal Year, such balance shall be carried forward and used only to fund fire inspection services.

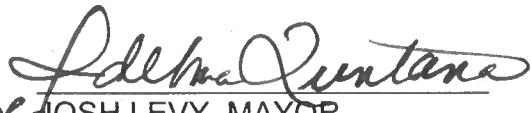

Section 14: CONFLICTS. All resolutions or parts of resolutions in conflict are repealed to the extent of such conflict.

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF HOLLYWOOD, FLORIDA, RELATING TO THE PROVISION OF FIRE INSPECTION SERVICES IN THE CITY OF HOLLYWOOD; ESTABLISHING THE ESTIMATED ASSESSMENT RATES FOR FIRE INSPECTION ASSESSMENTS FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2025; DIRECTING THE PREPARATION OF AN ASSESSMENT ROLL; AUTHORIZING A PUBLIC HEARING AND DIRECTING THE PROVISION OF NOTICE THEREOF; PROVIDING FOR CONFLICTS AND SEVERABILITY.

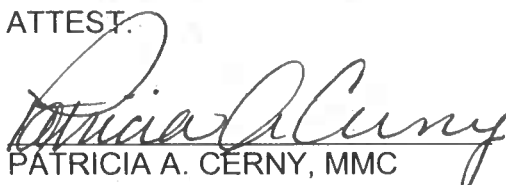

Section 15: SEVERABILITY. If any clause, section, other part or application of this Resolution is held by any court of competent jurisdiction to be unconstitutional or invalid, in part or application, it shall not affect the validity of the remaining portions or applications of this Resolution.

Section 16: EFFECTIVE DATE. That this Preliminary Rate Resolution shall be in full force and effect immediately upon its passage and adoption.

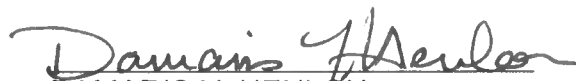

PASSED AND ADOPTED this 2 day of July, 2025.

FOR JOSH LEVY, MAYOR

ATTEST.

APPENDIX A

ESTIMATED FIRE INSPECTION ASSESSMENT RATE SCHEDULE

APPENDIX A

ESTIMATED FIRE INSPECTION ASSESSMENT RATE SCHEDULE

SECTION A-1. DETERMINATION OF FIRE INSPECTION ASSESSED COSTS. The estimated Fire Inspection Costs to be assessed for the Fiscal Year commencing October 1, 2025 is \$2,469,000.

SECTION A-2. ESTIMATED FIRE INSPECTION ASSESSMENTS. The estimated Fire Inspection Assessments to be assessed and apportioned among benefited parcels to generate the estimated Fire Inspection Assessed Cost for the Fiscal Year commencing October 1, 2025, are hereby established as follows for the purpose of this Preliminary Rate Resolution:

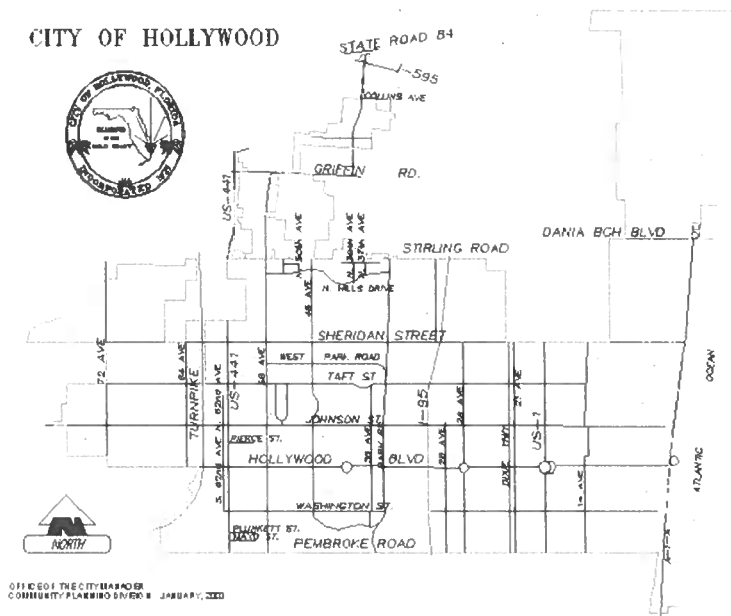

Billing Unit Type	Building Area	Residential Rate	Non-Residential Rates
Dwelling Unit	N/A	\$17	
Building	≤ 2,499 sq ft		\$110
	2,500 - 4,999 sq ft		\$202
	5,000 - 7,499 sq ft		\$387
	7,500 - 9,999 sq ft		\$572
	10,000 - 19,999 sq ft		\$757
	20,000 - 29,999 sq ft		\$1,497
	30,000 - 39,999 sq ft		\$2,237
	40,000 - 49,999 sq ft		\$2,977
	50,000 - 59,999 sq ft		\$3,717
	60,000 - 69,999 sq ft		\$4,457
	70,000 - 79,999 sq ft		\$5,197
	80,000 - 89,999 sq ft		\$5,937
	90,000 - 99,999 sq ft		\$6,677
	100,000 - 124,999 sq ft		\$7,417
	125,000 - 149,999 sq ft		\$9,267
	≥ 150,000 sq ft		\$11,117

APPENDIX B

FORM OF NOTICE TO BE PUBLISHED

To Be Published by August 23, 2025

CITY OF HOLLYWOOD NOTICE OF HEARING TO REIMPOSE AND PROVIDE FOR COLLECTION OF FIRE INSPECTION SPECIAL ASSESSMENTS

Notice is hereby given that the City Commission of the City of Hollywood will conduct a public hearing to consider reimposing fire inspection special assessments for the provision of fire inspection services within the City of Hollywood for the Fiscal Year beginning October 1, 2025.

The hearing will be held at 6:00 p.m. on September 15, 2025, in the City Commission Chamber, Room 219, 2600 Hollywood Boulevard, Hollywood, Florida, for the purpose of receiving public comment on the proposed assessments. All affected property owners have a right to appear at the hearing and to file written objections with the City Commission within 20 days of this notice. If a person decides to appeal any decision made by the City Commission with respect to any matter considered at the hearing, such person will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. In accordance with the Americans with Disabilities Act, persons needing a special accommodation or an interpreter to participate in this proceeding should contact the Division of Engineering/Transportation & Mobility, Clarissa Ip, ADA Coordinator/City Engineer at 954-921-3915 (voice), cip@hollywoodfl.org (email), or 800-955-8771 (V-TDD) at least five business days prior to the date of the hearing.

The assessment for each parcel of property will be based upon each parcel's classification and the total number of billing units attributed to that parcel. The following table reflects the proposed fire inspection assessment schedule.

Billing Unit Type	Building Area	Residential Rate	Non-Residential Rates
Dwelling Unit	N/A	\$17	
Building	≤ 2,499 sq ft		\$110
	2,500 - 4,999 sq ft		\$202
	5,000 - 7,499 sq ft		\$387
	7,500 - 9,999 sq ft		\$572
	10,000 - 19,999 sq ft		\$757
	20,000 - 29,999 sq ft		\$1,497
	30,000 - 39,999 sq ft		\$2,237
	40,000 - 49,999 sq ft		\$2,977
	50,000 - 59,999 sq ft		\$3,717
	60,000 - 69,999 sq ft		\$4,457
	70,000 - 79,999 sq ft		\$5,197
	80,000 - 89,999 sq ft		\$5,937
	90,000 - 99,999 sq ft		\$6,677
	100,000 - 124,999 sq ft		\$7,417
	125,000 - 149,999 sq ft		\$9,267
	≥ 150,000 sq ft		\$11,117

Copies of the Fire Inspection Assessment Ordinance (Ordinance No. O-2009-19), Initial Assessment Resolution (Resolution No. R-2009-251), Final Assessment Resolution (Resolution No. R-2009-286), the Preliminary Rate Resolution initiating the annual process of updating the Assessment Roll and reimposing the Fire Inspection Assessments, and the preliminary Assessment Roll for the upcoming fiscal year are available for inspection at the City Clerk's Office in Room 221, 2600 Hollywood Boulevard, Hollywood, Florida.

The assessments are generally collected on the annual ad valorem tax bill to be mailed in November 2025, as authorized by Section 197.3632, Florida Statutes. Failure to pay the assessments will cause a tax certificate to be issued against the property which may result in a loss of title. Alternatively, the assessment may be billed and sent by first class mail to the owner of the affected parcel of property that is subject to the fire inspection assessment.

If you have any questions, please contact the City's Treasury Division at 954-921-3246.

Dated this ____ day of August, 2025.

2024 NOTICE OF PROPOSED PROPERTY TAXES AND PROPOSED OR ADOPTED NON-AD VALOREM ASSESSMENTS

Broward County Taxing Authorities
Broward County Governmental Center
115 South Andrews Avenue, Fort Lauderdale, Florida 33301-1899

DO NOT PAY THIS IS NOT A BILL

The taxing authorities which set property taxes against your property will soon hold PUBLIC HEARINGS to adopt budgets and tax rates for the next year.

The purpose of the PUBLIC HEARINGS is to receive opinions from the general public and to answer questions on the proposed tax change and budget PRIOR TO TAKING FINAL ACTION.

Each taxing authority may AMEND OR ALTER its proposals at the hearing.

The taxing authorities listed below set your tax rates. The Broward County Property Appraiser sets your property value and applies exemptions.

If you have questions regarding your value or exemptions, please call the appropriate department listed on the back of this form.

Note: Amounts shown on this form do NOT reflect early payment discounts you may have received or may be eligible to receive. (Discounts are a maximum of 4 percent of the amounts shown on this form.)

If you feel the market value of your property is inaccurate or does not reflect fair market value, or if you are entitled to an exemption or classification that is not reflected above, contact the Broward County Property Appraiser at 954-351-0211 or 954-351-5533. If you are entitled to an exemption or classification that is not reflected above, contact the Broward County Property Appraiser at 954-351-0211 or 954-351-5533. If you are entitled to an exemption or classification that is not reflected above, contact the Broward County Property Appraiser at 954-351-0211 or 954-351-5533.

If the Property Appraiser's office is unable to resolve the matter as to market value, classification or an exemption, you may file a petition for adjustment with the Value Adjustment Board. Petition forms are available from the Broward County Property Appraiser and must be filed on or before -- September 18, 2024.

Your final tax bill may contain non-ad valorem assessments which may not be reflected on this notice such as assessments for roads, fire, garbage, lighting, drainage, water, sewer, or other governmental services and facilities which may be levied by your county, city, or any special district and possible or additional ad valorem penalties.

Proposed or Adopted Non-Ad Valorem Assessments

Local governments will soon hold public hearings to adopt non-ad valorem assessments for the next year. The purpose of the public hearings is to receive opinions from affected property owners and to answer questions on the proposed non-ad valorem assessments prior to taking action. All property owners have the right to appear at the public hearing and speak or file written objections to the non-ad valorem assessments. The written objection must be filed with the local government within 20 days of the first class notice required by sect. 197.3632, Florida Statutes --- this form constitutes the first class notice required by sect. 197.3632, Florida Statutes for county assessments and certain municipal assessments listed below. ---

Note: Amounts shown on this form do NOT reflect early payment discounts you may have received or may be eligible to receive.

(Discounts are a maximum of 4 percent of the amounts shown on this form.)

2024 NOTICE OF PROPOSED PROPERTY TAXES AND PROPOSED OR ADOPTED NON-AD VALOREM ASSESSMENTS EXPLANATION

(Pursuant to Sec. 200.069, Florida Statutes)

EXPLANATION OF PROPERTY APPRAISER INFORMATION AND AD VALOREM TAXES:

*** COLUMN 1 -- "LAST YEAR'S ACTUAL TAX RATE"**

This column shows the tax rate adopted by each taxing authority and applied to your property last year.

*** COLUMN 2 -- "THIS YEAR'S PROPOSED TAX RATE"**

This column shows what your tax rate will be this year under the BUDGET ACTUALLY PROPOSED by each taxing authority.

*** COLUMN 3 -- "YOUR PROPERTY TAXES LAST YEAR"**

This column shows the taxes that applied last year to your property. These amounts were based on budgets adopted last year and your property's previous taxable value.

*** COLUMN 4 -- "YOUR TAXES IF PROPOSED BUDGET CHANGE IS ADOPTED"**

This column shows what your taxes will be this year under the BUDGET ACTUALLY PROPOSED by each local taxing authority. The proposal is NOT final and may be amended at the public hearings shown on the front side of this notice.

*** COLUMN 5 -- "YOUR TAX RATE THIS YEAR IF NO BUDGET CHANGE IS MADE"**

This column shows what your tax rate will be IF EACH TAXING AUTHORITY DOES NOT CHANGE ITS PROPERTY TAX LEVY. It is commonly referred to as the "roll-back rate" and is the rate that would generate the same amount of revenue as the prior year.

*** COLUMN 6 -- "YOUR TAXES IF NO BUDGET CHANGE IS ADOPTED"**

This column shows what your taxes will be this year IF EACH TAXING AUTHORITY DOES NOT CHANGE ITS PROPERTY TAX LEVY. These amounts are based on last year's budgets and your current assessment. The difference between columns 4 and 6 is the tax change proposed by each local taxing authority and is NOT the result of higher assessments.

MARKET VALUE:

This is our opinion of the real value of your property on the open market on January 1 of this year (based upon qualified sales of similar properties last year).

ASSESSED/SOH VALUE:

This is the market value of your property minus any assessment /classification reductions.

ASSESSMENT REDUCTIONS:

Properties can receive an assessment reduction for a number of reasons, including the Save Our Homes (SOH) benefit, portability, the 10% cap property assessment limitation and the agricultural classification. Not all assessment reductions apply to all taxing authorities.

EXEMPTIONS:

Specific dollar or percentage reductions in value are based on certain qualifications of the property owner. Exemption examples include homestead/additional homestead, widow/widower, disabled veteran, disability and seniors. The value of each exemption on your property is listed, as applicable, to the various taxing authorities.

TAXABLE VALUE:

This is the value used to calculate the taxes on your property. The taxable value is the assessed value minus the value of your exemptions.

NON-AD VALOREM ASSESSMENTS:

Ad valorem taxes are set based on the value of property. Non-ad valorem assessments are set based on characteristics including (but not limited to) type of building, lot size, building size, or number of residential units. Non-ad valorem assessments are placed on this notice at the request of the local governing boards. The Broward County Revenue Collection Division will be including these on your November tax bill. For details on particular non-ad valorem assessments, contact the taxing authorities listed above. The phone number for each is listed in the column with the date, time and location of the public hearing. FAILURE TO PAY TAXES AND NON-AD VALOREM ASSESSMENTS WILL RESULT IN THE ISSUANCE OF A TAX CERTIFICATE AND MAY RESULT IN THE LOSS OF TITLE.

Your final tax bill may contain non-ad valorem assessments which may not be reflected on this notice such as assessments for roads, fire, garbage, lighting, drainage, water, sewer, or other governmental services and facilities which may be set by your county, city, or any special district.

CHALLENGING YOUR ASSESSMENT

You may file Value Adjustment Board petitions online at <https://bcvab.broward.org/axiaweb2024>.
 Have questions for the Value Adjustment Board about your petition? Contact them directly at 954-357-7205.
 The filing deadline is September 18, 2024.
