Good morning Luis,

The COI is approved, just so you know for future reference the Risk office does not consult with outside vendors on COI requirements for any reason. The few times I did just to be nice didn't end well and we're not supposed to anyway.

Thank you

Stacy

Stacy,
Ecolab extends additional insured on a blanket basis. Please see attached GC 2010 & GC2037

If you review the description of operation, it clearly states "The Certificate Holder and any other persons or organizations are included as additional insured"

Please advise.

The City of Hollywood received their renewed COI but is requesting that they be name additional insured. See message below:

This is something RISK has every vendor do or else they do not approve the COI. This will just delay the new contract process or stop it in its tracks. Your insurance carrier needs to add that to the current COI or talk it over with our RISK department. I have provided the RISK officer contact info below if they want to talk to that office.

We are on a short time frame to get this in our 3/1/23 agenda. Please make this a priority.
