

PROPERTY ACCESS AGREEMENT

This Property Access Agreement (the "Agreement") is made and entered into this _____ day of _____, 2022 by and between ARSC INC., a Florida profit corporation authorized to do business in the State of Florida, (hereinafter "Licensor") and the City of Hollywood, a municipal corporation of the State of Florida (hereinafter "Licensee").

RECITALS

WHEREAS, Licensor is the owner of the property located at 5650 Stirling Road, Hollywood, Florida (the "Property"); and

WHEREAS, Licensee desires to obtain the right from Licensor to use a portion of the Property depicted on Exhibit "A" for the purposes of installing, operating and maintaining the A.L.P.R Equipment described on Exhibit "B" attached hereto and incorporated herein by reference (the "A.L.P.R Equipment");

NOW, THEREFORE, the parties desire to enter into this Property Access Agreement to set forth the parties rights and obligations as follows:

1. **Premises and Uses.** Licensor hereby grants to Licensee a license to use, the Property as more specifically depicted in Exhibit "A". Said use of the Property will permit the Licensee to install a fixed pole, operate, maintain, replace and upgrade the A.L.P.R Equipment, at Licensee's expense except for the cost of certain electricity as described in Section 8 and for no other purpose.

2. **Term and Renewals.** The Term of this Agreement (the "Initial Term") shall be for Ten (10) years. This Agreement may be renewed for an additional term of ten (10) years unless either party provides the other with thirty (30) days prior written notice of its intent not to renew.

3. **Installation.** Licensee shall, install and maintain the A.L.P.R Equipment through its contractors in a good and workmanlike manner that will not interrupt the operations of the business on the Property. Any contractors or subcontractors must have and provide evidence of insurance coverage with reputable insurance carriers to do business in Florida, providing worker's compensation coverage in accordance with the statutory requirements, employer's liability coverage, general commercial liability coverage. Said Certificates of Insurance shall name the Licensor and Licensee as additional insured's. A copy of the contractor's or subcontractor's Certificate(s) of Insurance shall be retained by the Licensee and provided to Licensor upon written request. Upon the expiration or earlier termination of this Agreement, Licensee shall remove the Wireless Equipment from the Property and restore the premises to its

condition prior to installation, excepting normal and wear and tear and casualty. All costs and expenses for the removal and restoration shall be borne by Licensee and/or its contractors and subcontractors. The Licensee and/or its contractors and subcontractors agree to restore any potential damaged landscaping or irrigation as a result of the installation.

All such contractors and subcontractors shall provide and maintain insurance that shall provide coverage of at least \$2,000,000.00 for personal injury, loss, damage or death to any person or persons (including employees, officers or agents of Licensor) and any property damage arising out of, resulting from, or in connection with (in whole or in part) the performance or non-performance of work required of the contractor or subcontractor on the Property.

4. **Improvements and Changes.** Subject to the prior written consent by Licensor through its designated authorized representative, which consent shall not be unreasonably withheld, Licensee may, at its sole expense, make such improvements and changes to its Wireless Equipment on the Property as it deems necessary from time to time, consistent with the operation of its Wireless Equipment for its wireless communications and/or its routine maintenance and repairs, provided such improvements and changes result in no material change to the appearance or aesthetics of the Wireless Equipment and no interference with the rights of Licensor, its members or other Licensees at the Property.

5. **Access.** Licensee may access, maintain, repair or modify the A.L.P.R Equipment upon reasonable advance notice to Licensor. Licensee access shall not unreasonably interfere with Licensor's use and operation at the Property. Licensee and /or its contractors or subcontractors shall have sole responsibility for the safe and proper design, construction, and installation of the Wireless Equipment, and Licensor shall have no responsibility or liability therefor relating to such design, construction and installation or operation.

6. **Interference.** Licensee and its contractors or subcontractors shall not use any equipment that causes, or may cause, interference with any other equipment at or on the Property. Licensee agrees that if any of Licensee's A.L.P.R Equipment causes interference in violation of the above, Licensee shall immediately cease such interference and make such changes in its A.L.P.R Equipment as needed to correct the interference.

7. **Insurance/Indemnity.** In addition to Licensee ensuring that its contractors and subcontractors have the applicable insurance as set forth above, Licensor acknowledges that Licensee is self-insured and Licensee will retain any and all

insurance required to cover the A.L.P.R Equipment etc. and the Property entered upon or used by Licensee.

Licensee further agrees to indemnify and hold harmless Licensor, its officers, directors, members, agents and employees, customers, and invitees from and against all claims, damages, losses and expenses, arising out of, resulting from or in any way related to, the occupancy or use by Licensee of the Property subject to the provisions of, and limitations set forth in, Section 768.28, Florida Statutes. This paragraph shall survive the expiration or earlier termination of this Agreement, or any renewal term thereof.

8. **Electricity.** The Licensor hereby agrees that Licensee may access Licensor's existing electrical circuit located on the north swale portion of the property. Licensee will upgrade any necessary electrical equipment to allow a dedicated circuit to power the A.L.P.R Equipment at no cost to Licensor. Licensor agrees to provide electricity at no cost to the Licensee provided such costs are minimal to Licensor. Licensor hereby acknowledges that Licensee's electrical use for the A.L.P.R Equipment is a constant power usage, and upon installation, Licensee will take an amperage reading of the equipment to confirm that the amperage and cost of the electrical services cost is less than \$20.00 per month. Licensee shall not be responsible, nor held liable, for any failures or disruptions of electrical service, not cause by Licensee.

In addition, Licensee shall contract with the City's electrical contractor for the sole purpose of running/installing an electrical line from the existing electrical circuit to the A.L.P.R Equipment location Exhibit "A" approximately 15 feet away. The Licensee shall be responsible for any and all permits required for this installation.

9. **Risk of Loss.** Licensee shall assume all risk of loss or damage to Licensee's A.L.P.R Equipment. Licensee shall be responsible for securing its A.L.P.R Equipment from access or entry by any unauthorized persons. Except for the cost of certain electricity as described in Paragraph 8 above, Licensee shall reimburse Licensor for any cost or damages Licensor incurs as a result of or the A.L.P.R Equipment and any other Licensee equipment on the Property.

10. **Termination.**

(a) This Agreement may be terminated at any time by Licensee without further liability upon thirty (30) days prior written notice to Licensor as provided herein. Upon termination, Licensee shall remove its A.L.P.R Equipment from the Property as set forth in this Agreement and restore Licensor's Property to its condition prior to installation as soon as is reasonably practicable, excepting normal wear and tear.

(b) This Agreement may be terminated by Licensor with or without cause upon twelve (12) months prior written notice as provided herein. Upon termination, Licensee shall remove and restore Licensor's Property to its condition prior to installation as soon as is reasonably practicable, excepting normal wear and tear.

(c) In the event that this Agreement is terminated, the easement provided by Licensor under separate document will also terminate.
