Single Family Home Demolition

824 Polk Street Hollywood, FL

To: City of Hollywood, Building Department

To Whom It May Concern:

Per your request, this letter is to inform you of the following:

We will be installing a silt fence around the perimeter of the above referenced property prior to commencing the demolition. We will also continuously strive to maintain the cleanliness of the property and protect all surrounding properties.

And in response to your request for sod on the vacant lot:
An application for postait to construct a new single family home, (Process # 14937) is in the City of Hollywood. As soon as the permit is granted, we intend on commencing construction on the new home and installing sod when the new home is close to completion. The silt fence will remain in place during construction of the new home.

If you need any further information, please call me at 954-295-5436.

Sincerely,

WHEREAS, an advertised public hearing was held on September 27, 2005 to consider the Applicant's requests; and

WHEREAS, the Board reviewed the Applicant's request for a Certificate of Appropriateness for Demolition and the evidence submitted and testimony received at the public hearing, and the Board applied the criteria for Granting a Certificate of Appropriateness for Demolition of a non-historic structure as contained in the Section 5.6F.5(d) of the City's Zoning and Land Development Regulations as follows:

- (a) The building, structure, improvement, or site is designated on either a National, State or Local level as an historic preservation district or an architectural landmark or Site.
- (b) The building, structure, improvement, or site is of such design, craftsmanship, or material that it could be reproduced only with great difficulty and/or expense.
- (c) The building, structure, improvement, or site is one of the last remaining examples of its kind in the neighborhood, the county, or the region.
- (d) The building, structure, improvement, or site contributes significantly to the historic character of a historically designated district.
- (e) Retention of the building, structure, improvement, or site promotes the general welfare of the city by providing an opportunity for study of local history, architecture, and design or by developing an understanding of the Importance and value of a particular culture and heritage.
- (f) There are definite plans for reuse of the property if the proposed demolition is carried out, and those plans will adversely affect on the historic character of the Historic District.
- (g) The Unsafe Structures Board has ordered the demolition of a structure or the feasibility study determines that the retention of the building would deny the owner of all economically viable uses of the property.
- (h) Consideration of the information listed in the Historic Properties Database (a listing of historic and non-historic properties) as a guideline in determining whether a Certification of Appropriateness for Demolition should be issued.

WHEREAS, the Board reviewed the Applicant's request for a Certificate of Appropriateness for Design for the construction of a 3,940 square foot single family home, reviewed the evidence submitted and testimony received at the public hearing, and the applied the criteria for granting a Certificate of Appropriateness for Design as contained in the Section 5.6.D.3.a. and b. of the City's Zoning and Land Development Regulations as follows:

#### (HISTORIC PRESERVATION BOARD RESOLUTION NO. 05-CM-63)

- 1. The criteria for reviewing a request for a Certificate of Appropriateness for Design set forth in Section 5.6.D.3.a., includes: integrity of location, design, setting, materials, workmanship, and association.
- 2. The criteria for reviewing a request for a Certificate of Appropriateness for Design as set forth in Section 5.6.D.3.b., was not applicable;

WHEREAS, after applying the criteria stated above, the Board found the design to be acceptable with conditions; and

NOW, THEREFORE, BE IT RESOLVED BY THE HISTORIC PRESERVATION BOARD OF THE CITY OF HOLLYWOOD, FLORIDA:

<u>Section 1:</u> That the Board, after hearing all the evidence submitted and reviewing the Applicant's request and Staff Summary Report and hearing testimony from all parties and public speakers, approves the issuance of a Certificate of Appropriateness for Demolition of a non-historic structure.

Section 2: That the Board, after hearing all the evidence submitted and reviewing the Applicant's request and Staff Summary Report and hearing testimony from all parties and public speakers, approves the issuance of a Certificate of Appropriateness for Design with the following conditions: 1) That the Applicant must record a Unity of Title, in a form acceptable to the City's Attorney, in the Public Records of Broward County prior to the issuance of a Building Permit; 2) That the Applicant paint the shed to match the color of existing building.

(This space intentionally left blank,)

#### (HISTORIC PRESERVATION BOARD RESOLUTION NO. 05-CM-63)

Section 3: That the Office of Planning is hereby directed to forward a copy of this Resolution to the Applicants and the owner of the property with respect to which the request was made. This Resolution will be delivered to the City Clerk to be recorded in the public records of Broward County, as provided by the applicable provisions of Article 5 in the Zoning and Land Development Regulations.
