Please answer the additional questions listed below

General Obligation (GO) Bond Oversight Advisory Committee

1. Why do you want to join the GO Bond Oversight Advisory Committee?
2. Explain how your personal and/or professional experiences will contribute to the meeting the goal(s) of the Board or City.
3. Which Bond Interests you the most? Public Safety? Parks/Golf/Open Space or Neighborhoods & Resiliency?
4. What is your perspective on city quality of life, healthy neighborhoods, economic development & a strong tax base?

1. I have been a civically involved resident homeowner in Hollywood since 1978 (same house). I raised three sons here and have a major investment in keeping our city a wonderful and valued place to live.

2. I was a commercial bank lending officer (three decades). Was involved in area real estate development (Presidential Circle here in Hollywood). Created and operated a successful executive office center on Hollywood Blvd (Emerald Executive Center). I have a multi-faceted financial background.

3. All three Bond areas are essential to the overall future quality of life in, and to the growth of our city. My interest is not limited to any one area.

4. My wife and I have no plan or desire to leave Hollywood. This has been our home for many years. As such, we have a strong personal interest in the continuation and betterment of the city's quality of life, healthy and safe neighborhoods, and economic/business development. To accomplish all this, we need to maintain a strong tax base.

Biography:

Paul Farren is a LEED Green Associate™ and the owner and CEO of the Energy Store in Hollywood, Florida.

The Energy Store is a unique, new type of business, conceived by Mr. Farren that provides "renewable energy" products for a sustainable future. The Energy Store specializes in custom solar systems for homeowners, businesses and remote "off-grid" applications. They also offer LED lighting solutions and also provides consultation, design and installation of energy saving solutions, solar systems and wind systems for businesses and residents.

Paul was born and raised in Richmond, Virginia where he attended public schools. He has attended the University of Miami, The American University and graduated with a Bachelor of Science Degree in Advertising from Virginia Commonwealth University. He received a Master of Science degree in Radio/Television from Syracuse University.

He has worked in network television for NBC in Washington, DC where he was a member of the Directors Guild of America and the National Association of Broadcast Employees and Technicians.

He was President of Gardy McGrath International, an award-winning television and internet production company in Reston, Virginia.

He spent more than two decades consulting, designing and selling high-end television systems, executive board rooms and auditorium presentation systems, before moving to South Florida to pursue his vision of founding a renewable energy business.

He has historically been involved with environmental concerns and issues. In the early 70's he founded a health food restaurant called "Healthy Foods" and a craft co-op called "Earthworks". He attended the very first Earthday in Washington, DC on April 22, 1970.

He is currently a member of the Hollywood (Florida) Green Team Advisory Committee; is a member of the Executive Committee of the Broward Workforce Development Board and is a member of The Greater Hollywood Chamber of Commerce. He has also served on the Institute for Sustainable Resources Board at Broward College and was a member of the Employ Florida Alternative Energy Banner Center Advisory Council at the Florida Solar Energy Center; The Broward Alliance Green Workforce Think Tank, The Broward Energy Training Partnership, The South Florida Green Jobs Collaborative; and has served on the Board of Directors of The Florida Green Energy Council. He is regularly interviewed by television, newspaper and internet media on renewable energy and sustainability issues.

Since his recent re-involvement in the renewable energy industry, he has become certified by the Florida Solar Energy Center (FSEC) for photovoltaic installations, The Midwest Renewable Energy Association (MREA) and by several manufacturers and distributors of renewable energy products. He is a member of the American Solar Energy Society (ASES), The Florida Alliance for Renewable Energy (FARE), the Florida Renewable Energy Association (FREA), the Florida Solar Energy Industries Association (FlaSEIA), the United States Green Building Council (USGBC), the Greater Hollywood Chamber of Commerce and the Downtown Hollywood Business Association. The Energy Store was the 2011 trophy winner of the Broward County Emerald Award for: Climate Change Leader – Small Business.

His outside interests include golf and other sports, photography, theater, art and music.

Education Advisory Committee - Questions*

Some of the current challenges facing education are threats to public education, teacher pay and compensation, shortage of counselors, college access and equity issues. In every initiative to support a group, the group itself should be consulted on how best to apply additional resources and support. My vision for education in Hollywood is to be more inclusive of the voice of parents and students and supporting and empowering them as recipients of public education to become advocates for their best public education options. In keeping with this statement, the priorities of this committee should be more inclusive and follow what parents and students want and need most. Priorities should be set based on what students and parents state are the most salient issues and meetings should address these in order expressed by parents and students. I am not aware if a survey of parents and students has been administered recently, however, goals of the committee should align with needs of students and an evaluation plan of these goals should be established and shared publicly. I look forward to learning more about the work of this committee, its current plans and goals, and how I can best support the students and parents of Hollywood

What experience do you have with firefighter pensions? 3 What is your financial background? 4. How many years have you lived in Hollywood? 5 How familiar are you with local retirement systems?

General Obligation Bond Oversight Advisory Committee - Questions*

1. I am an active Hollywood resident and I plan on remaining a City resident for the foreseeable future. I am concerned about the City's financial stability, but I believe that responsible spending can improve our quality of life.

2. My work as a consultant focuses on infrastructure improvements and I understand the complexities involved with these types of projects and the regulatory environment. My work involves interdisciplinary coordination through all phases of projects, from planning and design, through construction and operations. I also have three children; I want them to continue to enjoy the City's amenities safely without bankrupting the City's future.

3. Parks/Golf/Open Space or Neighborhood Resiliency. I provide resiliency services for my municipal clients. I am working with FDOT to look for opportunities to develop wetland mitigation and I see opportunities within the Parks/Golf/Open Space bond package for the City to develop partnerships and bring in funds.

4. I love our City and consider it home. I purchased my house specifically because of the neighborhood's location and amenities. This includes walking proximity to the beach and to downtown, tree lined streets and numerous parks. I don't always agree with the choices that we make as a City. I am disappointed in our failure to improve our US 1 corridor, even as compared to Dania and Hallandale. I anticipate crime along our portion of the corridor will increase as land use and property values increase to the north and south. We should be promoting better businesses along US 1. Dollar stores will not elevate our community, neither will restaurants that do little to spruce up old, poorly designed structures. When I view our city from Muse I feel optimistic that we can make a change through responsible spending. Projects like Atlantic Village and other mixed use projects in Hallandale would add so much value to our current residents and improve safety and expand our tax base.

Please answer these four questions above. Why do you want to join the GO Bond Oversight Advisory Committee? 2. Explain how your personal and/or professional experiences will contribute to the meeting the goal(s) of the Board or City. 3. Which Bond interests you the most? Public Safety? Parks/Golf/Open Space or Neighborhoods & Resiliency? 4. What is your perspective on city quality of life, healthy neighborhoods, economic development & a strong tax base?

Green Team Advisory Committee - Questions*

Please answer these five questions above. 1. Why do you want to join the green team? 2. Have you attended any green team meetings? If so, how many? 3. What knowledge, skills, and abilities would you bring to the green team if appointed? 4. What other organizations, clubs, or associations are you involved in? 5. Are you available to attend regular committee and subcommittee meetings? Regular meetings are on the 4th Thursday of the month and 2nd Monday for subcommittee meetings. 6. What types of projects would you like to see the committee work on?

Historic Preservation Board - Questions*

Please answer these five questions above. 1. How have you prepared yourself to serve on the Historic Preservation Board? 2. Explain how your personal and/or professional experiences will contribute to the meeting the goal(s) of the Board or City. * Personal experiences, * Professional experiences. 3. What is your perspective on balancing growth of the City's tax base, within the Historic Districts, while maintaining neighborhood stabilization? 4. Professional Summary and Expertise

JUSTIN FREEDMAN is an experienced environmental professional serving public and private clients throughout Florida. In addition to managing E Sciences' two south Florida offices, he provides expertise in diverse service areas including urban forestry, arboriculture, environmental permitting and transportation related services and manages complex, multidisciplinary projects that include a variety of environmental and engineering related tasks. Mr. Freedman's arborist and urban forestry consulting services include arborist assessments, tree risk assessments, expert witness services, tree inventories, canopy studies, plan review, tree removal permitting, tree and landscape appraisals, landscape design, landscape inspection and landscape CEI. His tree inventory projects have included the assessment of more than 100,000 trees. He has also conducted numerous studies related to climate change and sea level rise and was involved with the preparation of the Broward County Climate Change Action Plan.

Mr. Freedman has played a significant role in urban forestry in Florida. He serves on the Executive Committee of the Florida Urban Forestry Council, recently in the role of President, and planned, chaired and moderated the Urban Forestry Institute for four years. He has designed and presented trainings on a variety of arborist and urban forestry related topics.

Mr. Freedman also specializes in transportation services. He has been providing consulting services to the FDOT for more than 10 years and manages a variety of transportation related contracts and projects. Projects include NEPA documentation for major (PD&E) and minor projects, NPDES and permit compliance inspections of FDOT assets, environmental resource permitting, landscape CEI and inspection services and mitigation and maintenance monitoring for dozens of FDOT constructed sites.

Affordable Housing Advisory Committee - Questions*

1. The greatest challenges to keep housing affordable in Hollywood are the constant rise in construction cost and NIMBY wars. 2. I am most skilled in Home Purchase Education and Housing Market Stability. 3. I am passionate about ownership housing affordability. Since I was a kid, it was one of the questions I would ask my parents: how do people buy a house? It was such a great amount of money that I thought other parties had to get involved. In the case of Affordable Housing, I think that the role of the city is really important as well. 4. I like to give back. I have been very fortunate to be able to study what I like and to work on what I am most passionate about. I like meeting new people and being able to contribute to my city. 5. Housing diversity is important in the economic health of every city. People need to live close to their work place so communities need quality affordable housing for every family, senior or individual.

Please answer these five questions above. 1. In your opinion what is the greatest challenge to keeping housing affordable in Hollywood? 2. Which of the following disciplines are you most skilled? • Home Purchase Education, • Housing Market Employment, • Housing Market Stability, • Affordable Housing Construction, • Affordable Housing Activism. 3. Which of the following disciplines are you most passionate? • Ownership Housing Affordability, • Rental Housing Affordability, • Housing Market Stability, • New Housing Construction, • Fair Housing. 4. April 10, 2019

Dear Mayor Levy and Commissioners,

Thank you for the opportunity to submit my application for appointment for service on the Parks, Recreation and Cultural Arts Advisory Board. Attached please find the completed Advisory Board Interest Form, narrative resume and a more detailed resume for your consideration of my qualifications.

You are already acquainted with me through my efforts to save the Orangebrook Golf Course for future generations to enjoy, and for my work together with other residents to actively campaign to help pass the General Obligation Bonds. But besides my passion for preservation of our open green spaces and restoration of our municipal golf courses, I also bring a lifetime of experience in the cultural arts to my application to serve on the Parks, Recreation and Cultural Arts Advisory Board which is evident in my resume.

With GO Bond funding, many important and necessary quality of life improvements can now be accomplished all throughout Hollywood, including many projects in our parks. But apart from the restoration of the golf courses and all the many other parks projects spinning out of the GO Bond, this will also be an important and exciting year for Hollywood Parks & Rec due to the Parks Master Planning process which is about to commence. As a member of the Parks Advisory Board I would expect to be actively engaged in this process and am willing to help in any way needed to contribute to the development of a sound plan that can guide our program for many years to come.

Being retired, my schedule is open and flexible to allow for good attendance at Advisory Board meetings and events. Thank you for your time and consideration of this application.

Sincerely,

A handwritten signature in cursive script that reads "Claire Garrett". The signature is written in black ink and has a long, sweeping horizontal line extending from the end of the name.

Please answer the additional questions listed below

Parks, Recreation & Cultural Arts Adv. Board

1. How many events have you attended in the past year at any of the parks and athletics facilities in the City? *10 - 15*
2. How many City-sponsored special events have you attended for the past year? *5*
3. Are you available to attend regular Board meetings? Regular meetings are on the 1st Thursday of the month for 8 months per calendar year. *YES*
4. What is your one area of highest interest related to the parks, recreation and cultural arts for the City? *Parks Master Plan*
5. What other relevant organizations, clubs, or associations were you previously, and/or currently are involved in? *see detailed resume please*
6. How does parks, recreation and cultural arts contribute to quality of life?

Hollywood Parks, Recreation and Cultural Arts fulfills this important function by offering something meaningful for everyone regardless of age, physical ability or personal interests – whether it be a broad range of active sports such as soccer or tennis for our youth, social activities for our seniors at places like the Lippman Center, peaceful moments of reflection under a majestic live oak tree at parks such as Charles Vollman Park, or watching an old movie under the stars or learning the amazing skill of glassblowing at the Hollywood ArtsPark. Places and programs such as these which are administered by Hollywood Parks and Rec offer a welcome counterpoint to the responsibilities and challenges of our daily lives. Being able to recreate and recharge our batteries close to home through these recreational opportunities is a feature of livable cities that offer a high quality of life to their citizens.

Claire Garrett

Narrative Resume

Claire retired in 2013 after a long career in arts administration. In her 18 year tenure at the Broward Cultural Division, she served as Senior Public Art Project Manager, overseeing a diverse portfolio of public art projects from start to finish. Prior to that she was a Director of contemporary art galleries and served for one year as the Interim Curator of Education at the Center for the Fine Arts Miami. She maintained a sculpture studio at the Bakehouse Art Complex in Miami for many years.

Before relocating to South Florida in 1987, Claire owned and operated one of the largest tropical plant and flower shops north of Boston. In retirement she has become an award winning hobby orchid grower and is active in the Fort Lauderdale Orchid Society. She was the Assistant Orchid Curator for three years at Bonnet House Museum & Gardens.

Claire is a member of the Park East Civic Association and as Chairman of its Orangebrook Revitalization Committee she led citizen efforts to save the historic Orangebrook Golf Course and help pass Hollywood's General Obligation Bond. Claire continues to serve on the Broward Cultural Council, a position she was appointed to in 2014 by County Commissioner Beam Furr. She has lived in Hollywood next to the Orangebrook Golf Course since 2001 where she shares her home with several rescue cats and several hundred orchids from all over the world.

Dear Commissioners,

Thank you for the opportunity to be considered for re-appointment to the City of Hollywood Marine Advisory Board. I feel I have been a contributing member of the Board during this term.

Currently I am serving as the liaison to the Broward County Marine Advisory Committee. The Committee recommends to the Broward County Commission grant funding for projects such as the restroom enhancement at the City Marina, boat ramp improvements at Holland and Rotary Parks, that we have received and the EMLEG law enforcement Patrol and Aggressive hours funding we receive on an annual basis.

I believe that our waterways in the City are an underutilized resource for both economic opportunities and recreational uses for the residents and visitors.

As you know I am a long time resident of the City, am active in the Community, have a Tourism background working 30 years in the Convention/ Tradeshow industry and also have experience dealing with grants and other public funding sources as Director of a non-profit Training Institute.

I also have been living on one of the City's navigable waterways for more than 30 years, along with being an avid boater my entire life.

Again thank you for your consideration for this re-appointment. If you have any questions please feel free to contact me.

If so, what kind of business and for how long? 3. How often do you visit Hollywood beach and/or Broadwalk? 4. What three things do you love the most about Hollywood beach?

Education Advisory Committee - Questions*

1. Florida education funding is not sufficient to pay teachers properly, bureaucrats in Tallahassee create unfunded mandates for schools to follow, charter schools divide the school populations and funding into artificial groups which weaken traditional public schools, and parent involvement is more limited due to security concerns after the Parkland tragedy.
2. My vision has always been to educate our community about the many strong programs that exist in our Hollywood schools, and to strengthen those schools by supporting programs that produce learning gains.
3. Our committee works to gather information from various education groups working in our community, and to see where we can help disseminate this information to the public and work with groups to improve how they interact specifically with Hollywood schools. We also help decide who should receive city teacher grant funding.
4. The limit for our committee is mainly not the number of meetings but the lack of control we have over education issues. There is no funding for new construction and we must work with schools with challenges that are not easily addressed by a simple committee action. We determine what issues are currently in the news and what issues are being mentioned in Hollywood communities to address the most critical issues we have control over.
5. We look at the coverage of positive school stories in the various Hollywood papers and we look at the grades report from the Broward Schools along with other indicators such as graduation rates and parent involvement data.

Please answer these five questions above. 1. What are the current challenges facing education? 2. What is your vision for education in Hollywood? 3. Green Team Advisory Committee - Questions*

I live a conscientious lifestyle. My cars are hybrid or electric, we are a meat free home, we recycle, we purpose, we believe in creating a low carbon foot print and interested in green initiatives, but I see very little education going on in the community. We have a diverse population in Hollywood. Meaning that not all come from countries that practice recycling or understanding conservation.

I am available to attend meetings, as I am self-employed and able to adjust my schedule.

I am very concerned about the use of now single stream recycling. I do now that most of my neighbors do not realize that they think they recycle, but what they do is cross contaminate -rendering their recyclable bin unusable.

I also feel that the business community needs to promote green initiatives- For example- not all dry cleaners take back wire hangars. If they are part of the problem, they need to part of the solution.

Our public buildings should use rain water for flushable toilets, or promote rain water reclamation. With the growth of the downtown area, our population density will increase tremendously with more people, more usage of valuable resources and I am very concerned about this.

I would like to see the committee work on rain water reclamation for public buildings, educating the public on recycling practices so cross-contamination will be reduced and work with local businesses to see what they control to waste and how they can plan to reduce that.

Please answer these five questions above. 1. Why do you want to join the green team? 2. Have you attended any green team meetings? If so, how many? 3. What knowledge, skills, and abilities would you bring to the green team if appointed? 4. What other organizations, clubs, or associations are you involved in? 5. Are you available to attend regular committee and subcommittee meetings? Regular meetings are on the 4th Thursday of the month and 2nd Monday for subcommittee meetings. 6. What types of projects would you like to see the committee work on?

Historic Preservation Board - Questions*

I am currently enrolled in Leadership Hollywood Class 43 to learn about the history and development of the City of Hollywood. I believe a city grows and learns from its past. During the 1980's many cities across the USA experienced huge growth with a cultural shift towards not preserving its past. Coming from NYC and seeing so many historically significant structures torn down (Penn station comes to mind) and then the realization many years later that this happened, saddens me. I believe that old and new can and should coexist. I do know many of the downtown structures have had the facades plastered over and covered up (one of the old bank bldg on Hollywood Blvd also comes to mind) to now have them sit vacant or with exteriors that are no longer "in fashion" and no make the City of Hollywood appear obsolete. All cities need to keep their aesthetic and uniqueness yet still be attractive to draw businesses and population to come. It is a delicate balance.

As an artist and former art director, I have a background in art history and can appreciate the city's original architecture, but also can appreciate a newer appealing aesthetic for the Historic district as well as all areas of the city. Urban design has evolved over the years and I am always one to move the "look" of our city forward, yet preserving the design of its past. I can use my knowledge and understanding on how to research, my eye for detail and understanding what is considered of historic value and bring that to the board.

As the Current President of the Modern Art Guild- one of our missions is to take a what is old and historic craft of our nation and update it for a modern appeal, yet still keeping its integrity to the original. I see old buildings and cities in that same context.

Please answer these five questions above. 1. How have you prepared yourself to serve on the Historic Preservation Board? 2. Explain how your personal and/or professional experiences will contribute to the meeting the goal(s) of the Board or City. * Personal experiences, * Professional experiences. 3. What is your perspective on balancing growth of the City's tax base, within the Historic Districts, while maintaining neighborhood stabilization? 4. How would you balance historic architecture with modern architectural styles? 5. What do you like about the City's different Historic Districts?

Hollywood Housing Authority - Questions*

Please answer these five questions above. 1. In your opinion what is the greatest challenge to keeping housing affordable in Hollywood? 2. Which of the following disciplines are you most skilled? * Property Management, * Affordable Housing Administration, * Housing Market Stability, * Affordable Housing Construction, * Affordable Housing Activism. 3. Which of the following disciplines are you most passionate? * Property Management, * Rental Housing Affordability, * Housing Market Stability, * New Housing Construction, * Fair Housing. 4. What (if any) life experience motivated you toward volunteerism? 5. What role does housing diversity play in Hollywood's economic health?

Marine Advisory Board - Questions*

Please answer these five questions above. 1. What is your involvement with the City of Hollywood's Waterways? 2. What will guide your decisions on this board? 3. Are you able to dedicate 2-3 hours a month to attend the meetings? Attendance is paramount to this Board being able to get things done. 4. Are you currently or have you been a boater, marine industry professional or involved in any other marine related industry? 5. What is your vision for the city of Hollywood's Waterway system?

Neighborhood Watch Advisory Board - Questions*

Please answer these five questions above. 1. What do you see as the function of the Neighborhood Watch program? 2. What do you feel you could bring as a member of the Neighborhood Watch Advisory Board? 3. How do you plan to recruit Area Coordinators and grow the network of Neighborhood Watch members? 4. Are you proficient in social media and computer skills? 5. This position requires 8 hours a month, are you able to commit time that this position requires?

Parks, Recreation & Cultural Arts Advisory Board - Questions*

I attend mostly the cultural arts events that the city of Hollywood offers. When I first moved to Hollywood, I regularly attended the downtown arts walk. Sadly after the economic downturn, and no art galleries in the city, these no longer exist. I do attend the monthly art mural walks and attend events hosted at the cultural arts center.
 I am available to meet as per the schedule, as I am self employed and manage my own time to allot for this.
 I am the current president of the South Florida Modern Art Guild that spans 5 counties. I also am the creator of the Inaugural airing of the Quilts at the Historic Stranahan House that was held of Feb 20, 2019. I also served for over 7 years as a board member and general member with the Junior League of Greater Fort Lauderdale and involved with many events throughout the county. Some of our events are the Kid's in the Kitchen cooking event, Burger Bash with the FLITE center, and 5k Riverwalk Run to name a few.

A city needs to provide its community with activities (cultural or recreational) as it bonds people together and it also helps our neighbors to form a connection with Hollywood, but also pride in the city.
 In this age of digital media, which keeps us aware of the world, we need to be aware of the towns we live in. Parks, Recreation and cultural events also attract outsiders to come visit and possibly to move to our community. Events provide by the city also attract people to come and shop our stores, patronize our restaurants and keep our city alive.
 Our community is diverse, from age, income to all stages of life and we need to offer events and programs that keep our citizens excited about living in Hollywood.

Please answer these six questions above. 1. How many events have you attended in the past year at any of the parks and athletics facilities in the City? 2. How many City-sponsored special events have you attended for the past year? 3. Are you available to attend regular Board meetings? Regular meetings are on the 1st Thursday of the month for 8 months per calendar year. 4. What is your one area of highest interest related to the parks, recreation and cultural arts for the City? 5. What other relevant organizations, clubs, or associations were you previously, and/or currently are involved in? 6. How does parks, recreation and cultural arts contribute to quality of life?

Planning & Development Board - Questions*

Amy Grossman BIO .pdf

Amelia "Amy" Grossman is the founder and creator of The Skin and Lash Lady, a boutique beauty business that focuses on holistic approaches to anti-aging and making people feel happy and good "in their skin".

Before moving to South Florida, Amy was a fashion manufacturer and designer for well-known fashion companies - Jordache, Gitano, Cheryl Tiegs and Carter's just to name a few.

After leaving New York City in 1994, she settled into Hollywood and restarted her career in fashion on the retail side with Bloomingdales. After achieving all her career goals, she decided to take a break from the corporate world and in 2005, she used her marketing skills and became a Development Director for the Susan B. Anthony Recovery Center in Pembroke Pines. Finding her calling to help the community, Amy found herself on several boards, assisting with strategic plans, fund raising, grant writing and marketing campaigns.

Amy is proud to be a recipient of the President's Award 2011 from the Junior League of Greater Fort Lauderdale and Provisional of the year award 2008- Junior League of Greater Fort Lauderdale, for her fundraising achievements.

In addition, Amy is an accomplished painter and quilter and has received grants and awards for her artwork. She resides in the northern most house in Hollywood, FL, with her husband and 2 rescue dogs. She is a graduate of the State University of NY- Fashion Institute of Technology.
