A. Please describe all products and/or services to be procured under this exemption:
(If additional space is needed, please attach a separate memo)

All poles, equipment, and labor for the installation of field lighting at Butler Park multipurpose fields #1 and #2. This lighting will include the light structure system with total light control - TLC for LED technology.

B. Briefly explain why it is in the best interest of the City to procure under this exemption:
(If additional space is needed, please attach a separate memo)

Clay Count RFP 18/19-2 sought out competitive quotations for various equipment and amenities for parks and playgrounds. This lighting purchase is utilizing the Clay County competitive selection process. Also fields #3 and #4 at Butler Park are currently utilizing this Musco specific lighting and control system. Staff recommends that we keep the lighting controls consistent through the multipurpose fields.

Hi Cheryl,

There are no contracts or award letters to the vendors. We use the discount spreadsheet that shows all awarded vendors and their discount percentages along with the minutes where this was approved by our board as backup for purchases. You will need to get current price sheets and catalogs from the vendors that you use. The initial term is good until 5/27/22. Let me know if you need anything else.

Good Morning!

Musco Lighting has submitted a proposal to the City of North Port to light two of our multi-purpose fields. This quote is referencing RFP 18/19-2. I was able to locate a majority of the information I needed from your website, however I will also need a copy of the quote submitted by Musco to Clay County. Is this something that you would be able to provide?

I appreciate your assistance and have a very happy new year!

Cheryl

(K) **Bid Tabulation Form:** The bid Tabulation Form used at bid openings shall include a place thereon for three witnesses to sign. This procedure will eliminate the need for signing each individual bid at the time of opening, thus requiring the three witnesses to sign only once for each bid number submitted.

(L) **Authority to Delay Bid Openings:** The County Manager is hereby authorized, without seeking prior approval of the Board in any particular case, to order a delay of any bid opening from its scheduled date and time to a time certain on the agenda of the next regularly scheduled meeting of the Board, or such special meeting called for such purpose. The delay may be ordered at any time prior to the time of the scheduled opening, provided that such order be in writing, addressed and delivered to the Purchasing department with a copy delivered to the County Manager, and that copies thereof be mailed by certified mail, return receipt requested to all responding bidders as soon thereafter as is reasonably practicable. Upon receipt of the order, the Purchasing department shall immediately record the date and time thereof. The Purchasing department shall continue to accept sealed bids up until the applicable deadline. At the date and time originally scheduled for the bid opening, the Purchasing department shall announce the delay order to all in attendance and shall continue to maintain in its custody all properly submitted sealed bids until further order of the Board. At the time certain scheduled before the Board, the County Manager shall present his reason or reasons for the delay order and his recommendation for disposition of bids submitted. The Board may order the bids to be opened then and there, or at some other time and date certain; it may cancel the bid and order the return of all bids unopened; it may order a further delay of the bid opening; or it may make any other order appropriate to the circumstances. If the bids are ultimately opened, they shall be reviewed as provided elsewhere herein. If a delay occurs as provided herein, then the 30 day withdrawal period as provided in 8(I) shall commence upon the date of the actual bid opening, provided such date is not more than 60 days subsequent to the originally scheduled date. No delay shall be ordered beyond such 60 day period, unless the parties submitting timely bids consent to such delay in writing. In no event is the County Manager authorized to extend the deadline for bid submittals for any particular project, only the bid opening date.

(M) **Contractor's Insurance Requirement:**

Either prior to or simultaneously with the execution of the contract, the successful bidder must deliver certificates of insurance for the required insurance coverages to the County naming "Clay County, a political subdivision of the State of Florida; The Board of County Commissioners, Clay County, Florida; and all public agencies of Clay County, as their interests may appear" as "Additional Insureds." Said certificates of insurance shall also include a thirty day prior written notice of cancellation, modification or non-renewal to be provided to the County.
